Continuing Education Hours (C.E.H.) Information

When submitting C.E.H.s for renewal you will need to download the C.E.H. forms from our website that pertain to you. You will need to submit these forms along with your certificates or proof of attendance with your renewal form.

If you obtained C.E.H.s that are certified by the NCBTMB, approved by the Commission on Postsecondary Education, or taken at a Community College and/or within the University system then just submit the certificates or proof of attendance from the course provider along with your renewal form.

*example of courses that may be accepted, but not limited to:

- Accounting – assists in money management
- Adobe Course – assists in webpage creation for your business
- Language Courses – assists in communicating with specific clientele
- Anatomy & Physiology – further understanding of the human body
- Management Courses – assists in handling employees and your business

Classes or seminars that do not meet the requirements as outlined within the NAC may be subject to Board review. These classes will be evaluated on content and should benefit the massage practice or improve the therapists skills as either a business person or a practitioner. The Board will make a determination based on the information provided within the CEH application and any other applicable information needed to approve the credits.

*Note: A minimum of 12 C.E.H.s are required for renewal. You may carry over a maximum of 36 C.E.H.s over a span of 3 years. C.E.H.s obtained that are not NCBTMB certified or approved by the Commission on Postsecondary Education must be reviewed by the Board or designated committee prior to approval.

*Note: The only Continuing Education Hours (C.E.H.) that will be accepted, are those that you acquired after receiving your Nevada State License.

Additional Information on Continuing Education Hours

A licensee who seeks a reduction of the number of hours of continuing education required, an extension of time to obtain continuing education or a waiver, must petition the board to grant his request at least 30 days before the date on which his license must be renewed.

If the board finds indications of fraud or falsification of records, an investigation of action shall be instituted. Findings may result in disciplinary action including revocation of the licensees' license and/or other disciplinary actions.

Failure to complete education hours by the time of renewal may result in denial of a license. Licensee has 30 days from date of notification of non compliance to come in compliance. Failure to be in compliance may result in suspension of the licensee to practice massage.
