

**Nevada State Board of Massage Therapy  
Approved Programs as of April 18, 2018**

Pursuant to NRS 640C.400 the Board has approved the programs of massage therapy at the schools listed below. If the school that you attended is not included in this list, you may submit an application for the Board to approve the program of massage therapy that you attended. The information that must be submitted with such an application may be found at NAC 640C.060. After receipt of the application and required documents, the Board will review the application and documents.
