It is our goal to balance the needs of the public with those of Licensed Massage Therapists, through development, implementation, enforcement, and continued improvement in the areas of therapist education, public safety, boundaries and ethics, in compliance with the highest standards set forth within the Massage Therapy Profession.

Note: Public Comment Will Be Taken at the Beginning and the End of the Meeting.

9:00 a.m.

1. Public Comment

Victoria Sadiki, Professional Massage - This is my first time coming here. I just wanted to bring your attention to a couple of things that have been given to me as feedback from some of our currently licensed massage therapists. We currently have 400 massage therapists working for the World Poker tour. I wanted to speak about doing massage on the casino floor and in the poker rooms. It is a modality that is different than the Spa's. I feel that it is being under represented by the State of Nevada Board of Massage Therapists. We are not being treated the same way. The therapists are checked while doing a massage, to the best of my knowledge, the therapists in the spas are never checked while doing a massage. The inspectors just ask to see a license. The therapists have no knowledge of who this person is or who is asking for proof of license. We are open to inspections, however I just want you to be aware that massage in the casino's and massage in the poker rooms is a big driving force for the Board of Massage Therapy in our State.

Sandra Anderson, Executive Director – I was asked to read an email to the Board from Billie Shea. She asked us to read the following: I just read over the agenda for the last meeting. Hoping to be at the upcoming meeting but not sure I can clear my schedule as yet. I do have some concerns over the last agenda. The item about sending Board Members and attorneys to FARB is troubling. Just how many Board Members are going? Are you really going to pay for the Attorney's to attend? Your Attorneys are on contract to your Board and other Boards and should be handling this expense on their own or at the very least getting some of their other clients to share the costs. Overall if you send the entire Board, attorneys and yourself to this meeting, I estimate the cost will be in excess of 5% of your gross revenue for the year. I just feel this will send the wrong message to your constituents and may cause problems down the line. Please share this with your Board Members and Attorneys. Thank you so much.

2. Roll Call of Board Members

Board Members Present: April Whiting, Michael Smith, Diane Huleva, Robin Graber, Deirdre Strunk, Margaret Westcamp, Gayle Ferruccio, and Sgt. Ailee Burnett.

3. Formal Hearing

a. Ying Feng Hsu – Present, Kirk Kennedy, Attorney – Present

Keith Marcher, Board Counsel – Mr. Kennedy I know you were working with Ms. Platt to try and to get this case settled. According to Ms. Platt you were going to

sign a Stipulation of Facts and Liability. I do not know if she got you a hard copy in time for the meeting.

Kirk Kennedy, Attorney – No. We can state the stipulation on the record.

Keith Marcher, Board Counsel – Yes, let's go ahead and state the stipulation for the record.

Kirk Kennedy, Attorney – As you can see from the complaint, there is an allegation that on October 17, 2015 Ms. Hsu was working at Castle Spa in Las Vegas, Nevada. While working there she was arrested by an undercover Las Vegas Metro Police Officer. She was charged and arrested with a misdemeanor for solicitation of prostitution. Those are the facts from the complaint. We are stipulating that those facts did occur. The arrest in fact did occur which would be a violation of NRS 640C.700(9) Ms. Hsu do you understand and agree to the facts of the case?

Ms. Ying Feng Hsu, Applicant – Yes.

Motion: Robin Graber made a motion to find Ms. Hsu guilty.

Second: Michael Smith

Motion Carries Unanimously

Kirk Kennedy, Attorney – I represented Ms. Hsu in her case. Ms. Hsu had no prior arrest, she had to complete 25 hours of community service, and the case was dismissed on February 11, 2016. I would ask the Board consider a fine of \$2,000.00 with a 30 day suspension with the added requirement that she complete three to six hours of ethics and then to be reinstated.

Motion: Robin Graber made a motion for a 60 day Suspension with a \$2,000.00 fine, \$150.00 administration fee and complete 6 hours of ethics within 60 days. Once the license has been reinstated she will have one year of Probation.

Keith Marcher, Board Counsel – This is a renewal. He has had his license. The issue with doing something today is that we have not properly noticed him that there may be some potential affect to his license. Whether it may be probation, fine or anything like that. We have not gone through the due process.

I was originally in line with that, however we have sent her a mandatory drug test for the end of her probationary period and she has refused to accept her package from the Post Office. She has not gone to the Post Office to pick up the envelope. So I ask you to table this termination of probation.

Sergeant Ailee Burnett – I know you have provided a statement; however, I am confused by the statement. Your statement reflects the charges; however, you are not taking ownership of the charges or of what happened.

Alexis Dos Santos, Applicant – I was definitely in the wrong place at the wrong time. The incident occurred a couple of days post-surgery. I was staying with some friends, and I was un-aware that they were behind on their rent.

Sergeant Ailee Burnett – Do you have a drug addiction problem?

Alexis Dos Santos, Applicant – No, I do not.

Sergeant Ailee Burnett – Have you taken drugs in the past?

Alexis Dos Santos, Applicant – No.

Sergeant Ailee Burnett – These charges occurred in 2014, is that correct?

Alexis Dos Santos, Applicant – Yes.

Sergeant Ailee Burnett – So the statements that you made to the Officer at the time of arrest do you now recant your statements?

Alexis Dos Santos, Applicant – At the time of my arrest I was still under heavy medication from my surgery. I do not recall the conversation with the Officer.

Sergeant Ailee Burnett – You do not recall telling the Officer that you are a recreational user of drugs?

Alexis Dos Santos, Applicant – No, I do not. At the time of these statements with the Officer I was on oxycodone, acetaminophen and antibiotics. I do not remember making those statements.

Sergeant Ailee Burnett – You do not remember acknowledging the fake bills that you attempted to pass at a local store?

Alexis Dos Santos, Applicant – I do not recall any of this.

Sergeant Ailee Burnett – I should tell you that I am a narcotic expert. Oxycodone does not make you forget things unless you are abusing the drug. If you take it as prescribed, it does not prevent you from coherently thinking.

Diane Huleva, Secretary/Treasurer – Have you seen or read the police report?

Alexis Dos Santos, Applicant – I have not, no.

Diane Huleva, Secretary/Treasurer – That is what Detective Ailee is referring to. The Board has concerns due to this report.

s. Tora Erb – Present

Sandy Anderson, Executive Director - Ms. Erb's application is before you today due to potential criminal history that could not be approved administratively. Ms. Erb is requesting to be granted a license under NRS 640C.700.

Tora Erb, Applicant – This whole incident happened in 2014. I was moving from Oregon to Arkansas. We stopped in Las Vegas, so my kids could see their dad, as we did not know when they would be able to see him again. At that time we had a hot water accident. I took my sister to the hospital due to burns. And from that, charges were pressed, and I was accused of abuse and neglect on my sister.

April Whiting, Chairperson – How did she get burned?

Tora Erb, Applicant - The accident happened at my soon to be ex-husband's apartment. I was unaware that his bath water would run hot, cold, hot, cold. With my sister and her condition, she has accidents in her diaper and if she has defecated, she tends to paint herself. This happens four to five times per week. I would give her a bath to clean her. I ran the bath water. When I placed her feet in the water she screamed and I immediately removed her from the water. Only her feet were affected by the burns. Blisters began to appear on her toes.

April Whiting, Chairperson – How did that spiral into abuse?

Tora Erb, Applicant – Due to the burns, I ended up taking her to the hospital to have her toes looked at. Only her toes were burned from the hot water. At the hospital they had called the authorities. The authorities came in to access the situation. I had my three kids with me. They separated me from my kids and separated me from my sister. I am really sorry for the pain that I have caused anyone. I have followed everything the courts have asked me to do. They arrested me. I was in jail for 18 days. I was on house arrest for approximately nine months. I was on probation for another year and a half. All of my payments have been made. I have been working at

Massage Envy since May of 2014 right after I graduated from Nevada School of Massage Therapy in Las Vegas. I work at the front desk and have superior customer service with everyone walking through the doors. My passion is for people.

April Whiting, Chairperson – Your sister is not living with you?

Tora Erb, Applicant – No. I have been granted supervised visits. We have visits every other week for one hour by myself, and a half hour with my three children. She is currently living in a group home. My case is reviewed every six months to increase the visits.

April Whiting, Chairperson – Is your goal to be able to resume taking care of your sister?

Tora Erb, Applicant – That is my goal. That is why I have not left the State of Nevada. I could have left the state and never looked back. I did not see my sister for over two years. She was in a strange house, and I was the cause of that.

Motion: Michael Smith made a motion to approve the license with a two year probation with the following conditions 1, 2, 6, 12, 13, 14, 15 and 16.
