

Section 1. NAC 640C is hereby amended by adding thereto the provisions set forth as section 2 to 15, inclusive, of this regulation.

Sec. 2. *The Board will recognize a program of structural integration which requires its pupils to complete a minimum of 730 hours of instruction in the following courses before receiving a certificate:*

- 1. 230 hours of instruction in anatomy, physiology and kinesiology; and*
- 2. 500 hours of instruction in courses of structural integration.*

Sec. 3. *The Board will recognize a program of reflexology which requires its pupils to complete a minimum of 200 hours of instruction in the following courses before receiving a certificate:*

- 1. 25 hours of instruction in the reflexology theory, history, zones, meridians and relaxation response;*
- 2. 40 hours of instruction in body systems related to reflexology, including a study of the leg and foot as a structure, hands-on palpation of landmarks with sensory identification of palpated areas, and a map of reflexes;*
- 3. 30 hours of instruction in anatomy and physiology;*
- 4. 5 hours of instruction in business and ethics;*
- 5. 10 hours of instruction in supervised practicum or clinical work; and*
- 6. 90 hours of instruction in other courses of reflexology.*

Sec. 4. *A massage therapist shall drape a client for each session. As used in this section, “drape” means to cover a client so that the client’s genitals, gluteal cleft, and the breast of a female client are not exposed and that neither the massage nor movement of the body expose the genitals, gluteal cleft or breast area.*

Sec. 5. *A reflexologist must perform reflexology on a client who is fully clothed, except that the client’s legs from the knees to the foot may be exposed.*

Sec. 6. 1. *A structural integration practitioner who performs structural integration along the borders of the superior and inferior pubic ramus, the borders of the coccyx, ischial tuberosity, and ramus of the ischium does not engage in sexual activity pursuant to subsection 4 of NRS 640C.700.*

2. A structural integration practitioner shall not touch inside the bony landmarks or intracavity of the perineal diaphragm.

Sec. 7. To maintain his or her licensure, a reflexologist must complete, to the satisfaction of the Board, at least 12 hours of continuing education as specified in NAC 640C.110 within the licensing period immediately preceding the request for renewal of his or her license. Except as otherwise provided in subsection 2, proof of the completion of the requirement for continuing education must be submitted with an application for renewal of a license.

2. If a reflexologist obtains more than 12 hours of continuing education in a licensing period, the reflexologist may request that the Board carry over the excess hours of credit, not to exceed 36 hours, to apply towards completion of the requirement for continuing education set forth in subsection 1 for succeeding years, up to a maximum of 3 licensing periods.

3. If a reflexologist fails to complete the requirements for continuing education set forth in subsection 1 before the date on which his or her license expires, the Board will send a notice to the reflexologist indicating that the reflexologist is not in compliance with the requirements for continuing education.

Sec. 8. 1. The Board will approve credit for continuing education as follows:

(a) One hour of credit will be approved for each 60 minutes that a reflexologist attends a workshop, course, conference or seminar relating to the practice of reflexology which is provided by a person or entity that is:

(1) Accredited by the National Commission for Certifying Agencies, or an equivalent accrediting body approved or recognized by the Board;

(2) Approved by the American Reflexology Certification Board;

(3) A reflexology school, massage therapy school, bodywork therapy school, public college, postsecondary institution or other entity which offers a program of reflexology that is recognized by the Board pursuant to NRS 640C.400 and NAC 640C.060; or

(4) A reflexologist with at least 2 years of experience in the practice of reflexology and is certified by the American Reflexology Certification Board, or International Institute of Reflexology, or National Certification Board for Therapeutic Massage and Bodywork or has experience in a related field who has previously received approval from the Board for the workshop, course, conference or seminar.

(b) The amount of credit for authoring a publication relating to the practice of reflexology will be determined upon receipt and evaluation by the Board of the information required to be submitted pursuant to NAC 640C.130.

(c) One hour of credit, up to a maximum of 8 hours of credit per year for each activity listed in subparagraphs (1), (2) and (3), will be approved for each hour spent:

(1) Giving a presentation at a workshop, course, conference or seminar relating to the practice of reflexology.

(2) Preparing a presentation described in subparagraph (1).

(3) Serving as a member of the Board or a member of a committee appointed by the Board or attending a meeting of the Board.

2. A reflexologist may receive credit only once for giving or preparing a presentation described in subparagraph (1) of paragraph (c) of subsection 1.

3. The Board will consider the written request of a reflexologist for approval of credit for any continuing education that is not specified in subsection 1, including credit for any continuing education that is not specifically related to reflexology, if the request is submitted to the Board at least 90 days before the date on which the license of the reflexologist expires.

Sec. 9. 1. The Board will approve credit for continuing education as follows:

(a) One hour of credit will be approved for each 60 minutes that a structural integration practitioner attends a workshop, course, conference or seminar relating to the practice of reflexology which is provided by a person or entity that is:

(1) Accredited by the National Commission for Certifying Agencies, or an equivalent accrediting body approved or recognized by the Board;

(2) Approved by the International Association of Structural Integration;

(3) A structural integration school, bodywork therapy school, public college, postsecondary institution or other entity which offers a program of structural integration that is recognized by the Board pursuant to NRS 640C.400 and NAC 640C.060; or

(4) A structural integration practitioner with at least 2 years of experience in the practice of structural integration or a related field who has previously received approval from the Board for the workshop, course, conference or seminar.

(b) The amount of credit for authoring a publication relating to the practice of structural integration will be determined upon receipt and evaluation by the Board of the information required to be submitted pursuant to NAC 640C.130.

(c) One hour of credit, up to a maximum of 16 hours of credit per renewal period for each activity listed in subparagraphs (1), (2), (3) and (4), will be approved for each hour spent:

(1) Giving a presentation at a workshop, course, conference or seminar relating to the practice of structural integration.

(2) Preparing a presentation described in subparagraph (1).

(3) Serving as a member of the Board or a member of a committee appointed by the Board or attending a meeting of the Board.

(4) Serving as a member of a board or committee relating to the practice of structural integration.

2. A structural integration practitioner may receive credit only once for giving or preparing a presentation described in subparagraph (1) of paragraph (c) of subsection 1.

3. The Board will consider the written request of a structural integration practitioner for approval of credit for any continuing education that is not specified in subsection 1, including credit for any continuing education that is not specifically related to structural integration, if the request is submitted to the Board at least 90 days before the date on which the license of the structural integration practitioner expires.

Sec. 10. *In determining the amount of an administrative fine imposed pursuant to NRS 640C.712, the Board will consider:*

- 1. The number of times the licensee has been arrested of prostitution or other sexual offense;*
- 2. The number of times the licensee has been convicted of prostitution or other sexual offense;*
- 3. Whether there were any aggravating factors involved in the sexual activity, including, without limitation, the use of firearms;*
- 4. The licensee's good faith; and*
- 5. Any other factor.*

Sec. 11. *1. Each licensee shall file with the Board his or her current residential address using the Board's Internet website.*

2. A licensee shall notify, using the Board's Internet website, the Board of any change in his or her residential address within 10 days after the change.

3. If the Board is required by law or the provisions of this chapter to deliver any notice by mail to a licensee, the notice shall be deemed validly given if it is mailed to the last address of the licensee or holder of a certificate which was filed with the Board.

Sec. 12. *A licensee or holder of a certificate shall notify the Board in writing within 10 days after:*

- (a) An action is taken against any license, certification, registration or other credential held by the licensee or holder of a certificate that was issued by another state or territory of the United States;*
- (b) A criminal charge is filed against the licensee or holder of a certificate;*
- (c) The licensee or holder of a certificate is convicted of a criminal offense, other than a traffic offense which is a misdemeanor;*
- (d) A civil action for malpractice is filed against the licensee or holder of a certificate; or*
- (e) A settlement or judgment is made in any civil action for malpractice, in any case filed against the licensee or holder of a certificate for any act relating to the practice of massage therapy, reflexology or structural integration, as applicable.*

Sec 13. 1. *The Board may issue an applicant a license and immediately place an applicant on probation pursuant to NRS 640C.710 if the application or background of the applicant demonstrates that the applicant has committed one of the offenses in NRS 640C.700.*

2. *The probation terms may include, without limitation, requiring the applicant to:*

(a) Report all contact with law enforcement within 48 hours of the contact;

(b) Refrain from providing outcall services;

(c) Submit employment offers to the Board staff for review and approval;

(d) Notify the Board of any changes in employment;

(e) Complete 6 hours of ethics education courses within 90 days of issuing the license;

(f) Submit a complete set of fingerprints and written permission authorizing the Board to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report upon renewal of his or her license with the appropriate fee;

(g) Attend probation orientation; and

(h) Pay any administrative fees incurred by the Board for administering the probation.

Sec. 14. 1. *Each licensee must prominently display at all times in his or her place of employment his or her license issued to the massage therapist, reflexologist, or structural integration practitioner, as applicable, by the Board at his or her place of employment.*

2. *Each holder of a certificate must prominently display at all times in his or her establishment his or her certificate issued by the Board.*

Sec. 15. *The fees paid pursuant to Section 6 of LCB File R108-17 are not refundable.*

Sec. 16. Section 4 of LCB File R108-17 is hereby amended to read as follows:

Sec. 18. NAC 640C.100 as amended by LCB File R108-17 is hereby amended to read as follows:

NAC 640C.100 1. To maintain his or her licensure, a massage therapist *and structural integration practitioner* must complete, to the satisfaction of the Board, at least 24 hours of continuing education as specified in NAC 640C.110 within the licensing period immediately preceding the request for renewal of his or her license. Except as otherwise provided in subsection 2, proof of the completion of the requirement for continuing education must be submitted with an application for renewal of a license.

2. If a massage therapist *or structural integration practitioner* obtains more than 24 hours of continuing education in a licensing period, the massage therapist *or structural integration practitioner* may request that the Board carry over the excess hours of credit, not to exceed 72 hours, to apply towards

completion of the requirement for continuing education set forth in subsection 1 for succeeding years, up to a maximum of 3 licensing periods.

3. If a massage therapist *or structural integration practitioner* fails to complete the requirements for continuing education set forth in subsection 1 before the date on which his or her license expires, the Board will send a notice to the massage therapist *or structural integration practitioner* indicating that the massage therapist *or structural integration practitioner, as applicable*, is not in compliance with the requirements for continuing education.
