RE: Application of Jinping Chen - Reflexology License

Dear Ms. Van Horn:

Since early November, 2019, I have made attempts to obtain copies of any police/court records related to Ms. Jinping Chen's criminal history in California. After many roadblocks and unresponsive letters from various California agencies, I have been able to obtain a copy of some limited records related to her 2005 burglary arrest. See Attached. The 2005 case was resolved to a misdemeanor theft charge and she received a probation sentence of 36 months supervision.

Regarding her remaining California criminal history, I have not been able to secure any additional records. Given the status of this matter, I would request that the Massage Board proceed to set her application for a review hearing at the next available agenda setting. Thank you for your cooperation.

Yours truly,

Kirk T. Kennedy, Esq.

09/07/2006 – Prostitution – New Orleans, LA – Case M469429 – Nol Prossed – No records available due to cyber-attack on Police Department.

4/04/2008 – Prostitution – Bossier City, LA – Case C-163564 – Nol Prossed

Statement from Samuel L. Wyatt with Bossler City Police Department: On 4/3/2008 the vice unit opened a prostitution investigation in reference to online solicitation. Upon reviewing the ASPD.net I found a posting from "Wynterstark" stating that she was in the Shreveport area this weekend. I went to Wynterstark's website to view her services and prices. Wynterstark had the following services listed: 69 sex, blowjob, sex with two escorts, oral sex, hand job, and many others. Wynterstark had her prices listed in U.S dollars as the following: Incall (you meet the girl at her place) - \$250.00, outcall (escorts come to your place) - \$350.00, touring rates for Shreveport – Incall \$300.00/HR and outcall \$350.00/hr. I completed the screening information for wynterstark and requested to meet with her on 4/4/2008 at 9 pm. On 4/4/2008 at 9:37 am I received an email from Wynterstark stating that the screening was complete, and she would see me, and she requested 6 pm. I sent an email back stating that was too early and requested later. Wynterstark sent an email back to me asking if 7:30 pm was ok and I sent her an email back agreeing. I obtained room 309 at the Holiday Inn located at 2015 Old Minden Rd. I placed an electronic transmitting device in the room for officer safety. The surveillance team was stationed in the area and equipped with an electronic receiving device for the officer safety and to monitor the undercover operation. On 4/4/2008 at 1816 hrs, I received a call on my cell phone from Wynterstark from XX at which time she stated the following: It would be \$350.00 for her to come to my room, she will be there around 7:30 pm, she has many different sex ideas that she knows I will enjoy, she has a friend that could come name "Naughty Lana" that we could play with as well; for her and naughty Lana to come it would cost \$600.00; for her and naughty Lana would "Eat each other out and make me so sore that I could not walk tomorrow". I spoke with a female that was identified herself as "Naughty Lana" and she told me the website address to look up her pictures at XXX. I agreed to the price of \$600.00 and told her I would call them back to let them know what room I got. At 1935 hrs, I called Wynterstark back at XX and I advised her of my room number. At Approximately 2030 hrs, XX Rhodes (Wynter Stark) and Joanna Iris (Naught Lana) arrived at my room. Upon entering the room Ms. Rhodes locked the door. Ms. Rhodes then took all of her clothes off and laid on the bed closest to the door. I went to hand the six hundred dollars (all hundred-dollar bills) to Ms. Iris and she told me to place it on the dresser. I placed the money on the dresser and Ms. Iris began removing her shirt. Ms. Iris then stopped taking her shirt off and said that something did not feel right and she was leaving. Ms. Iris then stated that it was a mistake for them to come here. Ms. Rhodes then got dressed again. Ms. Rhodes told Ms. Iris that she had me screened and that I checked out. I gave the code word for the surveillance team to enter the room and I unlocked the

door for them. Once the room was secure, I identified myself to Ms. Rhodes and Ms. Iris and advised them they were being charged with prostitution.

NOTICE OF NONCRIMINAL JUSTICE APPLICANT'S RIGHTS

As an applicant who is the subject of a Federal Bureau of Investigation (FBI) fingerprint-based criminal history record check for a noncriminal justice purpose you have certain rights which are discussed below.

1. You must be notified by the Nevada State Board of Massage Therapy that your fingerprints will be used to check the criminal history records of the FBI and the state of Nevada.
2. If you have a criminal history record, the officials making a determination of your suitability for the job, license or other benefit for which you are applying must provide you the opportunity to complete or challenge the accuracy of the information in the record. You may review and challenge the accuracy of any and all criminal history records which are returned to the submitting agency. The proper forms and procedures will be furnished to you by the Nevada Department of Public Safety, Records Bureau upon request. If you decide to challenge the accuracy or completeness of your FBI criminal history record, Title 28 of the Code of Federal Regulations Section 16.34 provides for the proper procedure to do so:

16.34 - procedure to obtain change, correction or updating of identifiable records. If, after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information

Services (CIS) Division, ATTN: SCU, Mod. D-2, 4000 Custer Hollow Road, Clarkburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contradicted the original information, the FBI CIS Division will make any change necessary in accordance with the information supplied by that agency.

3. Based on 28 CFR § 54.12 (b), officials making such determinations should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
4. You have the right to expect that officials receiving the results of the fingerprint-based criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal or state statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.
5. I hereby authorize Nevada State Board of Massage Therapy to submit a set of my fingerprints to the Nevada Department Public Safety, Nevada Bureau for the purpose of processing and reviewing State of Nevada and FBI criminal history records that may pertain to me.
In giving this authorization, I expressly understand that these records may include information pertaining to notations of arrest, detentions, indictments, information or other charges for which the final court disposition is pending or is unknown to the above referenced agency. For records containing final court disposition information, I understand that the release may include information pertaining to dismissals, acquittals, convictions, sentences, correctional supervision information and information concerning the status of my parole or probation when applicable.
6. I hereby release from liability and promise to hold harmless under any and all causes of legal action, the State of Nevada, its officer(s), agent(s) and/or employee(s) who conducted my criminal history records search and provided information to the submitting agency for any statement(s), omission(s), or misstatement(s) upon my current legal rights. I further release and promise to hold harmless and consent not to sue any persons, firms, institutions or agencies providing such information to the State of Nevada on the basis of their disclosure. I have signed this release voluntarily and of my own free will.

A reproduction of this authorization for release of information by photography, facsimile or similar process, shall for all purposes be as valid as the original.

Hello Teresa

We just got off the phone, and you asked for details of the prostitution charges from 2009 and 2008. I guess the story leading up to that is in 2002, I did an adoption on my 3 year old daughter since I thought from the second Bogus Check charge I was going to jail, at least that is what I was told. I came from a very jacked up family and didn't trust anyone to treat my daughter with the love and stability she deserved. Needless to say after that I didn't realize or understand what it would do to me mentally and emotionally. I felt like my heart was missing, I knew what I did was best for my daughter and her growing up, however the pain I felt, I was prepared for and no one can prepare anyone for that feeling. I was bartending and met some women that were high end escorts and feeling a connection with them and a sense of belonging. I tried to fill that hole in my heart and yes I was a escort and exotic dancer with them. That leads me up to 2006

So 2006, I went to New Orleans for my birthday to meet a couple people to party in the French Quarter and celebrate. One of my, I thought was friends asked to set me up for an appointment. I didn't see the big deal, even though we were all drinking like a fish in water, I trusted the person. I showed up at the room in Holiday Inn in the French Quarter where I was arrested on the spot, as soon as I walked in and said hello. I was bailed out, hired an attorney and he had the charges dismissed, I never even had to step foot in court.

In 2008, a friend and I went to Bossier from Dallas, to go gambling and drink like sailors again, we were heading to the casino and she wanted to stop off and go to an appointment. I said sure I'll drive since I just bought a new hard top g-6 convertible, I wanted to let the top down and feel the wind in my hair. I drove to the hotel and walked her to the room to make sure she was safe. He invited us both in and I didn't want to, she asked again and I finally agreed. It seemed weird I asked her lets go and we went to go out the door and literally SWAT came in with guns drawn like something out of the movies, probably 5 to 7 officers loaded in tactical gear, telling us to get on the floor like we were some drug lords. I was pretty pissed off I was getting my damn steak to be honest. Went to jail, was bailed out in the morning, hired an attorney and had the charges dismissed without ever having to set foot in court.

After all that nonsense with both those women, I decided to walk away from that party hard drinking, drugs, stripping, escort lifestyle. We only get so many chances in life and I had military friends that were living in Hawaii. So I moved after the court proceedings were done, went back to bartending and that's when massage therapy found me, I was healed with LomiLomi by a co-worker. I don't know what he did, Doctors for 3 months had me on some hard core antibiotics and he offered to give me a LomiLomi session, he was local and his grandmother taught him, Lomi is typically passed down through the family as per traditional.

I went to school in Honolulu after that for massage therapy and my Kumu Shin-tao Kimura is who also taught me LomiLomi I believe saved my life, I stopped drinking, and dedicated myself to improving my quality of life and focus on the path of healing. Everything I have done since then is about giving back, educating myself, learning higher skills and techniques with a wide variety of modalities.

I guess the bottom line is I changed my life from then and it was the best choice I ever made. I also reconnected with my daughter this year. She strong, beautiful and I know my choice was the best thing for her having stability and a healthiest life she could have.

Nevada State Board of Massage Therapy,

To whomever reads this, Im not exactly sure what written native you need or desire since It was not defined. Any wrlitten narrative the courts would provide are as what I received from them directly. I have paid for the disposltions from both the states, all fines and court costs have been ilsted for both the convictions of bogus check In Comanche county. Both the charges from crimes agalnst nature In Louislana were dlsmlssed.

If you want a wrlitten narrative from me, basically I used to run with escorts and exotic dancers after I gave up my daughter for adoption In 2002 since I thought I was going to jall for that second bogus check charge. I was a single mom, working and just wanted to put food on the table. I didn't mean for the check to bounce and I thought my paycheck would get there before the check would. My fault entirely and I also stopped writing checks. That's the truth I changed my life In 2008 after driving my so called friend Farrah to her appointment In Bossler and we were arrested. I didn't want that life any longer and saw it was nothing but trouble. It wasn't a lifestyle I was proud of and I wanted to be proud of my life when my daughter came back into It.

I put forth deep and lasting effort to maintaining my changed lifestyle and when I moved to Hawaii In 2010, massage therapy helped me and got me out of drinking and bartending Into a hollstic lifestyle. I feel massage therapy saved me In ways I can't even fathom or explain by wrlling word.

I have since graduated from Massage Therapy school, not just once, but twice, once In Honolulu 2011, and again In 2018 at Parker Unlversly where I continued to achieve my Associates degree and maIntaln a 3.569 GPA. I have kept my nose clean since 2008, my record attests to that, so does my school transcripts and everything else In my life. I cut out things that no longer serve me In a positive manner and I continue to grow, to learn, to receive education. If I was to send certlcatlons that I have put forth effort In achieving, there would be a very long llst, a lot of clnlcal and therapeutic modalitles as well.

I have a few employers waiting as long as they can for myself to receive my llcense there, even though It has taken me awhile to send this In return. To be honest, I was kinda scared, would people I dont even know judge me. as the person I haven't even been In almost 12 years, or would these people actually see and acknowledge the changes I have made and continue to make In my life. Would these people see me, the real me.... I have to admit Its kinda scary to be judged on things that are irrelevant today.

Who knows, this Is In the boards hands, I want more In my life, wherever that takes me, I will continue to Improve, to achleve greater things and help others Improve their quality of life.

Thank you for your time and patience,

Joanna Irls

Please do, seeing as I am not within the guidelines for having to go up to the board and refusal of my license, this is a violation of my rights and a violation of the regulations as you guys have stated in, **NRS 640C.700 Grounds for refusal to issue license or for disciplinary action.**

I would assume that everyone on the board and in this department wouldn't want this type of violation on their conscious, I would assume that this Department and Board of Massage wants to maintain regulations with the utmost integrity. I am sure no one in the Massage Board wants that reputation tarnished either. Massage Therapists have to maintain an deeply ethical standing don't we all now. Which Includes abiding by the regulations the board as put into place.

I am sure you guys will do the honorable thing and fix this oversight on my behalf so my rights are no longer being violated.

Thank You,
Joanna Iris

I have never done anything illegal during the course of my massage career, I went to massage school in 2011 back in Hawaii and even before that I haven't done anything illegal or been disciplined. My going up to the board is a waste of tax payers money and my licenses should of been granted back in January. Seeing as I do not follow under any of the regulations for this matter.

I believe you may want to look back over my application as I have been a very much law abiding citizen and have held my massage career in the utmost highest regard. Dismissed charges means I have not been convicted and the government offices didn't even want to bother with extorting tax payers money to mess with me.

That means no conviction so why am I being held accountable for dismissed charges 12 and 14 years ago?

This makes no sense and isn't in accordance with the Regulations

Joanna Iris

On Wed, Apr 8, 2020 at 9:57 AM

Well I have not been convicted of any crimes listed there... My dismissed charges were from 12 and 14 years ago, seems kinda ridiculous to be put on trial for something the government already dropped. I'll look up the statutes and see what the regulations are.

Joanna,

The statutes are NRS 640C.580 and NRS 640C.700. The Board has granted authority to the Executive Director to process all applications; however, if there is a violation of anything in the chapter then the application, must come before the Board for review.

The Board addresses each individual on a case-by-case basis. Your application will be reviewed by the Board, and you will have the opportunity to share your perspective and explain to them anything you would like to help them make their decision.

Sadly, due to COVID-19 these types of public meetings have been cancelled. The next scheduled meeting is June 10, 2020. You will receive notice 21 business days prior to the meeting which will include the time and location.

To whom I may concern,

I would like to know where in the NRS does it have the regulations stated for people who have been convicted of a crime and what the rules consist of in detail please. I have been having a difficulty finding it as I do not see it listed or in anything that I have read and I know by law you guys are required to provide such regulations when asked for them.

Thank you **Kindly**

What the latest directives mean for you!

On March 31, 2020 the Governor issued Declaration of Emergency Directive 20-009. The Board currently is processing renewals within the normal 15 business day time period and mailing new licenses within the 45 day time period; therefore, we will not be utilizing the 90 day extension unless reduced staffing during the state of emergency makes timely renewal of the license impractical or impossible.

Additionally 20-009 allows for businesses that have a business license that expires during the state of emergency there is now a 60-day grace period. Please verify with the appropriate agency or municipality that you are included in the 60-day grace period. As the directive reads this would include the annual renewal of your State Business License through the Office of the Secretary of State, but it may include other business licenses as well if they are on an annual renewal basis.

April 1, 2020 the Governor issued Declaration of Emergency Directive 20-010 addressing staying at home through April 30, 2020. This directive extends the time frame for discontinuation of all non-essential functions. Massage therapy, reflexology, and structural integration are all non-essential functions. The only individuals that may provide massage therapy during this state of emergency are licensed physical therapists. The Governor has authorized the issuance of citations to individuals who violate this order and continue to practice. Additionally, the Attorney General's Office will be prosecuting cases of non-compliance. Failure to comply may result in a fine of up to \$5,000 per offense.

This virus is highly contagious and very dangerous for those with preexisting conditions as well as for some individuals with no preexisting conditions. The President and the Governor are asking for your compliance with assisting in protecting the health safety and welfare of the public in general. We understand this is a financial hardship for many; however, people's lives depend on you complying and protecting everyone.

Social distancing also has been extended through April 30, 2020. This means that you are to maintain a minimum of 6 feet distance between you and any other person not residing in your place of residence. If you are outside getting some fresh air and sunshine, you must still comply with the social distancing.

We know all of you know the importance of washing your hands before and after every client, but now more than ever how important it is to wash them even more frequently in your own home.

Agenda Item 21

April 3, 2020

Ms. Sandra Anderson
Executive Director
Nevada State Board of Massage Therapy

VIA EMAIL: sjanderson@lmt.nv.gov

RE: Request for Comments on Nevada Administrative Code, Chapter 640C related to the practice of massage therapy, reflexology, and structural integration.

Dear Ms. Anderson:

The mission of the Federation of State Massage Therapy Boards (“FSMTB”) is to support our 46 member boards in their work to ensure that the practice of massage therapy is provided to the public in a safe and effective manner. The FSMTB is providing comment on the Nevada Administrative Code 640C related to the rules and regulations governing the licensure of massage therapy, reflexology and structural integration practitioners in Nevada.

FSMTB’s comment on 640C is restricted to 640C.050 related to the requirement to pass an examination prior to licensure and 640C.052 relating to the requirements for recognition of a massage therapy program by the Board.

FSMTB’s Comments on 640C.050 related to the requirement to pass an examination prior to licensure.

As you are aware, the purpose of a licensing examination is to identify persons who possess the minimum knowledge, skills and abilities necessary to safely and competently practice on the public. An examination used for licensing purposes must, at the very least, be reliable, valid, and legally-defensible. There are several factors to assess when considering whether an examination is appropriate for licensure. For example, licensing examinations should:

- Be based on a job-task analysis;
- Clearly communicate the test specifications or content outline;
- Be psychometrically valid, representing and assessing entry-level content important for public protection
- Produce consistent results from administration to administration; and
- Meet state and federal statutes and guidelines for licensure examinations.

The Massage & Bodywork Licensing Exam (MBLEx), currently in use for licensing in Nevada, is the *only* assessment tool designed specifically to meet the needs of the state licensing boards to assess entry level knowledge and skills to practice safely and competently. The MBLEx is recognized as the sole examination for licensing by the Alliance for Massage Therapy Education (AFMTE), the American Massage Therapy Association (AMTA), Associated Bodywork and Massage Professionals (ABMP), the Commission on Massage Therapy Accreditation (COMTA), and the National Certification Board for Therapeutic Massage and Bodywork (NCBTMB).

The MBLEx includes input from massage and bodywork professionals to include reflexologists and structural integrators as part of its Job Task Analysis (JTA). The empirical data from the JTA confirmed that there is no difference in knowledge or skills required for the practice of massage, bodywork and somatic therapy at entry level. The MBLEx examines core competencies for safe and effective practice and is not technique-specific or specialty-focused. All certification exams, along with assessments offered by ITEC are not designed for, nor appropriate for, licensure purposes. The MBLEx is the only appropriate and fair entry-level licensure examination for all approaches to massage and bodywork practice.

FSMTB's comment on 640C.052, relating to the requirements for recognition of a massage therapy program by the Board.

Nevada Administrative Code 640C.52 states that a program requires that a pupil completes a minimum of 550 hours of instruction in specific courses before receiving a certificate of successful completion. As you know the FSMTB has created a Model Practice Act with the intent to provide a comprehensive resource to our members and to assist regulators with statutory language. The MPA content is based upon research, public input, and the collective wisdom of the Massage Therapy regulatory community. Within the Model Practice Act is language that recommends a minimum of 625 clock hours for an entry-level massage or bodywork education. This is consistent with the recommendation resulting from the comprehensive review and analyses undertaken by the Entry Level Analysis Project (ELAP) workgroup, sponsored by the seven national massage therapy organizations. The specifics of the ELAP findings and recommendations can be found in a separate document (www.elapmassage.org). The Commission on Massage Therapy Education also supports 625 hours of education as part of their COMTA-Endorsed Curriculum.

In summary, the FSMTB recommends the use of the MBLEx as the sole licensure examination for all massage and bodywork practitioners and recommends a minimum of 625 hours of entry-level massage or bodywork therapy education for licensure.

Thank you for the opportunity to offer commentary to assist you in the rulemaking process. As the board continues to draft and review rule revisions, please feel free to reach out to FSMTB for additional information, resources or recommendations. Thank you for your continued work in the mission of public protection.

Sincerely,

Lorena Haynes
