

BEFORE THE NEVADA STATE BOARD OF
MASSAGE THERAPY

In the Matter of:

Kendal L. Priestly,
Licensed Massage Therapist
License No. NVMT.10263

ORDER FOR PROBATION

IT APPEARING on January 8, 2020, Kendal L. Priestly (“Priestly”) appeared before the Nevada Board of Massage Therapy (“Board”) for an application review.

The Board granted Priestly a license to practice massage therapy and immediately placed Priestly’s license on probation for a period of two (2) years.

ORDER

IT IS HEREBY ORDERED:

1. Priestly will attend probation orientation.
2. Priestly shall submit to a background check within one year of the date of this Order and within two years of the date of this Order at Priestly’s expense.
3. Priestly must refrain from providing outcall services.
4. Priestly must report all contact with law enforcement personnel within forty-eight (48) hours after such contact occurs.
5. Priestly must notify the Board of any changes in her employment within 15 days.
6. Priestly must provide any changes in address or phone number to the Board office within 15 days.
7. Priestly is to submit to random drug test at Priestly’s expense.
8. Priestly must cooperate fully with the Board staff to administrate terms of her probation.
9. This order shall not be construed as excluding or reducing any criminal or civil penalties or sanction or other remedies that may be applicable under federal, state or local laws.
10. Priestly’s license shall be marked “Restricted” throughout the probationary period.
11. Priestly shall meet with the Board or its representatives upon request and shall cooperate with representatives of the Board in her supervision and investigation of Priestly’s compliance with the terms and conditions of this Order.

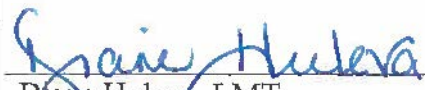

1 12. This Order will become part of Priestly's permanent record, will become public
2 information, will be published with the list of disciplinary actions the Board has taken,
3 and may be reported to any national repository which records disciplinary action taken
4 against licensees or holders of certificates or any agency or another state, which regulates
5 the practice of massage therapy. The Board may use the Order in any subsequent hearings.

6 13. Priestly acknowledges that if she violates one or more of the terms of this Order, the
7 Board may revoke or invoke other appropriate discipline against her license to practice
8 massage therapy; subject only to the requirement that the Board shall, prior to such
9 disciplinary action, conduct a hearing in accordance with Chapters 233B, 622A, and 640C
10 of the Nevada Revised Statutes for the limited purpose of establishing that there has, in
11 fact, been a violation of the requirements of this Order. In the event that a violation of this
12 Order is alleged, Priestly agrees to surrender her license to the Executive Director, if so
13 requested, and refrain from practicing as a massage therapist until an entry of a final order
14 of the Board or a court of competent jurisdiction, whichever last occurs, regarding the
15 potential violation. Priestly agrees to waive her right to appeal the substantive legal basis
16 of the disciplinary action. In the event an alleged violation of this Order is taken to hearing
17 and the facts which constitute the violation are determined to be not proven, no
18 disciplinary action shall be taken by the Board.

19 14. In the event other misconduct is reported to the Board, this Order may be used as evidence
20 against Priestly to establish a pattern of behavior and for the purpose of proving additional
21 acts of misconduct.

22 15. Nevada State Board of Massage Therapy retains jurisdiction in this case until all conditions
23 have been met to the satisfaction of the Board.

Subject: Probationary license appeal request

Hello, I was recently granted a 2year probationary license on 1/8/2020. The restricted license doesn't allow me to provide out call or work for myself.

The Clark County School District just released a completely online/home school reopening plan for the 2020 school year. I have a child in elementary school and am a single parent household.

Is there anyway I can appeal this restriction on my license?

Thank you

Yes I'm not requesting for the probationary decision to change I would just ask to remove the one stipulation that doesn't allow me to work for myself. The school district closing the schools leaves me with a 2nd grader who now has no where to go while I am at work and I'll have to take a significant reduction in hours and income because of it.

So, if I could please be put on the agenda for the November meeting and if possible be notified of any sooner meetings that have openings.

Thank you

Ms. Priestly,

You cannot appeal the original decision; however, you can ask for probation review. This review would give you an opportunity to have the Board review the circumstances and your current probation terms.

However; our next available meeting is November 4, 2020. Our meeting scheduled for August is not an available option.

Due to COVID-19 we are having more meetings than scheduled due to hearings and other circumstances. We may have an unscheduled one that we could add you too, however, we do not know at this time, when that will be. Once we do know, you could be notified and decide if that works for your schedule.

Please advise.

Tereza

Simple Business Plan

Business Overview:

My business will be a sole proprietorship under my name. I will offer mobile massage therapy services to clients at their homes. I will operate it from a home-based office but I will be able to provide services to clients in the city of Las Vegas, North Las Vegas, and also Clark County. I will carry insurance coverage for my business through the AMTA.

Operations:

My business hours will be flexible to the schedule of the clients. Clients will be able to book in advanced or the same day depending on my availability. I will travel in my own vehicle to the client's location. I will provide all necessary supplies (massage table, linens, and lotions/oils) for the service. Clients may book 60 min, 90 min, or 120 min massage session times

60 min.....\$60

90 min.....\$90

120 min.....\$120

Marketing:

In the early stages, my advertising will primarily come from word of mouth and my clients will predominantly consist of family and friends. Clients will be able to find more information on my services through websites like massage book or social media platforms. Once I've established my business, I will begin using a third party company like soothe or zeel to further market/offer my services.

Business Goals:

This will start off as a side venture that I can use to make extra income on top of my current employment. I want to keep my expectations modest, since this is my first time starting a business but if I can make even \$300 extra a month it would go a long way into helping my family live more comfortably. My long-term goal is to be able to build upon this business and expand it. In 3 years, I envision adding an on-site location for my massage services by renting my own massage room at a local spa or salon.

Start up:

The necessary licenses needed for my business include the Nevada State License, City of Las Vegas License, Clark County License, and the City of North Las Vegas License. I've contacted each jurisdiction and totaled the estimated costs for all required licenses to be an estimated \$575-\$675 in fees. Through a family funded loan, I will be able to cover that cost initially. I can re-pay that loan through a savings plan in about 6 weeks by saving my cash tips from my current employment.

Business Licensing Fee's

Nevada Massage Therapy License	\$480
Nevada State License fee	\$200
City of Las Vegas fee	\$150 + \$50 (home-based business fee)
City of North Las Vegas fee	\$100 fixed fee (annually) + \$30 (processing fee)
Clark County License fee	\$45 + (% annual revenue fee)
Total fee estimated cost	\$1,055-1,155
