The mission of the Nevada State Board of Massage Therapists is to, through licensing and regulating the practice of massage, protect the public health, safety and welfare by ensuring that only qualified competent Massage Therapy Practitioners are licensed in the State of Nevada. It is our goal to balance the needs of the public with those of Licensed Massage Therapists, through development, implementation, enforcement, and continued improvement in the areas of therapist education, public safety, boundaries and ethics, in compliance with the highest standards set forth within the Massage Therapy Profession.

Note: Public Comment Will Be Taken at the Beginning and the End of the Meeting.

9:00 a.m.

1. Public Comment

Lee Buchholtz, Licensee – I would like to continue my comments from the June 26, 2015 Board Meeting. I've recruited expert volunteers for 31.5 hours of Ashiatsu training evaluations and paid for Ashiatsu treatment from two Therapists, each with 12 years of Ashiatsu experience. I sent the Executive Director of the Board a letter with copies of the evaluations and requested a special circumstance review for credit for my training program which my employer made mandatory. I claimed 14 hours for home study and 25 hours for onsite, which were denied by Lisa Cooper on the basis that continuing education hours cannot be claimed for work performed on clients. These were not clients; they were expert volunteers. Previously, I sent documentation for a 14-21 hour wellness program conducted by local medical experts, which included Anatomy, Physiology, Kinesiology, and Biomechanics. All these areas were part of my training for Massage Therapist licensure. Lisa Cooper stated that a very small portion of this wellness program was directly related to Massage Therapy, and therefore only 3 hours of continuing education would be credited for the program. The regulations state that the Board will consider the written request of any Massage Therapist for consideration of continuing education that is not specifically related to Massage Therapy. I request 11 hours for my training program and ask that the Board review my wellness program to determine if credit hours can be approved.

- a. Xiao Hong Wang – present

Louis Ling, Board Counsel swears in Bonnie Howard, Field Inspector II.

Louis Ling, Board Counsel - Bonnie, on May 6, 2015 did you conduct an inspection at Thousand Feet Foot Spa on Spring Mountain Road in Las Vegas?

Bonnie Howard, Field Inspector II – Yes.

Louis Ling, Board Counsel – Can you describe for the Board what you saw that warranted the Citation?

Bonnie Howard, Field Inspector II - Field Inspector Chris Mishler and I walked in and introduced ourselves. A lady in a black dress approached us and we explained that we were there to make sure they were in compliance with NRS 640C.910. We walked to the back room where there was a man who appeared to be naked with a white towel on his midsection and oil on his chest. Chris asked if he was receiving a massage and the man said he was receiving a massage on his neck, shoulders, back and feet and he identified Ms. Wang as the person providing the massage.

Louis Ling, Board Counsel – Is Ms. Wang a Licensed Massage Therapist?

Bonnie Howard, Field Inspector II – No, she is a Reflexologist.

Louis Ling, Board Counsel – Did you issue a Citation, and to whom?

Bonnie Howard, Field Inspector II – Yes, I issued a Citation to Ms. Wang for violation of NRS 640C.910.

Xiao Hong Wang – Did you see me giving a massage?

Bonnie Howard, Field Inspector II – I saw you come out of the room, pulling your dress down. The client had oil on his chest. The client confirmed that you were performing a full body massage.

Louis Ling, Board Counsel swears in Xiao Hong Wang.

Xiao Hong Wang – The man asked for a massage, but I told him that I only do Reflexology, not body massage.

April Whiting, Vice Chairperson - Why was the client undressed if he was only receiving a Reflexology treatment?

Xiao Hong Wang - He had pants on. He had asked for a full body massage but I told him that I don't do massage; I do reflexology.

Jian Hua Li via Jennifer Su – She finished her 650 hours and then in 2015 she went back and did another 100 hours. At the time it was required so that she could take the National Certification Exam.

Sgt. Carmen Donegan, Board Member – Can you tell me what happened in August of 2012 when you were arrested?

Janet Bonner, Applicant – I was with my ex-boyfriend and it was a case of wrong place, wrong time. He got out of the car we were in and got into a car that ended up being a bait car. I had no idea he was going to do that. They told me I could fight it or I could take the Conspiracy charge.

Sgt. Carmen Donegan, Board Member - The vehicle you were riding in was also stolen and had a punched ignition.

Janet Bonner, Applicant – I didn't know. We were just out for a drive.

Sgt. Carmen Donegan, Board Member – Were you intoxicated at the time?

Janet Bonner, Applicant – A little bit.

Kathleen Pilgreen, Board Chairperson – I see that you disclosed the Conspiracy charge, but that's not all of your criminal history.

Janet Bonner, Applicant – In 2006, I turned myself in for cashing checks. My mother is my witness.

Lisa Cooper, Executive Director - That is contrary to the police report. It says that you and your mother were both cashing checks. I am concerned that she has not been completely forthcoming today.

Celso Favela, Applicant – I broke up with my girlfriend and left the tickets in her car.

Danielle Flahive, Applicant - You are saying that I refused to provide information regarding my criminal history?

Lisa Cooper, Executive Director – Yes. You stated that you contacted the court and no information could be obtained. We called the same number you gave us and they provided the information to us.

Danielle Flahive, Applicant – I was at my sister’s house and decided to leave and ran a red light and was pulled over and arrested. It’s a small town and they all knew me and they called my parents who came and picked me up. I was put on probation and my license was suspended for a little bit of time. I didn’t put it on my application because I was told that the incident was too old and that I didn’t have to. That was a mistake.

Motion: Michael Smith made a motion to approve the license

Second: April Whiting

Motion Carries Unanimously

m. Review Application of Sean Fox – present

Lisa Cooper, Executive Director – Mr. Fox’s application is before you today due to criminal history that could not be approved administratively. Mr. Fox is requesting to be granted a license under NRS 640C.400.

Sean Fox, Applicant – I was under the impression that the crimes they were looking for were sexual offenses and I was under the impression that my record had been sealed. I take full responsibility for what happened and I have changed my life drastically.

Sgt. Carmen Donegan, Board Member – My concern is the last arrest I see here is from July 29, 2015.

Sean Fox, Applicant – Yes. I was driving on the freeway and I cut over to try to exit and it was an undercover Cop behind me. They arrested me because I told them about the medications I am taking for seizures and anxiety. I showed up to my first court date and they said the District Attorney is not ready yet. Besides that, I haven't had any issues since 2009. There was one thing on my record that I didn't know what it was.

Sgt. Carmen Donegan, Board Member – I am seeing a history of drug use since 2005.

Sean Fox, Applicant – It's not a history of drug use as much as it is a medication issue. When I got the DUI I had to go to my doctor and get a note saying that I could drive on the medication. I have spent 90 days in rehab and I have completely turned my life around.

Diane Huleva, Secretary/Treasurer - What year did you go to drug rehab?

Sean Fox, Applicant – 2006 maybe.

Diane Huleva, Secretary/Treasurer – In one of the reports, you got pulled over in 2005 and you admitted to one of the Officers that you had just completed drug addiction counseling two weeks earlier. The concern is that you completed the drug rehab and after that you have multiple charges which indicate that you have not turned your life around.

Sean Fox, Applicant – For the drug arrest, I was not there to pick up drugs for myself. I was giving a friend a ride and he was making a deal. I was not using at that time and I haven't been using. I got straight A's in school.

Michael Smith, Board Member – Are you in regular contact with your doctor?

Sean Fox, Applicant – Yes, I see him every month.

Michael Smith, Board Member – Does your doctor make changes to your medication?

Sean Fox, Applicant – Right now my doctor is not making any changes.

Michael Smith, Board Member – Do you drink alcohol?

Sean Fox, Applicant – I don't drink at all. I haven't drank since I was in high school.

Kathleen Pilgreen, Board Chairperson – Then why do you attend AA?

Sean Fox, Applicant – I go to AA meetings because I don't like NA meetings. The AA meetings are much more positive and uplifting.

Motion: Diane Huleva made a motion to table the application until we receive documentation from the Applicant's doctor about his medications, documentation from his AA sponsor about his AA attendance, a psychological evaluation and the outcome of his most recent arrest.

10. Board Discussion Directors Report - Review/Approve/Deny (For Possible Action)

a. Policy and Procedure

Louis Ling, Board Counsel – We have made the changes that the Board suggested. We have changed 4.2 to address complaints against or about a Board Member and created a process for that. It will be handled by the Executive Director. If one of you receives a complaint about a fellow Board Member, you are to refer it to the Executive Director and you are not to discuss it amongst yourselves. Due to the fact that a complaint could be about a wide range of topics, we made the policy flexible so that it will cover pretty much any situation.

Michael Smith, Board Member – Can we make it so that the numbers match up on the policies?

Louis Ling, Board Counsel – Yes, we can certainly do that.

Sgt. Carmen Donegan, Board Member – In section 4.2, I don't like how it all falls on Lisa and I think there should be another party involved when there is a complaint.

Kathleen Pilgreen, Board Chairperson – We could add that the Executive Director will review the complaint with the Board Legal Counsel and a member of the Executive Committee.

No motion made.

d. Usage of Counsel Outside of Attorney General's Office

Lisa Cooper, Executive Director - Colleen Platt, who was formerly with the Attorney General's office, has opened her own law firm and has reached out to see if we would be interested in using her services.
