1. You must be notified by the Nevada State Board of Massage Therapy that your fingerprints will be used to check the criminal history records of the FBI and the State of Nevada.

2. If you have a criminal history record, the officials making a determination of your suitability for the job, license or other benefit for which you are applying must provide you the opportunity to complete or challenge the accuracy of the information in the record. You may review and challenge the accuracy of any and all criminal history records which are returned to the submitting agency. The proper forms and procedures will be furnished to you by the Nevada Department of Public Safety, Records Bureau upon request. If you decide to challenge the accuracy or completeness of your FBI criminal history record, Title 28 of the Code of Federal Regulations Section 16.34 provides for the proper procedure to do so:

16.34 - Procedure to obtain change, correction or updating of identification records. If, after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency.

3. Based on 28 CFR § 50.12 (b), officials making such determinations should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.

4. You have the right to expect that officials receiving the results of the fingerprint-based criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal or state statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

5. I hereby authorize Nevada State Board of Massage Therapy, to submit a set of my fingerprints to the Nevada Department Public Safety, Records Bureau for the purpose of accessing and reviewing State of Nevada and FBI criminal history records that may pertain to me.

I have signed this release voluntarily and of my own free will.

A reproduction of this authorization for release of information by photocopy, facsimile or similar process, shall for all purposes be as valid as the original.

To: The Nevada State Board of Massage Therapy

My name is Kendal Priestly, and I am currently applying for a Massage Therapy License in Nevada. I was asked to write a narrative of my criminal background findings. Please find the details below for the following findings:

- 12/8/17 Misdemeanor – Possession of drugs not for interstate commerce (Amended from 1 Misdemeanor and 3 Felony Charges on 12/4/15)
- PLEASE NOTE: The following charge did not result in a conviction 3/23/16 Misdemeanor – Use/Possession of drug paraphernalia (Charge on 2/25/16)

First of all, I would like to say that I am an open book and am open to providing any additional documentation or information the Board needs to review my application. I am passionate about Massage Therapy and am hopeful to be granted a license to continue my journey towards a stable and meaningful career. At the time of my arrests, I was living a completely different life than I am today. I was homeless, directionless, and hanging out with the wrong crowd. I was doing drugs at the time, specifically methamphetamine, and regret that I made the decisions I made during this phase of my life. Since that time, I have become the mother of 2 wonderful children and have been focused on rehabilitating my life and doing everything I can to create a better life for them and myself. That journey started with joining the Massage Therapy program at Northwest Career College in October 2018 as well as gaining full-time employment as a Front Desk Customer Service Representative at European Wax Center, where I am currently employed. I have not had any additional issues with the law besides these two cases.

I am proud to say that I passed the MBLEx on my first try and graduated Northwest Career College with a 3.59 GPA. I have committed to my schooling and the practice of massage as much as I can. I have received 2 job offers upon graduation, 1 with a local day spa franchise, and 1 with a chiropractor. I appreciate the Board's continued consideration of my application and want to clarify any details about my past that might prevent me from being considered to be an upstanding member of the Massage community.

On December 4, 2015, I was hanging out with a group of friends at The Palms Hotel and Casino. My friends were checking out of a hotel room when we were all arrested. They were already being watched by the police for suspicious activity. I had offered to carry one of their bags for them as they were checking out of the room. The police searched me and found credit card information that my friends had collected illegally inside the bag I was carrying. They also found drugs on me (less than 2 grams methamphetamine) which I admitted were my own. The police charged me with 3 felony counts of credit card fraud, which the District Attorney dismissed upon trial, as well as 1 misdemeanor count of possession, which I was ultimately convicted of. The court ordered on 3/16/17 for me to complete the drug court program for 26 weeks, which included weekly random drug testing, weekly drug court counseling, monthly court status checks in front of a judge, and monthly fees for each appearance. I was doing very well with my weekly and monthly drug screenings from March 2017 to November 2017. I unfortunately relapsed in November 2017 after having my second child and was terminated from the drug court program 1 month before completion. As a result, I was required to complete a total of 6 months in county jail as a concurrent sentence with the second case on my record from February 2016. I was rewarded for good behavior and only had to serve 2 months in county jail with 1-month house arrest afterwards.

I knew that using drugs was the wrong thing to do at the time and that I was living the wrong life. I learned a hard lesson through this experience that you have to be careful with the types of people you hang out with and the influences you choose to prioritize. I know now that my role as a parent is the most important role I will play and that all things need to revolve around taking care of my kids.

On February 25, 2016, I was hanging out with my boyfriend at the time at a local Budget Suites. My boyfriend was on house arrest and for some reason did not think that he would be checked up on if he left the area he was restricted to. His house arrest officer came to the room to check on him and found drug paraphernalia. I admitted to some of it being mine because I did not want my boyfriend to take all of the blame and should have kept my mouth shut rather than try to be a hero. I was tried in the city municipal court system for this arrest who determined that the case would be bundled in with the sentencing for the December 2015 arrest sentencing which was tried in the county justice court system. Ultimately, I was not charged for use/possession of drug paraphernalia as a result of this arrest, but the arrest was taken into consideration for the final disposition of my previous case which did result in the misdemeanor drug conviction.

Since my jail time, I have not been in any additional trouble and have remained focused on my goal of creating a more stable and meaningful life for me and my children. I have worked hard to become a massage therapist and am very excited about starting my new career if given the opportunity. I am confident that the life you are seeing on paper is not my life now. I hope to be able to convince you that I am a very different person and am someone worth taking a chance on.

Sincerely,

Kendal Priestly

7. Priestly is to submit to random drug test at Priestly’s expense.
8. Priestly must cooperate fully with the Board staff to administrate terms of her probation.

10. Priestly’s license shall be marked “Restricted” throughout the probationary period.
11. Priestly shall meet with the Board or its representatives upon request and shall cooperate with representatives of the Board in her supervision and investigation of Priestly’s compliance with the terms and conditions of this Order.

17 and the facts which constitute the violation are determined to be not proven, no
18 disciplinary action shall be taken by the Board.
- 19 14. In the event other misconduct is reported to the Board, this Order may be used as evidence
20 against Priestly to establish a pattern of behavior and for the purpose of proving additional
21 acts of misconduct.
- 22 15. Nevada State Board of Massage Therapy retains jurisdiction in this case until all conditions
23 have been met to the satisfaction of the Board.

Subject: Probationary license appeal request

Hello, I was recently granted a 2year probationary license on 1/8/2020. The restricted license doesn't allow me to provide out call or work for myself.

The Clark County School District just released a completely online/home school reopening plan for the 2020 school year. I have a child in elementary school and am a single parent household.

Is there anyway I can appeal this restriction on my license?

Thank you

Yes I'm not requesting for the probationary decision to change I would just ask to remove the one stipulation that doesn't allow me to work for myself. The school district closing the schools leaves me with a 2nd grader who now has no where to go while I am at work and I'll have to take a significant reduction in hours and income because of it.

So, if I could please be put on the agenda for the November meeting and if possible be notified of any sooner meetings that have openings.

Thank you

Ms. Priestly,

You cannot appeal the original decision; however, you can ask for probation review. This review would give you an opportunity to have the Board review the circumstances and your current probation terms.

However; our next available meeting is November 4, 2020. Our meeting scheduled for August is not an available option.

Due to COVID-19 we are having more meetings than scheduled due to hearings and other circumstances. We may have an unscheduled one that we could add you too, however, we do not know at this time, when that will be. Once we do know, you could be notified and decide if that works for your schedule.

Please advise.

10. Review of Probation for Kendal L. Priestly – NVMT #10263. (For Discussion and Possible Action)

Kendal Priestly was present. Teresa Lopez recused based on her relationship with the licensee stating that Ms. Priestly had been one of her students.

Ms. Priestly requested removal of the outcall restriction from her probationary restrictions. After discussion Ms. Priestly was advised to return to the Board with information regarding the state and local licensing required to practice outcall and a simple business plan. Ms. Priestly's Review of Probation will be added to a future agenda.

[REDACTED]

[REDACTED]

Simple Business Plan

Business Overview:

My business will be a sole proprietorship under my name. I will offer mobile massage therapy services to clients at their homes. I will operate it from a home-based office but I will be able to provide services to clients in the city of Las Vegas, North Las Vegas, and also Clark County. I will carry insurance coverage for my business through the AMTA.

Operations:

My business hours will be flexible to the schedule of the clients. Clients will be able to book in advanced or the same day depending on my availability. I will travel in my own vehicle to the client's location. I will provide all necessary supplies (massage table, linens, and lotions/oils) for the service. Clients may book 60 min, 90 min, or 120 min massage session times

60 min.....\$60

90 min.....\$90

120 min.....\$120

Marketing:

In the early stages, my advertising will primarily come from word of mouth and my clients will predominantly consist of family and friends. Clients will be able to find more information on my services through websites like massage book or social media platforms. Once I've established my business, I will begin using a third party company like soothe or zeel to further market/offer my services.

Business Goals:

This will start off as a side venture that I can use to make extra income on top of my current employment. I want to keep my expectations modest, since this is my first time starting a business but if I can make even \$300 extra a month it would go a long way into helping my family live more comfortably. My long-term goal is to be able to build upon this business and expand it. In 3 years, I envision adding an on-site location for my massage services by renting my own massage room at a local spa or salon.

Start up:

The necessary licenses needed for my business include the Nevada State License, City of Las Vegas License, Clark County License, and the City of North Las Vegas License. I've contacted each jurisdiction and totaled the estimated costs for all required licenses to be an estimated \$575-\$675 in fees. Through a family funded loan, I will be able to cover that cost initially. I can re-pay that loan through a savings plan in about 6 weeks by saving my cash tips from my current employment.

Business Licensing Fee's

Nevada Massage Therapy License	\$480
Nevada State License fee	\$200
City of Las Vegas fee	\$150 + \$50 (home-based business fee)
City of North Las Vegas fee	\$100 fixed fee (annually) + \$30 (processing fee)
Clark County License fee	\$45 + (% annual revenue fee)
Total fee estimated cost	\$1,055-1,155
