Tlavera,

Thank you for the update. Please remember that regardless of employment you have mandatory reporting requirements. Additionally, in the future address changes should be reported expediently.

We will update your profile with the changes.

Sandy

Sandy,

Due to the current state of our nation and health crisis, I have not been employed since my last reporting date. I have been in search of any type of employment since then and have a lead with Attivo Wellness working on call under Dr. Edward Cunningham.

My mailing address has changed if anything needs to be mailed to me regarding the board meeting. It is 5939 Trickling Descent St. unit 101 Henderson, NV 89011

I do hope this email find you well.

Thank you,
Tlavera

Tlavera,

I have not received a report from you since March 4th. Please provide an update regarding your employment status. At this point you are out of compliance with your probation, and I am considering taking you before the Board

in November.

Please respond as soon as possible.

Thank you,

Sandy
