To Whom It May Concern,

Greetings and Salutations, my name Jaya Demmons and I am the owner of Beyond the Barrier Nails and Spa located at 1959 N Decatur Blvd in Las Vegas. I have had the pleasure of not only hiring Tiavera Robinson as our massage therapist but also becoming a frequent client of the massage services she provides! I love how innovative she is to stand out and make sure the clients are getting their needs met for physical healing and stability. She is a teacher of the body and a master of trigger points! Because she has such a great wisdom and knowledge of the body she maintains a steady clientele and satisfied returning clients. I believe the day I hired her I made one of the best decisions for my business. She is helpful, kind, and a team player.

Yours Truly,
Jaya Demmons
