Subject: Monthly report - Tiavera Robinson

Hello Sandy,

I do hope this email finds you well. This month I have gained employment at Green Valley Resort & Spa as a part time casino massage therapist as of February 20,2020. I have spoken with management and Human Resources in regards to my monthly review however If they have not been in touch I did want to reach out to you. I have also been offered a position at Mandalay Bay for seasonal pool massage therapist and currently awaiting background check to complete. If there is anything else I can do please let me know.

Thank you for your time,
Tiavera
