Dear Ms Sandra Anderson

This is Lihua ZHAO.

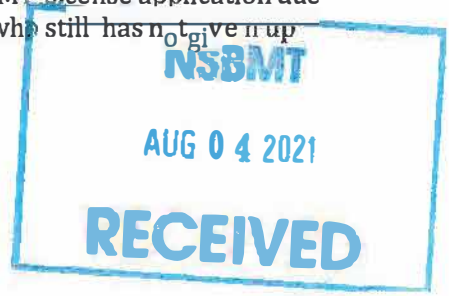

Further to my last email acknowledged receipt by your Associate, I have not received any feedback from you as of date.

As suggested in my previous email, I am now in a position to defend with witness, [redacted] the Landlord of the business premises is kind enough to testify as it is deemed that your consideration to turn down my MT Lic application in my personal capacity, under an incomplete review is unreasonable based on unrelated superficial evidence, manipulated by a suspect third party, a Nevada State MT LICENSEE, [redacted] who is at fraud in breach of contract despite complete change of ownership she gave up after receiving the whole sale proceeds from my Company, witnessed by the Landlord, effective 8/1/2020.

Please allow dignified US citizens and proper Community service authorities, i.e. Spectrum wireless, USP Service, GOOGLE, Established clients, State Dept of Business Registration to testify in your Board appeal of justification, if called upon to do so.

The key witness, [redacted] proclaimed that he would voice justice by testifying in this unfortunate situation as he recognized that our company would continue to suffer financially and he is hopeful that after further review, the Board would issue me MT Licensure at an early date enabling me to contribute revenue of proper & professional community service for our Company.

I would take this opportunity to confirm that the said findings of certain advertisements & activities for evaluation of MT Licensing, submitted to The MT Board have nothing to do with me personally. Without proper Licensure, I am not able to perform traditional advertisement which was carried on & continually manipulated by [redacted] who now jeopardizes my personal MT License application due to misunderstanding targeted by the previous business owner [redacted] who still has not given up her traditional advertisements & activities.

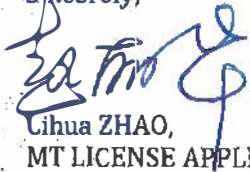

Looking forward to attend a face to face meeting , if necessary, accompanied by our Landlord,  
- who has the factual knowledge, including the proper Community Authorities already mentioned  
to tell you her unprofessional conduct and the Board of the directors of our company already suggested  
our Company to file a felony court action with the District Attorney of Clark County against the suspect,  
who continued to cause business interference after completely selling out her MT business to  
our Company.

FYI

Please help & advise.

Much appreciated.

Sincerely,

Cihua ZHAO,  
MT LICENSE APPLICANT
