Board Meeting Application review:

Summary of Dulce M. De Ison arrests/charges:

12/28/2018 – Incident reported to LVMPD in reference to stolen vehicle.

Received narrative from LVMPD. On December 28, 2018 at approximately 1430 hours, officers were dispatched to Peppermill for a possible domestic between a male and female. Upon arrival officers made contact with male and female (De Ison). Upon arrival officers determines negative on a domestic incident but victim vehicle had been stolen. Victim gave De Ison permission to drive this vehicle but no one else. De Ison was having drinks with an unknown white male in a green sweater and the Peppermill this afternoon. At some point De Ison and the unknown male are cut off from drinking alcohol and she either gives the vehicle keys to the unknown male or the unknown male took the keys. De Ison refused to answer any of the officer's questions and would not give us any of the unknown male's information. De Ison was extremely intoxicated.

12/28/2018 – Incident reported to LVMPD in reference to a Battery.

Received narrative from LVMPD. On December 28, 2018 at approximately 1420 hours, officers were dispatched to an alleged family disturbance at the Peppermill in Las Vegas. The details of the call stated the victim, and her boyfriend were standing in the parking lot and the boyfriend had hit the victim. The victim was identified as Dulce M. De Ison. Upon arrival, I contacted De Ison. De Ison was very intoxicated with a very heavy odor of an unknown alcohol drink, interviewing her was very difficult due to her severely slurring her words and now answering my questions fully. That being said according to her, she was in the Peppermill having alcoholic drinks, when she called her boyfriend to pick her up due to someone stealing the keys to her vehicle while she was drinking. Once her boyfriend arrived, she told him the car was stolen, he then became very mad and grabbed her neck briefly then let go. Paramedics responded and cleared De Ison at the scene, in addition I did not observe any marks on her neck.

I read boyfriend his Miranda rights to which he responded "yeah". He stated De Ison was out drinking all night/day and would not answer her phone. Boyfriend states this is common for her, she works as a stripper and drinks while working then leaves work and drinks more at other places. De Ison had called boyfriend to pick her up from the Peppermill due to her being intoxicated. When he arrived, she told him that her car was stolen by someone inside the Peppermill, and they had already left. Thinking she might know who took it he kept asking her, and she kept saying she did not know. Boyfriend denied ever hitting or grabbing her.

Vide footage from the security cameras at Peppermill shows both parties outside of Peppermill as they both stated, however no one hit/grabbed anyone. It looks as if both parties are waiting outside for someone, both looked very calm and not upset. Due to security video footage showing no battery or anyone even attempting to battery anyone, no arrest was made. Due to De Ison claiming she was battered; a crime report was completed.

10/18/2018 – Arrested for DUI by LVMPD. Disposition on background indicates found guilty at trial.

Narrative from LVMPD was not received.

Disposition indicates a fine of \$685.00 with DUI school/victim impact panel with 40 hours of community service in lieu of fine, **stay out of trouble and breath interlock device for 185 days**. Case closed on 7/18/2019 after completion of all items.

1/30/2017 – Person of interest – not arrested for Malicious Destruction of property by LVMPD.

Narrative from LVMPD: on 1/30/2017 at approximately 0954 hours, victim XXXX came into NWAC to report the following. On 1/6/2017 and 1/28/2017 at approximately 0700 hours, XXX's ex-girlfriend D Ison, arrived at victims' home in Las Vegas. Dulce proceeded to become verbally abusive and threw my dishes and glasses all over the floor causing glass to go everywhere. She did eventually leave the premises. Then on 1/28/2017 Dulce called victim stating she was too drunk to drive home from her place of work (XXX Strip club at Tropicana). Victim went to pick up Dulce and she was intoxicated again While driving her home she threatened to jump out of the moving vehicle because she was upset victim would not get back together with her. After numerous stop and go incidents, victim was able to get her home but not until she grabbed victim's phone and threw it on the ground, causing it to be destroyed. Then kicked the side of his vehicle denting it and throwing blueberries on victim and his vehicle. Victim refused to press charges.

11/28/2015 –Victim of sexual assault/kidnapping/battery by strangulation.

12/18/2011 – Arrested for Child neglect and Contributing to delinquency/negl of minor by LVMPD. Disposition on background indicates a plea of guilty was entered. Disposition documents received from Edmonds, indicates a guilty plea was entered. Fines and/or fees of \$685.00 were assessed. Disposition on background report indicates charge was amended or reduced.

Narrative from LVMPD: A manager from Buffalo Wild Wings contacted police. He observed a female patron drinking alcohol with her child and an unknown male sitting in a booth. The manager observed the male patron leave, and saw female passed out at the table, while her son was still sitting at the booth. De-Ison was uncooperative with officers and extremely intoxicated. Due to passing out due to being intoxicated and unable to properly care for her child, she was arrested.

Disposition indicates issuance of probation for 2 years with a fine of \$2,000.00 with Alcohol Awareness classes, complete 16 hours of community service, refrain from the use, possession or control of any alcoholic beverage and stay out of trouble. She was granted honorable discharge from supervision.

5/11/2011 – Victim of Battery/Domestic violence with strangulation.

8/27/2010 –Arrested for Battery/Domestic Violence by LVMPD. Disposition on background indicates denied charges.

Disposition indicates a fine of \$585.00 with DUI school/victim impact panel with evaluation and AA meetings 2x a week for 3 months.

11/07/2003 – Arrested for Assault 2nd Degree by McCook Police Department. Disposition on background indicates amended charges or with fines/fess of \$75.00.

How to explain that Bad things happen to the Best people, too I mentioned that I worked for sixteen years in a very toxic industry like entertainment, they forced me to sell a lot of bottles and alcohol drinks if they did not throw me out on the street like an animal. but I had no choice at the moment I needed my job to be able to feed my 3 year old and 9 year old kid as a single Mother. I work two jobs to grow my two boys without a father I also help my family back in PANAMA. Grebtzgramma Very Sick, a Sister with Cancer. die 03-27-18 die 03-12-2020

But my work as an Entertainer was a Big sacrifice. After all I Run out of work because this Pandemic, I invest on myself on going to school for Massage Therapist looking forward to helping other and I will give the best of me. During My Practice (Clinic) at My School I did Enjoy helping People: Helping Others: Depression, anxiety, stress, mental pain from uncertainty that this pandemic catastrophe has left us. Incident Narrative
2003006900.doc

On November 2, 2003, I, Officer Justin [redacted] was on duty with the McCook Police Department in the City of McCook, County of Red Willow, State of Nebraska, wearing a badge and uniform and driving a marked patrol vehicle.

At 1:49 a.m. Sergeant Darling, Officer Fulgham and myself were dispatched to 908 East 2nd Street regarding a disturbance. Dispatch also advised that there was a female leaving the scene. When I arrived at the scene, Officer Fulgham was already there. I contacted the reporting party (RP), Charles [redacted], NE.

Mr. [redacted] told me that there was a couple in the yard fighting. He then told me that they had just gone back inside and shut the porch light off. I got his contact information.

I then parked my vehicle. After I parked my vehicle, Officer Fulgham and myself approached the house. I then noticed that Sergeant Darling was also on scene. Sergeant Darling went to the south side of the house while Officer Fulgham stayed on the north side. I approached the front door. I rang the doorbell. When I rang the doorbell, I could see an adult male and female walking up the stairs. When they got to the top of the stairs, they shut the lights off. I rang the bell again, no response. I then knocked on the door and announced who I was. The male, [redacted] Damme, came to the door. When he opened the door, he invited me inside. I walked inside.

[redacted] told me that his wife, Dulce and her friend, Sharon [redacted] got into an argument, but everything was fine. I asked what the argument was about. Dulce told me that Sharon had been hitting on [redacted] and that she was pissed. Dulce went on to tell me that she told Sharon to leave her house, but Sharon would not leave. [redacted] told me that they went out to the bar and they had a few drinks. Dulce went on about Sharon being a teacher at St. Catherine's and that she teaches her son. We did not go any further in the house than the foyer. From what I could see of the house, there did not seem to be any damages nor any broken glass. I was told by Mr. [redacted] that there son, [redacted], was also involved in the disturbance. Of what I could see of [redacted], there did not seem to be any injuries. Everything seemed to be calmed down, so I left the house.

I then came down to the station. Sharon had come to the station with her two kids, [redacted]. Sergeant Darling and myself contacted Sharon out in the lobby. Sergeant Darling started talking with Sharon. Sharon did not want to speak of the incident in front of the children, so we all moved to the hallway while the kids stayed in the lobby. Sharon told us that Dulce hit herself and [redacted] with a beer bottle. There was an obvious bump on Sharon's forehead. At this time, Sergeant Darling went back out into the lobby and started talking with the kids. I stayed with Sharon in the hallway. Sharon was going on about how Dulce had hit her and [redacted] and how Dulce would not let her leave. After a few minutes, Sergeant Darling stepped back into the hallway. At this time, Sergeant Darling explained to Sharon that he did see the injuries that was done to [redacted] and that he was going to issue a citation to Dulce. Sharon was concerned about giving a statement in the first place because of some custody issues concerning [redacted] with her ex-husband. Sergeant Darling explained to Sharon that he was going to issue the citation with or without her statement. He explained the reasoning for this action. Sergeant Darling did give her the option of coming back the next day and give the statement, but she wanted to get it over with. I led Sharon and the kids down to the Sergeant's Office

Sergeant Darling and myself began to interview Sharon and the kids. In the interest of time, Sergeant Darling told me to just take notes and we will type up a statement for Sharon to sign the next day. I did so (see attached Voluntary Statement).

After we had gotten all the necessary information, Sergeant Darling had me give Sharon and the kids a ride home. The pickup was secured in the police station parking lot.

On November 3, 2003, I received a call from Sharon. She explained that because of her current situation with the custody battle for [redacted] with her ex-husband, that she did not wish to pursue criminal charges against Dulce. I told her that I would relay that to Sergeant Darling when he comes on duty. When I told Sergeant Darling this, he said that we should get everything together and give it to Chief Brown for his insight. I did that.

When Sergeant Darling came on duty later that night, Sergeant Darling showed me a note indicating Chief Brown's directives on this case. Sergeant Darling first called the RP, Charles [redacted]. All he got was an answering machine. Sergeant Darling left a message for him to contact the station. As of 0310, 11/4/03, he has not called. Sergeant Darling then contacted Sharon and informed her of Chief Brown's directives. She came down to the station and we went over her statement. After all the corrections were made, she signed the statement (see attached Voluntary Statement). After she signed the statement, she told Sergeant Darling that the bruises on [redacted] were more pronounced today. Sergeant Darling sent the digital camera with her so that she could take pictures of the bruising (see attached photos).

11-09-03

On the date of the above incident I Sgt. Kevin [redacted] was on duty wearing a badge and uniform and was driving a marked patrol unit. The following events took place within the City of McCook in the County of Red Willow. I had responded with Officer Pachner and Officer Fulgham to the initial call at 908 East 1st. While there dispatch advised that the other half of the dispute was at the station and wished to speak with an Officer. Once I determined that the situation was stable at the location I broke off and responded to the station.

I was joined shortly by Officer Pachner. We met with Sharon [redacted] It was apparent that she had a large bump on the right side of her forehead. She began to tell us the story of the incident. She eventually advised that she was trying to get her boys to leave and she was carrying her youngest, [redacted] age 4, and her way out was blocked by Dulce Dame. There had been a problem with Dulce just prior to that, in that Dulce had taken the keys to Sharon's vehicle and wouldn't return them. Dulce had gotten very angry and began to throw beer bottles about the house breaking them. When Sharon tried to leave Dulce and her young son stood in front of the door and blocked there way. Dulce apparently locked the door so she wouldn't leave.

**McCook Police Department
Incident Narrative
2003006900.doc**

Dulce stood in front of the door with a beer bottle held above her head in a threatening manner. She Sharon tried to get past her Dulce struck Sharon on the forehead with the bottle. Dulce then continued to swing the bottle at Sharon and struck on the back and shoulder. Sharon stated the Dulce was just out of control.

Sharon was eventually able to get past Dulce and got her kids to her vehicle. Dulce approached the vehicle and attempted to open the door. She then stood in front of the vehicle trying to prevent Sharon from leaving. Sharon was eventually able to get by and drove directly to the station.

While Officer Pachner stood by with Sharon I went into the lobby to speak with the boys, 4 and 13. I asked what happened. He told me that's mom, Dulce, hit his mom with a bottle and then hit him, he thought a couple of times. I asked if it hurt. He said it did. I asked if I could see where she hit him. helped get his shirt off. I noted a reddening mark and the beginning of bruising on his right should and the back of his upper arm. I also noted that there was a scuffing of the skin in the area. It was not like an abrasion from scuffing a knee on the pavement, what I believed it was, was the material of his shirt rubbing or scraping the area possibly at the point of impact.

I also asked what he remembered. He said he and and were down stairs and they heard a loud noise. They went upstairs and there was broken beer bottles around. He said his mom picked up and they were trying to leave and's mom stood in front of the door and wouldn't let them. said she hit her mom with a beer bottle and was swinging it and hit. The husband grabbed s mom and they ran out and got in the truck and she came after them. She tried to open is door but he locked it. Then she stood in front of the truck. They finally got away from there.

I went back into the hall and told Sharon that there was enough probable cause from what I could see to go forward with a criminal case. I told her that I had enough to cite Dulce for 2nd Degree Assault at least. Sharon had been hesitant to make a complaint so I told her that I intended to go forward with or without her statement. She decided to get it done and out of the way. Her main concern was that she had been in a nasty custody battle with the boys father and didn't want him to challenge her again.

Officer Pachner took noted during her conversation. I should note that I could detect the odor of alcoholic beverage on her breath and Sharon admitted to drinking and shouldn't have driven but she felt she needed to protect her children and just get away. I told her because of the alcohol in her system I would take the information but I wanted to do a written statement tomorrow. I also took digital photos of both Sharon and .

I received a phone call from Sharon the following day in which she indicated that she didn't want to proceed with a criminal complaint. I told her I would make note of it but the Chief and Detectives review the case file and it may be out of my hands.

I forwarded the information to Chief Brown. He felt that the child abuse investigation had to proceed. I provided as much information as I had available to Detective Kinne to follow up. I am aware that he did follow up interviews and eventually arrested Dulce for 2nd Degree Assault and Child Abuse. She eventually posted bond.

Detective Kinne left a request for the above information as I had not documented my conversation with the boys in my informational.

McCook Police Department
Incident Narrative
2003006900_1.doc

On Tuesday, November 4, 2003, I was on duty and working as a Detective with the McCook Police Department. I arrived at work and found a case file in my mailbox. The file had been started by Officer Pachner who he requested assistance with a case. I reviewed the case and the reports of Officer Pachner and Sgt. Darling.

The reports indicated that at 01:49 AM on Sunday, 11-02-2003, a phone complaint was received at the McCook Police Department. The caller was identified as Charles [redacted] Mr. [redacted] reported a fight in the front yard of 908 East 2nd Street which involved 2 females and a male. Officers Pachner and Fulgham responded to the scene. Sgt. [redacted] arrived shortly after they did.

At 01:55 AM on Sunday, 11-02-2003, Sharon [redacted] came into the station to report that she and her 4 year old son had been hit by a beer bottle. Ms. [redacted] reported that Dulce [redacted] had struck her in the forehead with a beer bottle and that Ms. [redacted] struck her son [redacted] in the shoulder with a beer bottle.

Officer Pachner and Sgt. Darling conducted interviews and took photos of injuries using a digital camera. They each typed up narrative reports concerning the incident. These reports are attached hereto and made a part of this affidavit by this reference.

Officer Pachner also prepared a written statement based upon information provided by Sharon [redacted]. This statement is attached hereto and made a part of this affidavit by this reference.

After completing the review of the case I determined that additional interviews would be needed. I was able to speak with Sharon [redacted] on the phone and made arrangements to meet with her and her sons later during the day. I met with Ms. [redacted] at her residence at around 4:30 PM that afternoon. I spoke with Ms. [redacted] about the investigation. Ms. [redacted] related to me that she had spoken with Ms. [redacted] on Sunday morning and Ms. [redacted] apologized for hitting her and her son. I asked Ms. [redacted] if she would agree to a controlled phone call in which she would call Ms. [redacted] and speak with her about the incident to see if Ms. [redacted] would again make admissions. Ms. [redacted] agreed to do this. Ms. [redacted] placed a phone call to Ms. [redacted], but Ms. [redacted] did not want to discuss the incident on the phone and asked Ms. [redacted] to come to her business to talk in person. This phone call was recorded on a digital recorder. Ms. [redacted] called back to Ms. [redacted] 2 more times while I was at her home and these conversations were also recorded. The recordings were done again using a digital recorder by having Ms. [redacted] hold the recorder up to the phone and the quality of the recordings are poor. Ms. [redacted] is difficult to understand on the recordings because she speaks quietly.

I then conducted an interview with [redacted], the 4 year old son of Sharon [redacted]. I recorded this interview on the digital recorder. During this interview [redacted] told me that he was hit in the arm by a beer bottle and his mom was hit on the forehead and her glasses were broken. I typed an interview report detailing my interview with [redacted] and this interview report is attached hereto and made a part of this affidavit by this reference.

I also conducted an interview with [redacted] the 13 year old son of Sharon [redacted]. I recorded this interview on the digital recorder. During this interview, [redacted] told me that he had heard yelling and saw broken beer bottles in the house but he did not see his mom or brother get hit. [redacted] did tell me that he saw a large bump on the forehead of his mother. I typed an interview report detailing my interview with [redacted], and this interview report is attached hereto and made a part of this affidavit by this reference.

McCook Police Department
Incident Narrative
2003006900_1.doc

I advised Ms. [redacted] that the quality of the recordings from the digital recorder were poor. Ms. [redacted] told me that she was willing to go to Ms. Damme's business and that she was willing to wear a recorder on her person if it would help the case. Ms. [redacted] told me that she felt that she would be safe doing this. I decided to go ahead and do this and Ms. [redacted] called Ms. Damme and told her that she would be down to see her in about 20 minutes at her business. We then went to the station where Ms. [redacted] put a transmitter and microphone on her person. I put the recorder and the scanner unit in my unmarked police car. I parked in the 100 block of West C Street and monitored the conversation between Ms. [redacted] and Ms. Damme. During this conversation I clearly heard Ms. Damme admit to Ms. [redacted] that she hit [redacted] with a bottle, but that this was an accident. I also clearly heard Ms. Damme admit to Ms. [redacted] that she hit Ms. [redacted] in the head with a beer bottle and that she meant to hit Ms. [redacted]. Ms. Damme also accused Ms. [redacted] of pushing her son and causing his foot to bleed.

Ms. [redacted] met with Ms. Damme for a period of about 30 minutes. After completing this Ms. [redacted] drove back to the station where I secured the cassette recording and the equipment. I later reviewed the cassette and the first half of the recording is there, but for a reason that I do not know of, part of the recording did not come across on the tape. I have not listened to the tape in its entirety to determine what all was recorded and what was not. In further examination of why the tape did not work I realized that this was a mistake that I had made. While monitoring the recording I was receiving an echo effect because I was listening to the conversation on both the scanner and the recorder. I wanted to correct this echo effect in my car so I turned down the volume on the recorder, when I should have turned down the volume on the scanner. Because of this action, when I turned down the volume on the recorder, I effectively shut off the all conversation traveling to the recorder. I was still able to hear the conversation on the scanner, and I did clearly hear what was stated by Ms. Damme, that she claimed to have accidentally, hit [redacted] and that she meant to hit Sharon.

As a further part of my investigation I met with [redacted] Damme, the husband of Dulce. I explained to Mr. Damme that it was my current understanding that in certain criminal cases he could not be compelled to testify against his wife, but in matters of a child abuse investigation he could. I further explained to Mr. Damme that he did not have to speak with me at this time, but from my investigation, I had determined that he had attempted to play peacekeeper in the incident. Mr. Damme agreed to speak with me. We met at his home at around noon on Wednesday, 11-05-2003. Mr. Damme related to me that his opinion on the matter was that 2 drunken women got into a fight and one of the women was holding a 4 year old at the time. Mr. Damme related to me that he and his wife and Sharon and [redacted] had gone out for the night and then went back to his home. Dulce had invited some people over from the bar and he told them to leave and they did. Dulce took Sharon's keys because Sharon had been drinking and Dulce did not want her to drive. Sharon and Dulce began to argue over this and as Sharon was holding her 4 year old son, she and Dulce began to fight. Mr. Damme told me that he did not actually see Dulce strike the 4 year old, but he did see Dulce holding a Budweiser beer in her hand and he did see Dulce swing the bottle more then one time in the direction of Sharon and the 4 year old. Mr. Damme provided me with a written statement regarding this incident. I hand wrote the statement as he dictated to me and he read and signed the statement offering no corrections. This statement is attached hereto and made a part of this affidavit by this reference.

As a further part of my investigation, I placed a phone call to [redacted] Damme. I asked Ms. Damme if she would be willing to come down to the station to speak with me about this incident. She originally agreed to meet with me at 9:30 AM on Thursday, 11-06-2003. At around 9:30 AM on this date I received a phone call from Ron [redacted]. Mr. [redacted] told me that Ms. Damme had spoken with him about the incident. Mr. [redacted] asked me for whatever background I could provide him. I told Mr. [redacted] that I was investigating a complaint that Ms.

Damme had assaulted an adult female and a 4 year old male. I spoke with Mr. [redacted] for a short time and he advised me that he would speak with Ms. Damme and they would let me know if she would speak with me or not. As of Friday, 11-07-2003, I have not heard back from Ms. Damme or Mr. [redacted].

Based upon the report of the complaining party, based upon the visible injuries to both victims, the interviews completed and statements taken, I believe there is probable cause to charge [redacted] Damme with 1 count of 2nd Degree Assault in violation of Nebraska Revises Statute 28-309, by intentionally or knowingly causing bodily injury to another person with a dangerous instrument, a Class IV Felony; and 1 count of Child Abuse in violation of Nebraska Revised Statute 28-707, by knowingly and intentional placing a minor child in a situation that endangered the child's health and did not result in a serious bodily injury, a Class IV Felony.

On Friday, November 7, 2003, I was on duty and working as a Detective with the McCook Police Department. I had obtained an arrest warrant for [redacted] Damme as part of this investigation. After ensuring that the warrant had been signed and issued by the judge, I contacted Officer [redacted] and requested his assistance. I met with Officer Schmit and told him that I was going to execute this warrant and because I did not wear a uniform, I wanted him to come with me because he is a uniform officer. We both went to Ms. Damme's place of business, Super Nails, located on West C Street. I entered the business and observed Ms. Damme and another female in the business. I approached Ms. Damme, identified myself to her and asked her if I could speak with her privately. My intention was to explain to her, away from her customer, that the arrest warrant had been issued, so Ms. Damme could excuse herself from the customer, without the customer knowing what was going on. I was attempting to save Ms. Damme from as much embarrassment she might feel over this issue. I made my request of Ms. Damme to speak with her and she told me that I could not talk to her, that I had to talk to her attorney across the street. Ms. Damme walked toward the front counter. I then told Ms. Damme that I had obtained a warrant for her arrest for Felony Assault and Felony Child Abuse and I informed her that she was under arrest.

Ms. Damme asked me if I was serious and I told her that I was and that she needed to go with the uniform officer with me to the police station. The customer at this point asked if she should leave and I apologized to her for an inconvenience this was causing her. The customer then left. Ms. Damme asked if she could call her attorney and I told her that this was ok with me. Ms. Damme then called her attorney, Ron Mousel. Ms. Damme spoke on the phone and then handed the phone to me. I explained to Mr. Mousel that I had obtained the warrant and I had arrested Ms. Damme. Mr. Mousel expressed to me about his concerns that I was doing this and that this might hurt Ms. Damme's business. I told Mr. Mousel that I was only executing the warrant. Mr. Mousel then asked to speak with Ms. Damme again. After Ms. Damme finished with her phone conversation, she obtained her coat, shut off the lights to her business. She was placed into handcuffs by Officer Schmit, who handcuffed her in front of her body. I then locked the door to the business and Ms. Damme got into Officer Schmit's patrol car.

Officer Schmit transported Ms. Damme to the McCook Police Department where he completed the necessary arrest paperwork and fingerprints. I directed Officer Schmit to not ask Ms. Damme any questions concerning the arrest because she had invoke her right to counsel. I explained to Ms. Damme that she would not be questioned about the incident, but Officer Schmit would need basic identifying questions answered so he could fill out the arrest paperwork.

I received a phone call from Mr. Mousel at the station. He informed me that he had attempted to contact Ms. Damme's husband, but had not been able to do so. Mr. Mousel asked if an officer could go over to the house because the phone was busy. I told Mr. Mousel that I would ask a uniform officer to do this. I contacted Sgt. Joel Willers and asked him to contact [redacted] Damme about he arrest. Officer Willers did this.

Ms. Damme was released on a \$500 cash bond and was given a court date of November 18, 2003 at 1:15 PM. I explained to Ms. Damme that it was not a condition of the bond not to contact the victims, but I told her that it would be a good idea to have no contact with the Ms. or her son.

On December 17, 2004, I was on duty and working as a Detective with the McCook Police Department. I was contacted by [redacted] Damme. Ms. Damme wanted to provide me with a statement regarding the incident in her home from November 2, 2003. Ms. Damme told me that she had gone to court and had plead no contest to the charges against her and she now wanted to make a counter complaint against Sharon [redacted]. Ms. Damme provided me with a written statement in which she indicated that Ms. [redacted] has assaulted her and her son. Ms. Damme related to me that she had been trying to stop Ms. [redacted] from driving by taking the keys from her pickup truck. Ms. Damme told me that Ms. [redacted] began to search her person looking for the keys and Ms. [redacted] kicked her in the hip, causing Ms. Damme to fall down. Ms. Damme told me that Ms. [redacted] had a bottle of beer in her hand and her son in another hand, and she put her son down on the floor. Ms. Damme told me that the 4 year old son of Ms. [redacted] began to fall backward so Ms. Damme reached out to stop the boy from falling and at this time Ms. [redacted] struck her with the beer bottle on the back of the head. Ms. Damme also told me that Ms. [redacted] struck her own son with the beer bottle as well. Ms. Damme further reported that at this time her husband came over to her and grabbed her by the arms and Ms. [redacted] then punched her in the face again. Ms. [redacted] then shoved [redacted] to the ground and kicked him, causing an injury to his knee.

Ms. Damme provided me with medical reports from Dr. [redacted] that indicated that [redacted] did seek treatment and there was confirmation of the bruise to the left leg. Ms. Damme also provided me with a report from Dr. [redacted] indicating that Ms. Damme seeked treatment for left elbow pain, right hip pain, and pain to the head.

I reviewed the case file and found the statement I had received from [redacted] Damme, the husband of Damme. In his statement Mr. Damme reported that he moved [redacted] out of the doorway where Sharon and his wife were arguing. Mr. Damme reported that he saw Sharon holding the 4 year old in her arms, and that he was not on the floor as Dulce reported. Mr. Damme further reported that Sharon did shove [redacted] out of her way, that this was done with just enough force to move [redacted], that [redacted] did not fall down, and [redacted] was not injured. I had conducted my interview with Mr. Damme on November 5, 2003, which was 3 days after the incident.

Based upon the inconsistencies in Ms. Damme's statement, and other interviews completed as part of this investigation, the report of Ms. Damme alleging Child Abuse on her son [redacted] by Sharon [redacted] is unfounded. This case is closed

I have also learned that Ms. Damme and her children have moved away from McCook to the Las Vegas area.
