Hello to whom this may concern.
I Bobi Ferguson would like to explain those discrepancies found on my background. I would like to start with the first offence dated on 7/14/2009. I was convicted with a misdemeanor and completed my DUT classes. I had a 0.08 percent which was a couple glasses of wine at a family dinner my tail light was out & that's when I was pulled over. I had a charge on 10-15-2011 I was at fault for ^{having} had too many drinks at a birthday party and when we stopped in public the officer saw I was not sober he wrote me a ticket for disturbing the peace 11/14/2011 I was also in the wrong for driving on my previous revoked license. I was driving my child to her father at that time I drove into a check point in which they convicted me with probation violation from the previous 7/14/2009 conviction DUT.

4-19-2012 I was put on a calendar as a walk up to serve my violation from the violations all stemming from the 2009 DUI.

My trouble in Santa Ana on 5-7-2012 My daughter & family was at the beach again I was driving on a revoked license. I got pulled over.

3/11/2015 I was on a lunch break across the street from my Mother & I condo. She was heavily drinking and becoming violent again just after the night before I went to go back to work when she started trouble yelling & pushing me saying get out. Long story short my mom thought I was against her & when I left to work got a text saying from her police are looking for you. So my boss knew my mom and that she's never stable even when she visited there store where I worked. He said go ahead and leave early to the police station I went right away

that's where I explained everything they said we have to take one person when we're called out for domestic reasons. I didn't do anything and I was very hurt my own MOM would do this to me.

You see I finished a rehabilitation center in 2013. A year long program for women with shattered lives. It was not court ordered. I went there myself. After that I lived at the San Dimas University & Studies were very tough, but I tried my best. I never had any conflicts with my peers we would go out on college events & meetups. When I moved to Vegas I was very involved with church & became a leader for kids Sunday school. The first year I was a preschool teacher & the next after working hard became a 1st grade teacher. You see my past does it define me today. I am a very trust worthy loving person.

Please give me a chance I will not dissapoint anyone! This is my purpose and dream to help people. In fact the Walter Hurny Home is in Las Vegas location to I have already given back by participating in the Walks for charity & I am a motivational speaker for them when called.

I have lots of references to everyone who knows me I can easily provide the phone numbers to testify on my character. In closing my letter I'd like to say THANKS So much for reading my letter. I hope to work with you soon. Also I owe no fines & all cases are dismissed.

Sincerely,

Bobi Ferguson
