Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89135	2012-07-08	July 2012	Early Evening	70	Very neat and clean...located right off Sahara between the 7/11 and Speedie Mart, the cross street is Van Patten, if I recall correctly, it started out okay, being the only one there. Then as luck would have it what happens...ten minutes after starting what do I hear the clanging of the door meaning a potential customer has entered, with me all the while hoping it is not L/E. Then she re-entered the room after talking the customer to his room and started the message again. As she continued the message it started feeling better since my job incurs standing on my feet for multiple hours daily. Then after five minutes, out the door she goes the other customer was doing something with the shower...not sure if he thought that was the table shower or what he was thinking-but table showers are a service they do offer by the way but naturally I add's more to the cost. Then she came back in the room and was glad that I was being understanding, but with a place that is open 24 hours a day YOU WOULD THINK MORE THAN ONE PERSON WOULD BE WORKING, and my mind at that point was already made up not to return. Then on the flip, the light teasing started along with the age old question do you want massage-eee... oh my fella's...naturally who is going to say no to this, anyone...she tried to get in my pocket for more but I won't give more for 30 for a massage-eee. Your actual visit might be better than mine. Who knows, but personally I would go elsewhere, and won't be returning.	30	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89112	2012-10-17	October 2012	Afternoon	50	So when I took a visit at this place later in the day to see who was working and see if extras could be sought and it's usually like two women here. At the time, I think only Mei and Jennifer were working that time so went with Mei, I think Jennifer just answers the phones but I have heard they take turns so it's going to be your preference really. She's not half bad as a provider, her massage skills were okay, but it was way too rough for my back. Anyways, I negotiated a tip after the flip and got a good hand job. Stroking skills though are up. Pretty average experience for a Chinese massage parlor but still, this place was alright for the finish.	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89113	2012-10-17	October 2012	Night	50	Went here a week ago. Saw 2 ladies available. Got Kim for my session, will try Jennifer next time. Called and the lady on the phone sounded so sexy and willing and basically begged me to stop by. I did. Nice sensual massage and went right to the H, no talk of money. I was planning on only tipping 40, but this lady was amazing. She really gave top notch service. She did lift up her top. Gave me a HJ basically for the whole 30 minutes. No rush at all. Kim is in her 30s, but very clean and nice. They do not do FS here. Possible CBJ for repeat customers.	50	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89115	2013-01-15	October 2012	Afternoon	50	My very first AMP experience. I hung around outside trying to see cops whatever... Got Mae. The place itself is pretty ordinary looking. Nervous for my first time at AMP. Vacationing by myself and tried an outcall the night before (another story but terrible experience) and I'd have known about this... Anyway, I actually think the massage was good. Good deep pressure, and for an older woman, IMHO, the HJ finish was really quite good. She wasn't great looking and body was a little on the heavy side but I enjoyed myself nonetheless.	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89115	2013-03-20	March 2013	Early Evening	70	It's not bad at all but not the great place in the world. Mimi is an attractive masseuse and provider who will give you good deeds. I liked the record store but it's kind of pricey like other record stores. Mimi is really pretty and quite attractive. Her body is sexy and I enjoyed her breasts. It was fun to play with her body before the flip. I grabbed her thighs and her ass. The ass was really firm and it was wrapped neatly under the dress. I got a great tugging. She starts stroking my dude. It was really hot and she cleaned it off. Mimi is a good girl and quite pretty. She'll give you good service.	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89128	2013-05-29	May 2013	Afternoon	50	Just an okay experience, I thought Mimi would have provided a better job but she did just an "alright" tug. The massage was decent though you wouldn't come to this place for just the massage. On the flip she continued with legit massage and got more playful towards the end. I took her hand and placed it on the spot that hadn't been rubbed yet. As she was stroking, I tried touching her but she pushed my hand away with the top of her hands. Said she couldn't allow it and I asked why not. She just didn't say anything more and just resumed the stroking. It just felt odd that she would just allow such a thing could happen. This place is hit or miss, this was a hit.	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89132	2013-08-01	August 2013	Noon	70	To me, Mimi was a really nice girl. We had some good chemistry going as far as the client/provider relationship goes. I think I will try to visit her as often as I can. Mimi is not only good looking but she is also very nice and sweet to me. Mimi's attitude was really cool. She made me feel relaxed during this experience. I wanted to get a good massage from her in the beginning. She teased and played with my member early on. She went underneath the towel and started working the member for a bit. I enjoyed that her ass was tight. I pressed on her ass for a while. Her tits were really relaxing for me. She jacked me good for a while. I liked her tugging for those moments. The release helped me feel so good. Mimi was cute and giggled after releasing me. A warm towel was used to wipe the rest off. She cleaned it away and told me to come back. I gave her a tip that she deserved. I think she's a real good girl.	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89140	2013-10-17	October 2013	Morning	70	Didn't have shit to do so I said fuck it and decided to come in here. I decided to take a day off without a real reason or anything. I just wanted to get a good massage and HJ. I read up that this place was the spot to get it at so I came in and Mimi was the provider that I was looking for. Felt great. Went back home and went right back to sleep.	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89109	2014-02-19	February 2014	Early Evening	70	Mimi was a pretty Chinese girl in her early thirties. She was petite and had a sweet demeanor. I was hoping for lots of extras. I didn't know what to expect at this place. I hadn't done much research but when I came in, things got off to a good start. Mimi had very nice hands. She has a soft touch but knows when to put on the pressure. I requested a hard massage and she did as best she could to please me. I touched her body before we flipped over and I ran my fingers up her thighs. Her ass was nice to feel but no pussy action for me. Instead, she revealed to me her b-cups and I spent the rest of the time feeling them. Those tits are so damn nice, I could spend all day feeling them. She jerks me to where I blow and she cleaned me up. I give her the tip and we talked for a bit after. I think I will be back to see her soon.	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634

<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89121</p>	<p>2014-04-17</p>	<p>April 2014</p>	<p>Morning</p>	<p>70</p>	<p>I rate the overall experience 2 stars based on 2 factors. One, I had it set in my mind that I was going to get a FS, which was completely trying my luck. And two, I think \$70 is an awful lot for a HI. Granted it was one of the better ones I received, but I've had better for \$40. The provider met me at the door, told me it was \$70 for an hour. Then while walking to the room she asked did I have extra money to tip with to which I responded, "Of course." The message was actually pretty good, not any teasing at all though. We get to the flip, she grabs me by the shaft and asks "Do you want?" I ask how much, she asks how much do I want to pay, I propose \$100 for FS which she says she does not provide, only HI w/ mutual touch. I offer \$50 and surprisingly she says, "No more \$100?" I almost laughed out loud because she had the nerve to even ask that question. Do some haggling and eventually agree to \$70 which was the house fee. Sure I could've gotten it to \$50 but the direction the session was going was killing the mood so I gave up the cash. HI was again above average. I popped, she cleaned up, walked me out and bid me to come see her again. Doubtful.</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>
<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89134</p>	<p>2014-06-13</p>	<p>June 2014</p>	<p>Afternoon</p>	<p>50</p>	<p>Be careful about this place, they like to upsell hard. Man these women like to upsell hard. I didn't read the reviews, I just assumed the stars would sum up some good service here. Don't get me wrong, I like to read reviews as much as the next guy but I just went in so blind here. I'm not making that mistake again. Also, about Miami, she wasn't a bad provider, she did exactly everything I wanted and was super nice and very flirty, it's just she wants a lot of cash for a tug. I'm not an escort guy, I'm more turned on by both massage and tug and I know escorts are cheaper but I rather get a tug here. I'll give her 3 stars and a friendly warning for next time.</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>
<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89122</p>	<p>2014-10-02</p>	<p>October 2014</p>	<p>Afternoon</p>	<p>70</p>	<p>Had Kim, seemed like there was two other women. Kim was the masseuse and she was very thorough although she didn't really tease just enough, a little bit but not a lot. In the massage room, I asked for medium pressure and for a full hour, I got an exceptional therapeutic massage, a chiropractic session, and stress relief. Pretty much does about 30 minutes on the back cracks the bones and works very hard from head to toe. After awhile, she took the blanket off and pulled my underwear off. She worked my back, legs and ass for about 10 minutes. She asked if I wanted my front massage. I said yes. She whispered in my ear, "ok you give me good tip." I rolled on my back. She massaged my chest and nipples gently, and then gave me a hand job, while still massaging my nipples. She cleaned me off with a warm wet towel. I gave her 40 dollars, then bounced. It was all very good. Don't mind repeating here. Very relaxed, pleasant way to kill an hour.</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>
<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89118</p>	<p>2014-12-18</p>	<p>December 2014</p>	<p>Morning</p>	<p>50</p>	<p>Made the stop during the morning. I called in to go late to work because of an errand that I had to run. Had some time left over so I came here to start the day off right. Kim wasn't the most attractive looking lady. She was probably in her late thirties to early forties and she didn't really have the best body. I just came here hoping that she would give me at least a decent massage and give me the HE if I got lucky. I don't really have a high standard when it comes to AMPs because I just want a good service. I want the girl to make me feel welcome and make my body feel good. It could be with a good massage or with a nice happy ending. She started the massage and began to work her hands deeper and deeper into my muscles. I thought that she had good strength in her fingers and I enjoyed how she reached deep into my muscles to make me feel good. The time for me to ask her about the HE and when I did, I got the answer that I was looking for. I flipped myself over after I realized that she told me the HI was available here. She grabbed my cock and began to pump her hands up and down faster and faster. It was a good thing that I had made the move to ask her about it because it might have not happened had I not asked. She kept her hands going and my hands were feeling up her tits. I popped the load a little later and then handed her the money that she deserved.</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>
<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89136</p>	<p>2015-02-06</p>	<p>February 2015</p>	<p>Late Night</p>	<p>50</p>	<p>I was riding high after a good run on the blackjack tables, cap the night off with a massage. The cabbie recommended this 24 hour spot since I am sure he gets a little extra from the ride. I go in and pay for a half hour. Pretty damn sure that they offer extras at this time of the night. I mean...how many legit jobs are open at 4 am? Kim was my masseuse and she led me to the room. I got naked and laid down. She comes in and starts a pretty weak massage. We both know why I am here and she was ready to get down to business. A couple of weak strokes to the back and then she starts playing with the goods. Got me nice and hard and on the flip. I was hard. No bowel in the way in this session. I grabbed my cock and started to rub a bit. She oiled up and took over. She used a two hand jerk motion and pumped me until I was ready to pop and then slowed down. She did this twice and then let me explode in her hands. She cleaned me up and I gave her 40 and hailed another cab.</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>
<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89111</p>	<p>2015-03-27</p>	<p>March 2015</p>	<p>Noon</p>	<p>50</p>	<p>Starting to get nice and hot here in Vegas...thought I go cool off with a nice release. While there are a ton of places to get a HE here, in Vegas, I find this to be one of the simpler, quickest, and most efficient spots. There's never a waiting time, not too many clients, and I usually get in and out within the span 20-30 minutes. One time, I was able to get in and out, after just 15...literally just walked into the room, got my HI, and left. This time was almost identical to that time. In that Kim wasted no time massaging me. I've gotten to know her over the last few visits, and I notice she doesn't really like to talk too much. Most of our exchanges are done in silence. In the room, it starts as a pretty aggressive tease, and she starts me on my back, facing up, with my cock exposed to the world, she takes it, and molds it into an erection. Then she steps off her top and bra, letting me caress those soft, ample babies, and suck on her small, stiff nipples. She pumps away maniacally, and has me cross over the finish line in a relatively short time. After I get a foot rub, before leaving. Fast and efficient...sometimes, I don't have time for the full course massage, and then HE. And if you don't either, Kim is an awesome girl to see!</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>
<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89130</p>	<p>2015-05-19</p>	<p>May 2015</p>	<p>Early Evening</p>	<p>70</p>	<p>They have two Chinese girls working. It's Amy who took care of me. I am unsure of the other girl's name. Still, Amy was the perfect type of provider for my first visit here. Amy is a very pretty girl...I think she's in her late thirties or even maybe younger. I can't really tell sometimes. Asian women have access to the fountain of youth. She gave me an excellent massage to start. There was pressure in all the right spots. She has a knack for finding all the kinks and rubbing them out. Then she starts to tease around my ass area which turns me on. When my cock gets soft, Amy takes her time stroking my cock. Her hands were soft around my dick and I had a fun time squeezing her sweet breasts. They were perfect for the most part. I loved touching her ass too. Very nice and firm but could be a little rounder. Either way, she jerked me perfectly. I started thrusting slowly into her hand so I can get the release I wanted. Blew big time after that, a shot of cum just came out and she absorbed with her skin (Forearms and hands). Good girl...she will be my little HE provider for a while.</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89108</p>	<p>2015-07-21</p>	<p>July 2015</p>	<p>Noon</p>	<p>70</p>	<p>Busy little strip-mall area. Parking isn't too bad though, despite the foot traffic. This place turned out to be a good investment in time and money, as both the massage and the HE were very pleasurable. It's kind of small inside, and they playing Oriental music quite loudly to the point where I feel like I have to talk over myself, but other than that, I had no problem with anything else. The rooms give a decent bit of seclusion, and I get settled with Amy soon enough. Definitely one of the more attractive girls here. Slender, petite, with a small, but perky rack, and a nice, round ass. English is s ighty broken, but she definitely understands everything I'm saying. Wearing a small skirt, and a tight, revealing top, she guides me into the room. I gaze at her legs, lust to touch them...and in time, she lets me. The massage is actually surprisingly very good, and she hits me with pressure I wasn't really expecting. At times, I even find the massage to be slightly painful, but immediately followed by thorough relief. For the backside, there's a little bit of teasing, but most of the massage on my back is pretty legit. Once she flips me over though, things get interesting, as she constantly roams close to my towelled package, and playing with my nipples here and there. My dick perks up as a result, and she takes over from there, automatically making it as a sign that I'm here for a HE...which I am, obviously. She works my rod nice and slow, using enough oil to make that squishy, squelchy sound, while rubbing my balls with her other hand. I get a lot of freedom to grope and touch her tits freely as well, as she ends up removing her shirt entirely. I sneak a hand into her skirt, and find her thigh, rubbing through the crotch to feel her pussy wet and dampen...but no penetration! I tried twice, and failed twice. I end up settling for what she offers, and cum bucketload at the end. Good bit of relief. Looking forward to our future sessions together!</p>	<p>40  /erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

Kim brought me to the room I was to be massaged in. I took off my clothes and laid down on the table on my back to make it clear why I was here. When she came back in she ran her hands up my legs and touched my balls and cock, but she told me to roll over and she would get to that later. So I was pleased. After 45 min of a very nice back and leg massage, she told me to lie on my back, where she began to lightly run her fingers over my shaft. I asked if she would take her shirt off and she shook her head no. But as I came to attention she lifted her shirt up and pulled out one of her tits. She let me suck and rub her tit while she jerked me off, she moaned like she liked it so it was fun. When I came she continued to slowly get all the cum out and kept saying she loved it. Then she cleaned me up with a hot towel and asked if I wanted some more massage. I said no because I had gotten what I came for.</p>	<p>50  /erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

I had a great time with her. Kim was a very pretty woman with a right kind of approach to the session. Great massage techniques and very good at hitting the nasty stuff that was about to come. She asked me to flip and started talking sexy. I was already in the mood and my boy was at attention. She didn't waste any time and poured some more oil on her hands and started to move them up and down, alternating pressure and speed. I busted all over my stomach and she quickly cleaned it up. She resumed the rub with a scap and face massage. Relaxation allowed!!!</p>	<p>40  /erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

Decent massage with no teasing until I started my usual vibrations. I always hold the hand of a Chinese lady, as they love it. About 20 minutes in I got the opportunity and she transformed into a friendly warm provider. She had her limits though, no under the clothes and no kissing. Otherwise my hands went everywhere. Like many Chinese ladies, she likes very gentle touch, so light tapping of the crotch gets her going.</p>	<p>60  /erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

It was easy to find and the place was very clean inside. MMS was a fun woman they got me all set up with Kim. Kim was a nice Chinese woman around 40 years old with a normal figure and black hair. She was really flirty and personable, so I felt very comfortable with her. The session went well. I got a nice back massage from Kim with lots of oil and pressure. Then she had me roll over on my back. I was really hard, so I did ask her for a H? she held up a few fingers to let me know how much the tip was and I said yes. She started to stroke my cock with both hands. It felt absolutely terrific. I had been horny for a really long time and was tired of jerking off myself. This was the perfect treat and I felt very relieved as she was stroking me. She massaged my balls and every now and then she would slip a couple fingers by my taint. I could not have asked for a better session. All of the experience Kim had was perfect. It took her about five minutes, then I finally exploded. That was when she also milked me dry. She used a warm towel and got me cleaned up. I will definitely come back here again. The price is right and the customer service is exceptional.</p>	<p>40  /erotic-massage-li-ren-massage-las-vegas-nv-5634</p>
<p>Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89125</p>	<p>2016-03-31</p>	<p>March 2016</p>	<p>Noon</p>	<p>35</p>	<p>I fucking love Las Vegas. A liquor store and an AMP in the same parking lot - it just does not get better than that. Now, I just need to find some pussy and my life will be complete. I came here not sure if this parlor was CFS or not. I walked in and paid MMS the fee, then she introduced me to Kim. Okay so, Kim is a bigger woman, she's about 45 and Asian, and she has absolutely no curves. I did not find her very attractive, but I figured if I could get some love - who fucking cares right? She gave me a back massage and I felt manhandled. She really worked my back, but I think I felt somewhat assaulted by the time she was done. There was lots of pressure and when she would rub my back, it was like I was being thrown around. If you are into a really deep and hard massage, you are going to love her. When she jerked me off, she took my cock in her hand and she beat my meat as if it were the last dick around. I am glad she was not offering pussy, because I think I would have been scared. She made me cum and everything, but I do have to say I was really happy to get out of there. She didn't do anything wrong, but I think it was her lack of realizing how strong she was that frightened me the most: if you like bigger women that are strong, Kim is going to be a dream come true. For me, I am going to stick with the little tiny spinners.</p>	<p>40  /erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89115	2016-05-20	May 2016	Afternoon	50	<p>Hot session from Kim, but I think I ate too much HOT... I liked that Kim was at least willing to go the extra mile. I know this session would have been spectacular. Kim was willing to do almost anything and the more money I flashed to her, it seemed like she was ready for fun and knew she was going to make bank off of my ass. Everything started off great and she was playing with my dick, but I had a bunch of crawfish and something Cajun with sausage that was making my stomach go wild. I knew that I was going to have a shit attack soon, but I thought I was going to make it. She was jerking me off and she was playing with my balls. I told her that I love "fingers" in my asshole and if she could do more than one, I would give her \$80 she smiled and got the lube out and got the back door ready to go as she banged the shit out of my ass. Right then and there, I knew that the Cajun sausage was going to come out. I heard this gurgle and I felt the warm liquid of hot sausage right by my ass ready to fly out. I told Kim to take out her fingers and told her bathroom now!! I opened the door and took a shit with the door open. I'm sorry to anyone who was there, I got cleaned up and went back to the room and gave her \$120 I'll had in my wallet and told her sorry about the mess and left. Note to self: don't eat foreign foods before a sess on and definitely not Cajun! HAHA.</p>	120	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89124	2016-05-24	May 2016	Afternoon	70	<p>Seedy outside but not too bad inside. In LAS for a few days and picked out a place and decided to go. Kind of seedy but whatever. Asked her name and she said Nancy. I asked her again and spelled it out and she said yes. Not all that attractive. A little different than the few I've been to before. Opted for the TS and that was where I got the HE. After that, we went back to the room and she gave me one hell of a massage. HE was kind of lame but the massage was excellent.</p>	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89131	2016-05-10	May 2016	Afternoon	60	<p>Been here twice; not crazy about the neighborhood or parking situation. Even in the middle of the day, I'm not super comfortable parking a nice vehicle in the lot. I know, paranoid. First time I stopped here was a disaster, about 2pm, was told to wait in the room 5 minutes. After like 25 minutes, still nobody so I got dressed and started leaving. MMS and another girl stopped me in the hall. I said I was sorry, I just can't wait any longer, have to get back to work, turns out they had called Kim all the way from across town or something so I felt a little bad. To their credit, very friendly and gave my money back. Really wanted to give them another chance and wanted to check out Kim from the previous reviews so I came back. MMS remembered me, but got this young girl (Susan or Jenny, I can't remember). I know, my own fault for not making an appointment with Kim but I'm terrible at making a call. Any way, she was cute, massage was okay, but she was really timid and shy, didn't seem overly receptive to much hand roaming, and I'm not even a very handsy client typically. Long story short, she took care of the HE with little fanfare and I left. Not the best experience. I still want to give them another shot, make sure I get Kim and see what she's like; not sure if when I'll make it back for that though.</p>	60	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89104	2016-07-31	July 2016	Afternoon	50	<p>I needed a break from the strip, so I came here to relax. Not a bad parlor at all. I have been in Vegas now for six days and I am totally burnt out. I decided that I needed to do something other than sit in a bar or club. I came here and really got the much-needed attention that I was seeking. The parlor is not too far from all of the action and I took a cab, so parking was no big deal for me. The inside of the parlor was quite peaceful and it had a relaxing feel to it. I paid the front lady and I got my provider. She was okay to look at, but nothing great. I really liked her personality, because she seemed to be really mellow. We got into the room and she was asking me how I was? She wasn't too invasive or anything, but just having some normal chitchat. She came back with a few different oils to choose from and I just told her to use whatever. She started to rub my back and she was really doing good on my shoulders and my arms. She had a nice glow to her point.</p>	120	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89129	2016-12-28	December 2016	Afternoon	70	<p>Hey, what happens in Vegas stays in Vegas right? Cause I'm pretty sure this lady here gave me a prostate deal and I ended up liking it! HAHA I came in expecting your regular rub and tug. I mean the place is just like every other jack shack in every aspect. I got a table, I got a decent but not super hot girl, and then a crappy massage, so imagine my surprise when during the HI, she just goes ahead and sticks it right in my arse, I was like "woah lady!" And she looks at me with such a puppy face and a "Don't like?" That my heart dropped like 10 pounds of lead, I couldn't say no to her... and in all honesty, it didn't feel bad so I was like Fuck it why not, and I think I just discovered a new part of myself I didn't know thanks to Kim, she showed me a new world of pleasures in my neck-shades-chat-head-yes-to-discover-hahaha</p>	120	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89106	2017-02-25	February 2017	Afternoon	70	<p>Kim nailed it. That's all I'm gonna say. From the outside Kim might seem like any other provider, but once you get into a session with her you'll see how experienced she is. I'm not talking about her skills or techniques to get you relaxed and satisfied, but about her ability to feel/read/and understand what the customer wants/needs. She's just very good knowing what you are looking for in a session. And just in case she misses it, she creates this comfortable environment with her talking that allows you to tell her what you want in confidence. I'm a very shy person, so I'm always concerned about what the others might think about me. But Kim was so natural and relaxed I dared to ask her for a prostate massage during the HI. I tried it once at home and I cannot stop thinking about it. It really boosts your orgasm and at least in my case it increases the amount of jets you'll expel, leaving my balls empty as fuck. She didn't hesitate when I ask her to and didn't judge me because of it, and I thanked her for that verbally and with some extra tip before leaving. Due to her attentive behavior and discretion with my demands, I think we'll start to see pretty often from now on.</p>	40	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89139	2017-03-10	March 2017	Afternoon	70	<p>A nice spa on the inside in a shitty area of town. Normally I would not come to an AMP like this one because they only seem to offer HE and that is just not what I look for, but in reading some old reviews along with some of the newer ones, I realized that I owed myself a visit to see Kim, both for her size and her prostate massage. She has a very pretty face and can communicate well in English. She is a average Asian MILF and certainly not fat or "big". I have to say that she gave me the best massage and HE I have ever experienced, so even though it is not my thing, I will probably be going back. There was a lot of teasing during the massage and after the flip, there was about 10 minutes of her massaging my brown eye before she started the HE. She took as much time as I requested before I was done, even stopping several times so that I could catch my breath and hold off a little longer. Sadly, she assured me that no matter how many times I repeat, there is nothing more on the menu, and I believe her.</p>	60	/erotic-massage-li-ren-massage-las-vegas-nv-5634

No difference between that and a regular table shower. Nancy gave me a table shower that was not very thorough at all. Back to the room and incomes Winnie with a rubber glove on one hand. The massage was terrible with no energy and lasted all of 10 minutes. Then she kept pushing for a hand finish with her and Nancy that part was ok, but for 2 bills not worth it at all. Will never return. Oh I should add that when I went back to the room after shower they left me there for 10 minutes before coming in. I do not recommend</p>	100	/erotic-massage-l-ren-massage-las-vegas-nv-8634

I've seen places that give you a free TS with the massage so I never indulge here, I just ask for the massage. Called before coming. Nancy was working the phone, I asked her if she would be able to massage me when I came in and she said yeah, sweetest. She's not the hottest lady, not even for her age, but she's just super nice and funny, her English is good although she has a thick asian accent. I gotta say I never thought I would look forward to visit a mature asian lady her age so much every few weeks. She always welcomes me with a hug. MMS gives me the "don't steal my ladies away motherfucker" look whenever that happens, hehe. By now I don't wear a towel when we do the massage, if she's in the mood she'll let me know by opening her blouse for easier tit roasting while she massages me, this last time she was definitely in the mood, not wearing a bra either, so groping was in place. On the flip I also grab on to her ass and she does the HU with both hands, I always ask her to suck it but she changes way more for that, this last time she did give it a good sloppy and drooly lick so my cock would be lubed up with her spit, made me cum super hard. Ask for Nancy, tell her Big Joe sent you.</p>	60	/erotic-massage-l-ren-massage-las-vegas-nv-8634
U Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89143	2018-11-06	November 2018	Afternoon	70	<p>Nancy has a great body, but there is something about her that just did not do it for me. She is great, maybe I was just having a bad day. I gave the massage the house fee before being taken to a room where Nancy was waiting on me. Kind of the type of girl I expect to find in these places, relatively well taken care off, and at least trying to look sexy in her little outfit. I got my ass naked and waited for her to get started after she covered my ass with a clean towel. She used way too much oil, and the massage just didn't hit the spot at all for me. It felt like she was just going through the motions, starting on my shoulders, working down to my lower back, and eventually doing my thighs and ass. I flipped after about fifteen minutes or so, and discussed money with Nancy while I fondled her ass in the hopes to get my head in the game. Nancy was unfortunately just not doing for me, and barely had a semi by the time she took the towel off. I let her beat my half limp dick off anyways, actually felt bad for making her work so hard to get me off. She eventually let her tits out for me to play with, which is the only reason why I got off at all in the end. Nancy helped me clean up after wiping my load off of her hands and seemed very happy about the tip to the end.</p>	40	/erotic-massage-l-ren-massage-las-vegas-nv-8634
U Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89141	2018-12-14	December 2018	Afternoon	70	<p>I have been by this shop many times but never went in. It is very clean and nice. It's not exactly on the main drag of town, but it's highly travelled. Nancy is a very nice looking woman, kind of reminds me of one of the broads from the old tv advertisements, but without the PS. Not overly slim, but just the right type of petite in my opinion, she's pretty. Not sure how this is going to come off, but I mean no disrespect; however, for Asian women, I truly feel they require a taste of their own, so on an Asian scale, she is an 8. I admit, she's not young, but there is something about her that I find so pretty. I literally almost kissed her. She is a playful woman and a naughty side. Lots of teasing. She did more than the standard amount for the HU, but I think she noticed I liked her a lot. I wasn't about to pay 100 for a handjob but I really didn't want to come off as cheap in case she'd consider FS, but if I caved too soon and FS was on the table, it would probably be upwards of 200 so I really wanted to maneuver carefully. I told her I only had 60 and she said no. I almost enticed with just the massage, but I tried one last time and told her that I'd really like to go further with her and I'd even be willing to throw down 200 on it. I just didn't bring it with me. I must sound convincing as fuck because next thing I know she got on top of me and pretty much sat on my face with clothes on while she enjoyed me. She said 50 more and clothes off, I said jokingly, "we already went over this" and smacked her ass hard. She didn't respond negatively to it, actually looked like she liked it. Must be the type that doesn't mind being tossed around in the sack. Pretty, sensual and playful. Love this woman so far!</p>	60	/erotic-massage-l-ren-massage-las-vegas-nv-8634
U Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89142	2019-02-05	February 2019	Afternoon	70	<p>Its a nice lowkey kind of place, not much traffic and parking was very easy. Went in around noon and was greeted up front by the MMS. She asked me the normal grill questions have I been there before, who did I see blah blah blah. She led me to the room and told me to get ready. A couple moments later Nancy shows up, this petite girl with great tits and an apple of an ass. I got this cheesy smile on my face because it was going to be a good day. Nancy began to give me a massage and after a few minutes asked if oil was okay and I said yes. On the flip, she continued massage and I began running my hand up her leg, under her dress, caressing her ass a little breast play too, nice and firm but wearing a bra that felt like it was made out of cardboard. At that point, she began stroking it and after a few minutes told her I wanted everything. She kissed me a couple of times but continued with a hand job. I repeated several more times that I wanted it all but she just continued with the hand job. I finally released and she kept stroking it felt like I juggling cum for over a minute. When she was done she got up wiped off her hand and left. She came back with warm moist towels and cleaned me up. At this point, she told me next time I could have whatever I wanted but not to say anything. I told her I would hold her to that promise.</p>	40	/erotic-massage-l-ren-massage-las-vegas-nv-8634
U Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89146	2019-03-13	March 2019	Noon	50	<p>Avoid the TS at this place, they charge too much for it and it's just a regular body scrub with no hot shit happening, and if you pay for it they'll know you have cash and raise the price for a HU as well. They seem to have changed their entire staff recently. Well, I hadn't stepped in here in a long while, but all the girls from the previous reviews are not here or changed their name. I got a newer girl named Ling. She tried to upsell the bodyscrub, no thanks. HHH, she wanted to upsell an HH, no thanks, HHH, she wanted a for a handjob, no thanks. A Ling didn't seem to be satisfied with my wanting to get in and out quick so she rushed the shit out of me on the massage. Ling calmed down a bit on the hand job cause she tried to jackhammer me but realized I wasn't gonna cum any time soon (do your legs, guys) and so I took more time touching her, she wanted to complain but I had already given her the A for the entire thing, jacked me off until I felt like cumming after touching her some. It was meh, no wonder no one comes here, there's much better spots for just a quick rub and tug, no hassling or haggling included.</p>	40	/erotic-massage-l-ren-massage-las-vegas-nv-8634

Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89144	2019-09-20	March 2019	Noon	50	The mama-san here has a pretty thick Asian accent and talking to her can be a major pain in the ass. Well, whatever. I just wanted to get jacked off anyways. I like this place even with the annoying MMS cause the rooms are very private, it's a small place but even so I can't hear what's going on in the other rooms. Didn't want a body scrub, I just paid for the half hour massage with Kim. Place was quiet as hell today. She was the only lady around and MMS went out as soon as I came in. I thought that was weird but hey, more peace and quiet for me and Kim. She isn't that great but I come to her since I know exactly what I'm gonna get, a swift relaxing massage with a cherry on top, the cherry on top being her hand jacking my dick off of course. And I brought the whipped cream as the end...	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89145	2019-04-30	April 2019	Afternoon	50	There no way you can fuck up here, I mean it's Vegas, every peior does this type of service, now I had a good luck streak in the slot machines and didn't hesitate to check out some local providers. I wasn't feeling the whole FS assian, but I also wanted a massage... out of 300 flyers I saw Li ren's spa massage and decided to take the plunge. Mama san was effective on booking but had a thick accent, which can suck if you know who I mean. Place was dead and looks like the Providers were either on lunch break or something cause there were only 2, one of them was my sweet Kim. Her massage started, switching from position to position, each time be enthralled by how tight and easy her body was. She flip me and this is where things got more interesting. She helped me out with a hd. I finished and we chatted for a while. About 15 minutes later it was time to go. I wished there was a second pop but none available, maybe would ask next time...lemme know. Will see her again, place is quiet, convenient and discreet, if that's your issue, parking is limited so you might end up parking outside, but don't worry...it's in city, it'll be alright!	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89147	2019-05-31	May 2019	Afternoon	45	This place takes a while to answer, they are usually busy n the mornings so I decided to just walk in afternoon. Mama san greets me and collects the house fee, I get Kim. Get facedown and starts a nice rub for about 20 minutes on my back and shoulders, then moved to my lower back and applied pressure. It felt great. Damn. She rubbed my ass and played with my man hole, thought she would eat my ass at some point but that's way too much. She massaged my hole for about 5 minutes and wow, felt great. never felt that before. I flipped over and teased my cock and balls. She gives me a hard Handly and makes me have a violent finish. Kim cleans up and tells me to relax for a few minutes, I fell asleep and feel like I am in a state of trance. She comes back and whipsaps "Times up honey" .. I am super relaxed, get dressed and leave the premises. Will repeat.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89148	2019-07-10	July 2019	Afternoon	50	I got a message here a few months ago...think it was Ling, but sadly she's not there anymore... as it happens they rotate staff quite a lot here. Got Kim for the session and she was great. Better than expected and really fun to hang out with. House fee was collected and we got moving to the table where she prepped for the massage and also small talk which really helps to break the ice. Kim begins a soothing routine, where she palms and circulates my body until she damn near puts me to sleep. It's not long before she's spending her entire time and effort around my groin, where my pecker is standing at full. With my tent pitched, it's only the matter of approval, before she gets to tugging. Towel gone, with just the right amount of lube, she strokes my throbbing shaft with the grace and skills of a porn star. I was beginn her for FS but she kept saying no. She edged me a few times, she nodded we were not even halfway done so she hooked me up with a foot massage. It was getting closer and she returned to my cock. With her non-stop, furious stroking, it only takes me a few more minutes to get off. She was amazing and I will have her again. She didn't upell nor did she nothed me. It was a nice session.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89149	2019-09-09	September 2019	Afternoon	70	This place was not that great on the outside, and the strip mall was not that good either. Had to wait in the car to check the surroundings and locked my doors. Kim was nice. I got just what I needed when I had my massage with Kim at this place, she was the girl that I met at the front when I got there, she looked good, she was young, she had a nice body, round ass, she looked great for what I wanted to get outta her. When she got me on that table she got her hands on my backside and she worked a good massage. I liked how those hands felt, she took care of those sore muscles and kinks that had all over. It felt good, she told me I was really tense and that she was gonna do her best to get me feeling good, she spent a few minutes working out my backside before she flipped me over, when she had her hands on the front it felt even better. I liked how she was teasing around my crotch, I asked her for the hd and she earned her price, then she took the towel off and started jerking me off, it felt good, she stroked my cock with a nice motion, she got a few minutes outta me before she made me cum, when I did it was a nice shot though, she wiped me clean and then I left with a smile ear to ear, very recommended parlor.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89151	2019-11-08	November 2019	Afternoon	40	I think this is a terrific place in a great area. It is within walking distance from my job, so all of my extra tip money goes to these ladies. As of right now, I do know that it is a jack shack, but usually anything goes in Vegas. I wouldn't be surprised if a few managers are fucking some of the girls. I know that Kim will do a hand job and let you touch her tits/ass. I personally did not try to do anything else. I am going by all of the rumors on the street about getting blow jobs and fucking the ladies. Kim is a bit more reserved. She is a middle-aged woman that has been working here for some time. She gave me an enthusiastic massage that was followed with a phenomenal hand job, but that was it. I think if I were to ask for more, she may go for it. I have been in here enough that I think I could probably score. I might try next time though, because I think if I'm going to ask for more - I should probably have some extra pocket change on me.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89150	2019-11-18	November 2019	Afternoon	50	No answer but they returned my call after a few minutes of trying. Now here's my main problem. They take about 5 minutes for the girl to greet you, pay MMS. She tells me to enjoy my massage and leaves me in the room. Kim comes and apologizes for the delay. She comes in and see her figure. Short dress revealing a very nice pair of legs. There was not a bad spot on it. As she rubbed my body, I could feel her gets more sensuous. The only complaint I have is that I wish she really put on some pressure so I could get a good massage from her. I don't think that's in her repertoire. Things get hot when she's reaching beneath the towel however. When we flip over, my Johnny is so hard, I could use it as a baseball bat. She tugs me with both hands and splits on my dick. Once I finish I get dress and head outside. MMS tells me that they will be closed temporarily till Sunday or Monday. So heads up.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89154	2019-11-25	November 2019	Afternoon	50	Place was clean and had a couple girls working. Got Kim since she was the cutest of the bunch. Her massage was pretty good. She is attractive and has a nice body. I laid down and she covered started with light stretching. Kim has ok massage skills a lot of rubbing with hands and forearms. I told her medium pressure and told her use more pressure. On the flip she started with nice scalp massage. She gave the sign I said yes went to work. Cleaned up and finished the massage. It was nice the language barrier was difficult. Kim is nice let me roam, I would see her again.	/erotic-massage-li-ren-massage-las-vegas-nv-5634

Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89155	2019-12-03	December 2019	Afternoon	50	Came in and was greeted by the receptionist. I talked to see who was available and showed me Kim, Mei, and Semmy. I believe that's her name but I went with Kim. Kim did an average massage. Liked to tease, and once she had me turn over, the soldier was at attention. She had no problem taking care of him. She really knew how to tease and give a wonderful HI (I did not see if there were other extras). She gave a little prostate massage as well. She was trying to get me to cum faster as a new customer came in and she probably wanted the business instead of it going to one of the other girls. She lifted her shirt so I could hold, touch, and suck on her breasts until I ejaculated. Once I was finished she rushed me out. That's the only thing.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89152	2019-12-08	December 2019	Afternoon	70	Got there one-night last week & shown to a room by hot young receptionist who could be double. On the way there, a curle came out of a room and emitted pleasantly. Sadly I think the receptionist is there for show. Massage had potential, but she was keeping it light. Got rid of the towel after about 5 minutes and it was game on. She spent time on my butt with soft strokes getting closer to the ball-jack when she asked if it was okay. "yes, no problem". This continued and I relaxed my butt up to get her better access - which she took advantage of. Flipped and she went right for the oil and my dick. I told her I wanted her to take off her cloths and she said "more money". I said no...she took off her top and I worked my hand into her pants for a little FW as she stroked my pole. She definitely has done this a few times as she worked me pretty good until I popped and continued to make sure I was dry. Gave me a little prick on the cheek and then headed out to get a hot towel.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89157	2020-01-31	January 2020	Afternoon	70	I came here recently and I thought this was an actually pretty nice place, but it was really busy when I arrived. I am private, so I decided to call MYAS and book my appointment when it was not as busy. She paired me up with Sophia. When I arrived, Sophia was waiting for me. I paid and Sophia had me in a room really fast. That is something I definitely appreciate it. She came back with oil and started to rub my back. She also rubbed my legs which felt really good. I am a runner, so any type of massaging in that area is great. When she flipped me, she immediately started to play with my cock. She also was very cool with me rubbing her body. She doesn't have big tits or anything, but her body felt firm and I could tell that she enjoyed the attention. She continue to jerk me off while rubbing my taint. That was all it took and I came. The cleanup was quick and I left. I would love to see if she does anything more, but I have only seen her a few times. I figure I would be pushing my luck if I asked for a BJ.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89158	2020-02-05	February 2020	Afternoon	50	Wasn't too sure about Sophia but I already made the trip...oh well. I was horny. I immediately began rubbing her small butt with no objection. Teasing began after moving to the side with occasional brushing of the soldier and the two nuts he hangs out with... actually fairly decent massage... On the flip mentioned to the soldier and grabbed some oil and began a rather enjoyable HI. Allowed northern exposure. It didn't last long since it has been a while since I've had a wet dream like this one...Cleaned up, continued with face and scalp massage. On the way out was handed a kiss on the cheek. I've fairly confident more activities are on the table, but I was just there for a quick release of my stress. worth it IMO	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89155	2020-02-12	February 2020	Afternoon	70	I came here with the hopes of getting to check out some chills and get a decent massage and ended up getting more than I had thought I would. Sophia used some great pressure in all the right spots and her technique was good. After I flipped she asked if I was interested in a hand job and I said her yes. She then started jacking my dick and I couldn't help but reach out and touch her a bit. I got to rub her pussy, ass and tits but OTC only. She said next time might be better. I could feel her getting wet with me rubbing her pussy and that got me going a lot more. I kept rubbing her until I busted my nut all over my stomach. Sophia got some towels and cleaned me up good and then helped me get dressed.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89158	2020-04-13	February 2020	Early Evening	80	Open 24 hours no issue getting in. Pretty good massage, covered part of the time (which I don't care for). After turn over she pointed and asked then started HI she let me rub her ass and pussy outside of pants and she kept laying her head on my chest which I enjoyed. She liked that came all over. After clean up she continued the massage and that was relaxing.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89159	2020-07-07	July 2020	Early Evening	70	Gave this place a shot. Some friends in the hobby told me nice scouting reports and told me to check it out. Arrived to the location and didn't wait long before the activities began. Compared to what I heard, the massage was actually pretty good. I was really comfortable and enjoyed the teasing during the massage. On the flip, no questions asked or talks of donations, she went straight to the goods. Plenty of lube and strokes were long and sensual. Hands were able to roam under the clothes during the massage and on the flip I got her to give me a HI of completion. Limited touching.	/erotic-massage-li-ren-massage-las-vegas-nv-5634
Li Ren Massage 557 E Sahara Ave #108 Las Vegas, NV, 89150	2020-08-28	August 2020	Early Evening	70	It's been a while since Mei massaged me, last time I was here they were shut down and had to go elsewhere where they had fucking roaches on the restroom. Not this place tho, I've been coming here for a while now and every time I get a great massage and service. This time service was limited and average. First time here since they reopened everything back up. Mei was there but she did not remember men, don't worry I remember her, it's hard to forget a girl who gave you good service... She makes small talk and prep for the massage. Gives me privacy to change and steps out. She comes back a few minutes later and starts the show. Massage was pretty good, did not climb on top like she did last time and kept it safe... I guess they are keeping their distance. Massage kept going on and teased my ass and balls like before. I was pleased and got hard immediately. I touched her legs but kept me away from her pussy. On the flip I negotiated FS but in vain cause she was not removing her mask for anything and neither was I allowed to. Ended up with a bag and some ball rub massage. Light asshole massage too lol I popped. I wished things were like before...but I guess this massage was better than nothing... maybe next time she'll pick up the pace and allow me to tick her or go beyond HI.	/erotic-massage-li-ren-massage-las-vegas-nv-5634

<p>Li Ren Massage 557 E Sahara Ave #208 Las Vegas, NV, 89103</p>	<p>2020-11-17</p>	<p>November 2020</p>	<p>Early Evening</p>	<p>70</p>	<p>Paid the house fee and got ready while Mei left for just a moment. When she returned she started with a fairly good massage...she's no sexy cat but at least she goes the extra mile for you. She spent quite a long time covering the entire backside including the feet. She even did a few manipulations on my lower legs and ankles. She was quite thorough and did some very light teasing along the way. Mei spoke pretty good English and did carry on a conversation when prompted and smiled a lot. Good personality and friendly. Mei was pretty enough but you could tell that in her late teens and twenties she was probably a real looker. Her butt was flat and she has a bit of a paunch on her belly (flat, so do I) but still nice looking. While she was working on me I started exploring her butt and upper legs and met no resistance. Then went a little further and she moved to give me better access OTT, a good sign for HE. Once she finished me off with a 2 hand twist jerkoff I felt like a huge weight was lifted off my shoulders. Definitely coming back for this.</p>	<p>40</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

I agreed and paid \$50 for that. After 20 or so minutes of a mediocre-at-best massage, she asked if I wanted the HE. Of course I agreed and she said that would be \$60. I paid and she commenced to give me a subpar hand job. She got the job done, so to speak, but it wasn't anything exciting. For as much as I paid I'd rather just buy a Fleshlight or something. Average build, middle aged, nothing exciting about her. About 57, late 30s-mid40s. She was friendly enough but the quality of the work left much to be desired.</p>	<p>60</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

They had masks on and checked temperature. After some minutes of small talk we moved to the room. Undressed and laid down naked. May comes in and starts the pressing thing. I had to tell her to go a little harder which she did. 10 min. or so of that and then a little oil and pretty good massage which I needed. Then she oils up some hot rocks and works me over with them. I really liked that. Halfway through the massage I started feeling around some to let her know I was interested in more. With about 15 min left she had me turn over and started the good parts. I had her slow down some and she did a few touchings, just not under the clothes. I wasn't getting me to the release so I took over and she was massaging my balls and tickling the scrotum. I was having trouble getting there so she inserted a finger and that did the trick. Just before I let loose I turned it over to her and she finished me off.</p>	<p>80</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

She's not hot but she has something that makes her unique like the fact that she does a great massage and HI...she also hooks you up with other goodies for a price. Paid the hour. Starts the first half massaging my back, glutes, legs and balls from behind. When the 30 minutes was up I initiated the turn which surprised her. I pointed at my groin and said he is getting jealous. She laughed and immediately oiled up her hands and went to work. Very good hand motion (not fast like trying to pump up a tire) - smooth with good pressure like a gentle milking. She lifted her top and bra so I could get at a nice, kind of firm, hard nipple. Started the soft ball playing and sliding fingers up and down my crack - very enjoyable. She noticed the pumping of my hips and increased her pressure just a bit and went a bit faster as well. I let her know I was close and she should move her head back a bit. She really laughed and said long time ones I needed.</p>	<p>40</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

Inside it's like any other joint in the area. I liked the fact she took her time and didn't rush like some girls usually do. Here's what I experienced: May asked me if I was ready for the rub and then she got going with me, she got some lotion on my backside and began rubbing me down. It felt good, she could really apply some good pressure with those fingertips and I liked how it felt when she would slide the head under the towel to rub my thighs. When she flipped me over she told me I was really tense and she told me she could give me the happy ending session to ease that tension. I went for it and she removed the towel, got her hand around my cock and then stroked me good, she made it feel good. May had a good rhythm, nice grips, she let me rub her ass around and feel her tits, they were nice, huge feeling tits, she made me blow my load a few minutes later, she didn't mind having to clean up the mess, she thanked me and after cleaning me up I went on with a smile on my face.</p>	<p>50</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

While I can't boast of any overwhelmingly good activities, the experience left little to be desired. Angela was amicable so there was a decent level of banter between us making the session a light-hearted experience. Additionally, the necessary to her great attitude, Angela proved to be an adept massage therapist. I really have no complaint to speak of, Angela was presentable though not a show stopper, and she worked diligently to see me through a swell time. The total damage was not bad and given the good results, I think a follow-up visit is in order.</p>	<p>50</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

The spa was clean and organized when I went in, and as it was late afternoon the parking was almost empty and the area was calm. I met May, a nice-looking lady with a nice and laidback attitude. I liked the session she delivered so I'll repeat. I found Li Ren massage passing by this place and decided to stop by since I was already there. Went inside and I was greeted by May. Checked my temp and got on the table and waited for May to come back in. The massage was great but I kept most of the time covered so there wasn't much teasing. After about 20 min, she asked me to flip. She started rubbing oil into the legs and did the question. I obviously said yes. She asked if I wanted her top off, again yes. She took off her top and she had a nice set of BS. Her HJ wasn't fantastic. I think there was too much oil. I ended up finishing on her boobs. She cleaned me up with some hot towels and I was on my way.</p>	<p>40</p>	<p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

She gave me a massage for maybe four minutes and somehow we switched and I found myself massaging her for twenty plus minutes. She loved it and didn't want me to stop. I was so hot I had to and was excited about extra brownie points by giving her a rub down. WRONG!! she massaged me for maybe ten seconds told me to flip and quit on me. She was like yelling at my Johnson telling him to hurry up. Which made things worse. Then I still tipped and she complained as she forced herself to give me a wetter. Haven't been to an AWP in awhile and have I been missing out. My provider was in her mid 40s and took care of me thoroughly. Very good sensual massage had me excited for the flip. Upon reaching the flip I pulled my usual and hung my arm towards the side and she polished her body on my arm. I then started to search her body with my hand. She asked me what I would like and proceeded with a very satisfying MI. While she was working me I used my other hand to search under her top with no rejections. I am always surprised how fit my providers are. She finished me completely and I was off. Recommend a visit here.</p>	<p>80</p> <p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

Pretty empty when I get in, making for a nice, private time. I pair up with Mimi; she's cute, young, and very energetic. Takes me to the back, and sees me up in the room. The massage is nothing new, but she's quite aggressive with the teasing. So aggressive. In fact, that I don't have to do anything for the HE. It's almost automatic. Keep in mind this is my FIRST visit. She goes a great job working my nod, fondling my balls, and even stroking my waist, occasionally. A bit reluctant to take off her top, and let me play with her nipples, but a bit of flirting. Some more money, and persistence will pay off; that's if it's worth it for you, of course. All things considered; this place may just be my new ATF!</p>	<p>80</p> <p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

There was just the one young lady working. Typical session. Wasn't horrible, but it wasn't exciting either. I don't imagine I'll return. Really mediocre stuff. I was hoping the mamasan or some older masseuses would be there and available (I find the MILF/GILF HE providers to be so much more exciting). No such luck. Standard rub then friendly negotiation on the flip. She complimented me on Junior's size a few times, which was nice, and asked for \$60 for the standard finish. Since it was Christmas Eve, I didn't argue, but just agreed as long as I could fondle her breasts too. She allowed it, but made no move to adjust her shirt to expose a boob or allow any UTC roaming. She called up and used both hands while I fondled her tiny breasts over her bra and shirt. Finished up quickly and was out of there minutes later with the standard-issue tiny water bottle. She was more than pleasant enough, but the session just wasn't exciting for me in any way. What made it worse was that I'd just had a sublime teasing massage at a reflexivity place. This HE session at LiRen just couldn't compare to that teasing session at the mostly legit place.</p>	<p>60</p> <p>/erotic-massage-li-ren-massage-las-vegas-nv-5634</p>

<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89133</p>	<p>2012-12-28</p>	<p>December 2012</p>	<p>Noon</p>	<p>40</p> <p>An another day and another money well spent in this Chinese mafia owned parlor. I kid, but the Chinese most definitely own the parlor scene here. Great time spent here. first they offered me \$20 off being first time visit and Sass, this cute Chinese girl took me to a room and told me to Get Comfortable and someone else would be joining me. Coco comes in at the right timing and she looks perfect. Her attitude was great as well, she didn't rush me or treat me like some piece of crap, she took great care in making me feel great. Her massage was good and she made the hour last long. Time was almost up and she turned me over and pointed below with a smile. I nodded yes and then she said price and I agreed. Let me room as much as I pleased and game me the release I was craving. It was a great time. I will be back. I'd recommend this parlor to anyone nearby.</p>	<p>40</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

I was visiting LV so I actually went there yesterday (01/15/13). Candy met me in the front and she is not bad looking with a nice petite spinner type body. She took me in back but had to clean the room first as she said it was busy. Her massage is too soft for me and I told her not to be afraid to hurt me, but she didn't massage me any harder. After approximately 30 min. of massage, she grabbed my boys from underneath and asked if I wanted her to massage that too. I asked her how much and she told me how much I'm willing to pay and I told her \$40 but she said everyone else pays \$60, so I agreed. She started on me with oil and I started to feel under her short skirt which she didn't seem to mind. Then I started to massage her titties from outside her clothing and she stopped and asked me if I wanted to see them. Of course I said yes, but then she said it would cost me another \$30 so I told her no. So instead of standing next to me now where I could touch her, she made her way towards the foot of the table and climbed between my legs and started working me from there, until I exploded. She cleaned me up with tissues first, then grabbed a warm towel and finished cleaning me. Although a HE is always good, I really didn't like this place.</p>	<p>60</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

Kiki's cute[love her smile:]Massage was good (though short because I turned over and started playing with her pussy. We quickly made an arrangement with no haggling, she stripped and we went to it. I didn't try anything weird and she was more than willing to let me have my way. DATY was a delight, as was the BBB) and FS. I'm not local, but KIKI will stay on my list when I return to Vegas. I don't even head toward any of the Vegas AMPs, but head straight for Iris spa.</p>	<p>100</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

The biggest complaint that I would have with Candy during my hour session with her was that she was upselling me for every detail of her extras services. I understand that a girl has got to pay the bills and eat and all of that shit, but this was unnecessary. Everything was ticky-tack and there way too many finance charges that I felt like she was ticketmaster and I was getting served with all these extra fees while all I wanted was some coochie. The massage was too soft, like harrypalms said, and she didn't seem like she was trying all that hard to work on my body. But she kept it going for the full hour so I'll maintain that she deserved her 3 star rating. The HU was good, but again, it was distracting when she kept asking if I wanted something more like to touch her tits or ass and would add a price to that. I grabbed her ass while she was jerking me when I was about to cum and kept it on top of her clothes so I wouldn't have to pay anything extra.</p>	<p>40</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89165</p>	<p>2013-05-30</p>	<p>May 2013</p>	<p>Afternoon</p>	<p>60</p>	<p>I've been here about 6 times over the last few months, and have been with most of the RA's. This place is clean and the girls are pretty friendly. This was the second time I saw Yuyu. One disappointment was the table shower was temporarily gone, so if I wanted a shower, I had to take one by myself. Once in the room, she gives a pretty decent massage and pressed her legs up against my head when she was at the top of the table massaging my neck and shoulders. On the flip, I had no problem roaming under the bra and panties. I liked that she didn't ask about the tip either time I saw her and just trusted she would be taken care of. I asked her to go nice and slow at first and she did with one hand on my rod and the other massaging the boys. Very sensual tug and I had a nice release with hot towel cleanup. Then she asked if I wanted scalp massage for last 10 minutes which was nice. Will repeat.</p>	<p>60</p>	<p>/erotic-massage-Iris-spa-las-vegas-nv-13450</p>
<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89145</p>	<p>2013-08-06</p>	<p>August 2013</p>	<p>Early Evening</p>	<p>60</p>	<p>I had a great time over the weekend with Yuyu. I want to come back to her again but hope that she gives out more on her menu. She was lovely to me. Yuyu was very sexy and when I saw her, she looked good. She had a nice smile on and I was ready to get a good massage from her. Yuyu provided a very sensual massage thing on my lower back area. It felt so good for that time being. Yuyu gave me a really strong massage on my lower back too. There was a nice HI on the flip. She started playing with my boys for a while. My member got played with for a bit. She started pulling on the dude and I grabbed her chest and took off the bra for fun. The way she released me helped me out a lot. I busted and she seemed satisfied to make me bust. The hot towel cleaned off the rest so I was really happy about that. Yuyu was not only cute but she helped me feel chilled out. What a babe.</p>	<p>40</p>	<p>/erotic-massage-Iris-spa-las-vegas-nv-13450</p>
<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89155</p>	<p>2013-10-18</p>	<p>October 2013</p>	<p>Early Evening</p>	<p>60</p>	<p>I came here from work. I called during work and made an appointment. I thought that this place was clean and nice. Yuyu was alright looking. I thought that she could have been a little bit nicer and more friendly. She began the massage on my back and didn't really make any conversations. She had pretty decent massage. Had good strength in her hands and she gave me a good hard massage. Getting deep into my muscles. When she was done on the back side, she flipped me over and then we discussed the HE. She was willing to give me a HI and that was nice. She grabbed the pole and then began to tug. Her skills were very nice with the pole. Teased it a little and went fast and then slow. Tickling and jerking. All of these things combined into one big explosion of cum. She cleaned me up. I liked this experience.</p>	<p>40</p>	<p>/erotic-massage-Iris-spa-las-vegas-nv-13450</p>
<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89167</p>	<p>2013-10-23</p>	<p>October 2013</p>	<p>Afternoon</p>	<p>60</p>	<p>I arrived at the wrong time, or so I thought.....I thought I would try a different place this time and I'm so glad I did. You just never know what your going to get when you try something new. Anyways, I pulled into the parking lot only to see a dude walk in ahead of me by about 30 seconds. [damn] I walked inside and nothing (nobody there). I knew they were busy, so I sat down for a minute. The MMS came out to greet me and I joked how busy they were, she said no problem they have more girls and took me back. I was laying there naked just waiting for someone to come in. After about 8 minutes, I was almost ready to leave when I heard a knock and a hello. I turned over because this voice had no accent. She was hot strawberry blonde with some nice paint on her arm. Are you kidding me.....she could be a lead singer in a rock band. I hit the massage parlor jackpot. She said that the owners own a few places close by and when they get busy they call them in. The massage was very sensual, not to hard or soft. She rubbed my back, neck and legs. We talked a bit and it was cool. After about 45 minutes, she flipped me and did the standard rub on the inner legs. I could feel her hair dragging on me as she slid past the boys several times. Finally she took charge and started to massage my general, without asking me or any discussion of money. She let me feel her up over cloths until I popped. I really enjoyed her, that's how transactions should take place. I really don't know if she would have agreed to more if I had asked, she seemed eager to please. I will see her again and maybe again. I gave her \$60.00 bucks, we hugged and said goodbye. So far, BEST DAY EVER!!!</p>	<p>60</p>	<p>/erotic-massage-Iris-spa-las-vegas-nv-13450</p>

I didn't know what to expect when I got here but I was surprised by what was offered here. Holly was a cute looking white girl. I liked how she looked a lot and wanted to have some fun with her. I asked her if she would be willing to provide me with a nice happy ending and she told me that it would cost me 60. I haggled with her to bring it down to 50 and we were good to go. She applied her massage techniques on my back and I thought that they were pretty good. She made me feel much better. Told me to flip over and then removed the towel. I was fully exposed now and she grabbed the snake. Played with it till it became a pole. It didn't take me long to finish because she was doing a great job. Switching from slow to fast until I unloaded the package.

It was fun here and I think that I will be making another trip to see what else I can get. When I got here, I thought that I would probably not get the HE at this location. Mia kept her hands away from the parts of my body that I really wanted her to be at. I told her that I wanted her to go there and she put up 4 fingers. I said ok and then she flipped me over. I liked her work on my chest and then she did her hands lower and lower to the pole. Grabbed it with her hands and then began to pump it. She went a bit slowly at first but she cranked up the speed to max. I reached out and tried to touch her but she wouldn't let me do that. I told her that I will be back here and she smiled. Cleaned me up and I left the tip on the table.

The things that I got at this parlor were surprisingly good. I didn't even think that I could get the HE here but I did. Tina was not the worst looking girl. She told me that she was going to start on the back and then told me to get ready. I took off my clothes and laid down. She came over to me and began to pour the oil on my back. I asked if she would start me off on the backside with the hard massage. Her soft hands were now firm and strong. She used them as the instrument to help relieve my pain on my body. I stayed still, enjoying her massage, until I felt like it was the right time. I asked her about the HE and she told me that she would do it. I told her that I wanted her to give me the HE and she went to work. Grabbed the pole and began to apply the tug. I reached out and began to touch her body. She seemed to be ok with it. Just kept her hands going fast until I popped.

It was my first time at this location and I was pretty happy that I could get the HE here. That was the reason why I would be willing to come back here. I would pay the fee again to come here again. Came here in the morning for a quick session so that I could feel a little better before heading into work. I think that I might have slept wrong and my neck was hurting. I asked her to focus on that area and she did a rather good job on my body. She told me that she was about to finish up the massage on the backside. This is when I decided to ask her about the HE. She told me, "I do the HE but only that." She would not let me touch her body at all. I kept my hands on the side of my body as she had her hands wrapped around my cock. Her hands kept pumping until I finished. Dropped the load and she cleaned me up. I gave her 40 dollars and it was worth it.

<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89134</p>	<p>2014-08-04</p>	<p>August 2014</p>	<p>Noon</p>	<p>60</p>	<p>Seemed like Anna and Lily were the only two working about here. Humid rainy days have been starting to annoy me. I'm the type of monger that likes being clean before I go to an AMP. I checked the reviews and called ahead to make an appointment. Got there and woman in front told me that my provider would be busy. I was a bit confused and asked who she was talking about. She said Lily was busy so I had to go with Anna. I told her I had no idea who she was talking about and she said, "Aren't you that Japanese guy?" I told her no and she just didn't say anything else. Just guided me to the room after payment. It looked clean and there was nothing dirty in the place. No weird smells and I was stoked here. When Anna came in, she asked if I was ready and I got a better look at her. She was wearing jeans and a shirt. I was hoping for something more skimpy. I was already getting hard in my most stressed area. "Nice!" was her comment when I got a bit excited by the attention. Back in the nondescript "room" (door closes but doesn't lock, and you can probably hear your neighbor). About the door as well, I think they just leave it there in case "something" happens. The room is super dim and everything is clouded by that Asian muzak in this room. She asked me what pressure I wanted and I told her very hard. I got a nice back massage and flip. After some relaxing feather touches, was asked if I wanted to complete the experience. A little lotion and attention then went to making sure I had a happy finish. During this time, my hands roamed freely over her clothed body, including under her shirt and down the back of her pants. It was a good tug and I like feeling her all around. Not full service nor even "sensual" in a Asian definition, but I left after an hour much more relaxed and ready to continue my day. I'll be more than happy to repeat here.</p>	<p>40</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>
<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89160</p>	<p>2014-09-23</p>	<p>September 2014</p>	<p>Early Evening</p>	<p>60</p>	<p>It was Anna's day off. I don't know how good her services are or how good she looks but I'm happy that was the case because Amy took good care of me. It just so happens she is very sexy too. I take a look at Amy and I'm already excited. I remember her wearing a white dress but must admit that I was a little buzzed. It was nice to get into the cool parlor because it was so hot outside. I got undressed in the room and wait for her return. When Amy gets into the room, she announced her arrival by taking so long. It only took her 5 minutes but I'm glad she was so apologetic, shows that she cares. Amy starts the massage with good pressures surprising me since she was a petite skinny babe. After teasing me for a little, I could feel her presence at the head of the table with my eyes closed. I reached up her dress, squeezed her ass as I her breasts grazed my head. It was time for the flip. On the other side, she takes control and slowly strokes. The tugging felt so good with that amount of oil. She will loosen up and tighten up her grip, taking her time and being patient with me. I saw her breasts expose themselves and had such a fun time working those beautifully natural b-cups. Eventually, I unload like a happy man on Christmas with his Santa's little helper wife. What a great experience - I'll have to return and see Amy. I'm not sure if she's new here but I intend getting to know her better.</p>	<p>40</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>
<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89166</p>	<p>2014-11-24</p>	<p>November 2014</p>	<p>Late Night</p>	<p>40</p>	<p>You can get the rub and tug that you want here. Came here after a night of getting fucked up at around 1 am. Was fun. Amy was nice to me and she gave me a pretty good massage. That is the only thing that happened at the start was the regular massage. She kept on working on my body and I enjoyed it. Decided to just ask her about the HE nonchalantly because its Vegas. I was expecting something to happen here and it did. Amy told me that she was willing to give me the HE and I thought that it was what made this trip all worth it. She started to touch on my body and I asked her if she could get on with the HE. I didn't have too much time left and she started to go fast. I just reached out and grabbed her tits and she didn't even flinch. She kept it going and I loved touching her youthful body. It was very fun and I got pretty much what I was looking for. I was weary from the night of drinking and was starting to get hung over. She helped relax my body and it helped put me to sleep. Drove home and knocked the fuck out. Handed her 40 for her services and I didn't mind it at all.</p>	<p>40</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89128</p>	<p>2015-01-16</p>	<p>January 2015</p>	<p>Late Night</p>	<p>60</p>	<p>Nothing like rewarding yourself with a sure thing, after a long night of losing \$10k in 2 hours...I sometimes really hate Vegas. Enough of my sob story though, everyone loses money in Vegas, right? I came here for a pick-me-up, and that's exactly what Amy did. Picked me off the floor, and showed me one helluva good time to keep my mind off of things. The place is open 24/7, and I dropped in around 3am. Surprisingly, the girls here don't look all that tired. Amy shows me to my room, and right off the bat, gets the ball rolling. The girls here aren't stupid. No one is here at 3am for a massage. She makes negotiations right there and then, strips nudes, and body slides all over me with oil. Ask for BBB, and she refuses at first, until I wave \$180 in cash; she's game for ANYTHING, after that, lol (left over from gambling). Toas it on the table, and all of a sudden, I'm rushed with a bunch of GFE. I tell her to suck on my ass(hole), while I jerk myself off to get hard, and she gives me the most mean, dirty rimjob I've ever had. Her tongue was literally inside my ass...wouldn't kiss the mouth on this one, if I were you. Unless you're into eating dirty ass-remnants. She sucks me off bare after, giving me the most passionate DP I've had in a long time...better than my wife, anyways. I fuck her in the face for a few thrusts, before pulling her off, putting her on all fours, and grabbing her like a bowling ball (thumb in ass), and pounding away at her brown/pink pussy. She moans aloud, tells me how great I am, but all I can think about is the \$\$\$ that flew by at the poker table. I zone out, and go mechanical, fucking her in DS the entire time, forgetting to change position. Thankfully, my body knows what it's doing, and remembers to bust after 40 minutes. Ah, forgot to mention that I was coming down off of Xanax as well...very tired. Surprised I was able to get hard. Anyways, after, she cleans my dick off with her mouth, as per my command/request, and swallows the little slivers of sperm I've got around my cock. Give her a peck on the cheek (not wanting to get anywhere near that mouth), and head out. Perhaps I'll have better luck on my next Vegas trip...Amy definitely was the fucking highlight on this one, though.</p>	<p>1.80</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>
<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89144</p>	<p>2015-03-04</p>	<p>March 2015</p>	<p>Late Night</p>	<p>60</p>	<p>Not exactly my best session, but the place is open late, and offered me the little bit of relief I needed, before sleeping like a baby. Mary is...well, damn. She's about as average as it gets. Nothing that really "popped" out at me, on her body. Friendly attitude, and a decent amount of energy, but I really didn't feel any sort of attraction to her. Still, she definitely did show me around the ropes, and gave me a happy finish to my night. Mary makes some conversation, as she begins a light, touch massage, then does this funny thing, where she tries to rub her tits on my body, to arouse me. The thing is, her tits are too small, and she's basically just rubbing her entire upper-body on top of my chest, instead of just her tits. But A+ for effort. She goes down on me using her mouth, and provide a fantastic oral session; she might have no skill in erotic teasing, but the same can't be said for her BJ skills. After giving me a nice, slurp-ticious sucking, she lays on the table, and spreads her legs, beckoning me for some Missionary. I slide in nice and easy, and fuck her for a little, until I pull out to switch positions, and throw in some 69, before doing her doggy. She's got a very thick bush (you'd think a girl in the FS profession might consider whacking all that shit off, but I guess not), and it tickles my balls in the weirdest ways as I fuck her, but still feels good. She climbs on top in CG to finish me off with her constricting pussy muscles, and I finally pop. She leans over, and lets me suck on her tits, as my orgasm slowly resides until I'm completely done. I did see a few, much more attractive girls working here, but unfortunately, I was told that they were all busy. Shame. I will most likely come back, but will definitely call ahead next time. Only managed to get one name of one of the hotter girls here, before I was shooed out: Jin Jin.</p>	<p>1.40</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89154</p>	<p>2015-03-07</p>	<p>March 2015</p>	<p>Afternoon</p>	<p>60</p>	<p>Typical AMP in an older strip mall. Plenty of parking. A good example of YMMV. I went to see Mary on Friday because unlike the previous reviewer, I love a bush. Her massage skills were very good, with a lot of teasing, but nothing therapeutic. She gave me 30 minutes of a very relaxing massage. On the flip, the usual "oh so big", which is not really true. She offered HE and BJ but I insisted on FS. It took a lot of convincing, but she finally relented, thankfully because I always carry condoms to insure that no condoms can't be used as an excuse. When she got undressed, I thought that she just said that her name was Mary because of my disappointment, no bush. I asked about it and she explained that she just shaved 2 days before my visit. A finger probe showed that she was not real wet so I helped it out with a little DATY. From there, we moved to Mish because she said that we were running out of time and the owner would soon knock on the door. After about 5 minutes, she really got into it and wrapped her legs around my waist and started pulling me into her with each thrust. I came, she cleaned me up and I was out the door. Mary's English skills are great, so you can actually have a conversation with her if that is your thing. I did find out that for those that want to have a grandma experience, go see Amy, who is not in her 30's but actually over 60, she has just had a lot of facial work.</p>	<p>140</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

Wasnt having the best time at the casino so I decided to stop by over here and relieve some stress. Didnt have too many options and Mary wasnt the best looking. She was much older than I hoped. Either way I still got to bust a nut. She gave me a relaxing massage then she had me flip and jumped my bones. CBJ was terrible. She was chubby as well so I had to think of other things to keep my boner up. I only fucked her in doggy so that I wouldn't have to look at her. I was thinking about someone else the whole time. Still took way too long for me to nut. May have been the drugs as well but still, not my best session. I dont know if I will repeat. Arrived late at night so there was only one girl that I could see. Ling Ling showed me back to the room and told me I could hang my clothes on the hooks near the door. I laid down after getting comfortable and Ling Ling came back and started with a somewhat soft massage which I enjoyed. Some light leg rubbing to let her know I was interested. After the flip she started with a scalp massage and I returned to touching her. She stopped me to discuss what I wanted. I told her everything and we negotiated. She asked how much and I said 100. She said 200. We settled on 160 and she went to get a cover. Played with her ass and pussy and breasts while she put on the cover and stroked me. She had me get up so she could lay down for Mish. FS was ok but said no to DATY. After she cleaned me up with a hot towel and offered water. Would go back.</p>	<p>160</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

So I was in town for work and staying at the palms. I got a little buzzed because we got off early and I wanted a massage . The bell boy told me about this place it was more for locals. This pretty Chinese girl welcomed me and I paid the \$60 and she took me to my room and left. Room felt good and it didn't look too dirty. Amy then walked in and I was excited to get a session started with her. Very good back massage, climbed on top of me at one point. Then she took towel off and massaged my ass. Flipped over nude and Amy kept working top side and gave me a HJ At end I got a nice happy ending with oil. Lifted up her shirt but kept bra on. Grabbed her booty instead, easier to get to than screwing with the bra. Hot towel hit the spot. Tipped \$40 on the table and left. She had another monger. I told her I would come back in 30 mins, and walked back to my car. She then waved me down in the parking lot. Told me if I paid in advance, she would bring in a "good girl" to take care of me in 10 minutes. I was horny and agreed to take the chance. Sunni led me to the room where I assumed the position. While all of this was happening, the other monger apparently got fed up and left. Suddenly, Sunni was back with me and almost out of breath. She started things very rushed, but thanked me for being patient and promised to take "extra care". Her english was so-so. She proceeded to give me an amazing massage. Deep tissue, not for sisties type of massage. She took care of the butt with some teasing strokes, brushing her fingers against the boys. By then, she had calmed down, but I was definitely riled up. On the flip, she did a nice slow chest rub on me while standing above my head and bending over to let me feel her firm Cs in my face. She moved around, pumped more oil into her hands and asked, "ok?" I replied, "oh yeah!" And she stroked pretty fast but with a nice touch. I didn't last long. She cooed as cooed. Then she offered me a TS... "no charge" More play time with the boys on the table, but too soon for me to shoot again. Still, very nice. She dried me off, and went for a bottle of water for me. Upon her return she asked for a tip I gave her \$40. She said, "I work so hard for you. \$80?" She did work hard. I knew I was going to give her more than \$40. So I peeled off \$10 more. "You hurt my feeling", she said. \$10 more off the roll an into her hand. "ok" she said and gave me a hug. "You need a Chinese girlfriend. Don't forget, Sunni as in funny." I haven't forgotten. It was a very good experience overall.</p>	<p>50</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

It ended up being a very good choice, because I got a great HE from Sunny, one of the awesome providers here at this MP. The back massage was excellent. She really took her time and I noticed that she would find a knot in my back and focus on it for a few minutes really rubbing it and trying to break it down. She used lots of oil and it really made a difference. She spent a good 20 minutes rubbing my back. When I did finally rollover, my back felt amazing. Yes, I was still sore in areas, but it was more of a good pain. The HJ involved touching her nice tits. I am totally into firm little titties, so Sunny had me very aroused. She used both hands as she was jerking me off with plenty of attention to my balls. I came right into her soft little hands. She cleaned me up with a warm towel and I was done. This place is really clean and the staff is friendly. I would highly recommend this MP.</p>	<p>40</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

The MMS was very welcoming and I felt really comfortable. I will be back for more. I had a wonderful time at this parlor. Sunny was my provider, she has a pretty have and a nice body. I don't know if she was wearing a bra because her nips were poking through her shirt. We went back to the room where I got naked and hopped on the table. The wait for her to come back wasn't long. She put a towel on me and started the massage. She did such a great job with the massage that I almost thought it was a legit place. Sunny worked out all my sore muscles and put me into a really relaxing mood. The flip came and she massaged my neck and chest. I was getting a stiffy from her tits being right in my face. She saw my dick harden and asked if I wanted a hand job. I said yes. We talked about the price a little, it really wasn't that much but I wanted to see if I could get it for cheaper. That didn't happen. After the negotiations were over she moved her hands down my body and started with really light strokes that would progressively get firmer and faster. After a few more strokes I blew all over her hands. She got the towel and cleaned us off. During the clean up, Sunny hinted that she might offer more for a little extra. Once that was over I got dressed and left to get to the rest of my day. I will be back and see if she really does do more than just a HI.</p>	<p>40  /erotic-massage-iris-spa-las-vegas-nv-13450</p>

Only one girl working, later I found out another is on call. Led to the room and got comfortable. Massage was heavy the way I like it buy way to fast in her motions, like she is in a hurry but she isn't. On the flip asked what I wanted and told her only a HI. She implied if I wanted more I said no. HI was adequate but I like the full package of an actual sensual massage and HE. What really knocked some points off was that she talked the entire time. During the massage she did this a lot and even with all the mental and physical teasing it was just not good for me, i've never been to a legit location but I bet a novice could have done better. When she turned me over I finally got my HE but with all the teasing I thought I was at least going to get something more, she only teased me and told me to come back, I was pissed so I just said no and walked out. Mimi is hot as hell, I like her and she was putting on a show for me the entire time, flirting with me, giving me a nice strip tease. She gave me a lap dance that could have easily set me back a hundred in a strip club and even rubs in her big booty on my dong. She never got naked which sucked but still with that kind of teasing there was no need. I would have loved to fuck her but she only does HJ for new people like me. At least that's what it looks like, I didn't ask her.

The massage was replaced by the lap dance and prefer it a hundred times more. I think more girls should do this. I think Mimi may have been a stripper, she has the body of one and the skills of one. She also has the skills of a massage parlor girl, because her HJ knocked me out of the park. Her tits are huge and her ass is plump, no complaints at all.

Had a lot of fun here - not sure about how many girls work in this MP, but my provider was called Sunny. I'm not sure about how many girls work here, I've seen a few Asian girls and my provider was Sunny Chinese, I think. She had a decent body, short, small tits, decent legs and okay face. Nothing new. The massage was okay - she had a warm massage oil, and used it to rub my whole body. It was a very accurate and thorough massage, and the girl was more experienced than I expected. When we talked about business, we quickly agreed on the price for a HJ. It was really sweet - I lay on the bed, with my eyes closed, and Sunny did all the work working my cock until I blew my load on her hands. Really satisfying... I'll be back for another session soon.

I loved this place, this was an incredible way to end a trip to Las Vegas, going to an MP and getting a Chinese woman with huge knockers give you a HJ. Nothing can beat that. Las Vegas baby, this place is great, you can get whatever you want here if you have the money of course, I was on a trip for the weekend, I got to play at the Casinos, visited some Cabarets, and I wanted to end this trip with a good AMP, I read a couple of reviews of this place and decided to visit it to see how it was. I got Sunny an old Chinese woman with big tits, her massage was way too weak, but I got to play with her body while she was working my back, I felt her tits and ass, I was liking this place already because there's nothing better than having the chance to play with some big natural tits. I told her I needed some manual work down there, so she started to working on it ASAP, she flipped me and grabbed my rod with one hand and my balls with the other, she was masturbating me while she rubbed my balls, it's a feeling I should get used to, but in the end I still enjoyed it a lot!

Its kind of far away from me but totally worth it. Mimi had a great ass and a nice small body, I am a very tall man and I noticed she got intimidated when she saw my dick. I payed for the session and she took me to her room. She was kind of nervous at the beginning but I told her that I wont force her to do anything she doesnt want, she got a little bit relaxed after that and started to oil me up after discussing the menu, she gave me a good hot sexy massage on my back and legs. After several minutes of relaxing rubbing and shoulder cracking I was getting hard just to think about her ass. After she was done working me on the from I asked her if she wanted an extra tip, she wasnt sure at the beginning but I told her if she said no it was ok, she agreed to a handjob. So there she was grabbing my dick with both her hands and me rubbing her ass and tits, all slow and sexy and I asked her if I could put my fingers in her pussy, she agreed only to my fingers. She opened her ROB all the way and stand closer to me I started to rub her clit and slowly introduced my finger in her tight little pussy. After solid 20 minutes we both were done, I came hard and loud as she did, we both ended up with a big smile.

There is a "reflexology" section where half an hour is \$30. I told her I just wanted a 30 minute foot massage because I had somewhere to go. I paid with two \$20s and she took me back to the room. I layed down on a regular massage table. It's clear this place isn't set up for a foot massage. Even though she was not attractive and way too old for me I let her go to work on my legs. She actually gave me a pretty good foot massage. I was surprised. When it was time for the ending she told me I had to pay first. I said "do you have my \$10?" She said she would get it for me. I gave her the standard and she finished me off. Then she cleaned me up and I was getting ready to go. This is when it was got funny. So after she brought me some water I was like "hey where is my \$10?" I know amateur move not getting it back before the whole thing started but this was unexpected, I've never been there before and I didn't really care. So she says that's the tip. Ummm no, the \$40 I have you was the tip, I want my \$10. She said the \$40 was for (reaching down to my junk and touching it) that and \$10 was Tip for massage. Went went back and forth for a minute, mainly because it was funny to me and I knew I put myself in this position. So then I decided to see what she would do. If I pushed back harder, so I demanded my \$10 very sternly and she caved. Lol. Overall, this place is what it is, but \$30 house fee for a pretty good foot massage, sure why not.</p>	<p>40</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

But then the day came and I was there early in the afternoon to pay Mimi a visit. She recognized me from a previous visit, we caught up a bit, I paid the house fee and we went into the room, straight into the massage, not much teasing going on, just a straightforward massage, even though she's jerked me off before the massage doesn't change much. Read about it below. So I wanted a hot-ass massage session with Mimi, they usually don't take appointments so I had to walk in at the right time, I got there at noon and... someone was already with Mimi, and it was gonna be a 90 minute session. Oh shit. Well I had to take someone else and the only person left was Sunny who is much older and not as kinky as Mimi. I was pretty upset, but in the end the hot-ass massage was turned into an acceptable massage with a good happy ending, you see, today I learned that you can't really judge a book by its cover. Hahaha ok sorry I got all too "PSA" there for a moment. But yeah, I took Sunny and paid the fee and gave her the tip at the beginning of the session but I made her promise it was gonna be hot. "Oh very hot" she said. She took some oil and the back massage was more like a butt massage, more like butt and balls massage, she paid super attention to my lower areas already, but didn't stop massaging the back either. On the flip she also massaged my arms and legs and from my legs she worked her way up to flipping the towel off and applying some lube to my Johnson, her wrist movement was really good and I'm ashamed to say just how much I enjoyed cumming in this old lady's hands. At the end even though she doesn't speak English that good she quips me: "Hot enough for you?" I couldn't help but laugh, she must've gotten that from a movie I'm sure.</p>	<p>60</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

Not even the clearing staff were in today and she was getting the room ready for the next person to come in, I gave MMS the money and Kathy took me in the room. I suggested she take a break but she said she wasn't tired at all, I was only her second customer this shift and it was already noon, damn. Slow day indeed. She had me lie down wearing a towel, I asked if I could go towelless and she let me so I took teh towel off and laid down and she started massaging me, she took advantage of the lack of a towel to brush my ass and slap it a few times and even tease the jewels in between my legs. I roomed around her ass for some added fun and on the flip I got my hands under her shirt, she said it would be 60 for the touching and the HU and I gave her the 60. She used just one hand to finish me off while roaming her hand across my chest too, I guess she likes me. Creamed herh and and she gave us a clean up with some warm towels, good lady. Kathy is a nice little lovely lady, I love coming in with her she's always super nice and gives me great service, I only don't like it when she makes me wear a towel, I like lying down naked waiting for her capable hands to do me good, but no such luck sometimes, I gotta wait for her to give it to me on the flip, this last time she made me wear a towel and didn't tease me until the flip, I asked her what was up and she says she sees I'm very tense and wants to massage me normal first, I go like baby you gotta jerk me off I don't just want a normal massage. She goes like ok and starts massaging my balls first, really nice feeling, tickles a little, and then she grabs the cock with her hand and starts pulling on it. I want to cum but she keeps stopping to nibble my nipples and play with the balls again, until she finally starts jackhammering my cock and squeezing out all my pearly whites. I recommend Kathy, tell her Jay sent you.</p>	<p>60  /erotic-massage-iris-spa-las-vegas-nv-13450</p>

MMS told me to try a new girl and promised she'd give me a young one, I had no reason to doubt her since she was pretty accommodating last time so I walked in after she said that. I walk in, am greeted by this petite Chinese girl who asks if I called before coming, I said yeah it's me, CaptCream, she says oh nice me waiting for you and takes me by the hand to the front desk. I pay MMS the house fee and she lets us go into the room. I start undressing, Mimi is wearing one of those chinese-dress-looking tops and yoga pants, I ask if she could remove her top too, she first says no. We're into the massage and she's just ok, I can't expect a lot of strength from a petite chinese girl like her but she tries her best and follows my instructions, in the end she manages to make some of my soreness go away which is commendable of her, she did good. I was roaming on her ass all the time, she then had me flip and I started getting my hand under her shirt and undoing her bra, she asks for 60 bucks to continue and I give them to her, immediately then she removes her top and invites me to suck on her nipples and help myself to her tits, I indulge heavily while she starts stroking Jr. with one hand. I gotta say it felt fantastic, I thoroughly enjoyed our session, Mimi let me suck on her tits even after I had finished on her hand, I loved every second with her.</p>	<p>60  /erotic-massage-iris-spa-las-vegas-nv-13450</p>

One of the many parlors in Sahara, I had never walked in to this place before, it was gonna be y first time and they had a nice enjoyable lady named Joy... she what I did there? She was nice and mature, but also looked pretty OK, not exactly my type, a bit much too old than I am, and not much of a body, but face was OK. I asked if the menu included oral, she said no, I asked if it included pussy play, nope, grabbed her by the ass and asked if that was OK, she said yes. Titties were OK too, both me grabbing them and the tits themselves I mean, she was very receptive during the whole session and she didn't rush me, but the HJ was kinda rushed in the sense that I think she's not a pro at HJs, just jerked on my dick over and over and waited until I came, at least I got some release, but Joy and the Iris Spa were OK.</p>	<p>60  /erotic-massage-iris-spa-las-vegas-nv-13450</p>

Mimi was younger and had the nicer body so of course I went with her. Walked in, was greeted by the RAs and Mimi took me to the room, I paid her and she came back, Mimi is really pretty and has a great body I must say, I was happy to be with her. I laid down naked and she didn't cover my ass or anything, she just began the massage the moment she walked back in. Whenever I felt her hands go near the ass or balls I would return with some roaming of my own on her, her massage wasn't very good but she wasn't a bad provider at all, either. Asked her to continue teasing me more as I grabbed her ass and she just laughed and played with my balls a bit before she asked me to flip. She asked for 60 bucks to help me out with the hard cock, I paid her but I also started roaming under her clothes, she allowed it but stopped me when I tried to get to the pussy, so it was only roaming on her tits and ass, they felt great. Mimi just pulled on my cock until I finished, good shit.</p>	<p>60  /erotic-massage-iris-spa-las-vegas-nv-13450</p>

Bait and switch attempted. Be on the lookout. Insist on who you're there to see, if applicable. They tried to bait and switch me. Asked for Mimi based on other reviews. The lady who insisted she was Mimi was at least in her mid 30s if not much more. Not petite like Mimi. And I could hear her tell the other lady I was looking for Mimi - not he's looking for ME. Anyways, I just left. I don't mind them trying to switch it up on me, but when they insist on telling me she's someone she's not I'm not giving up my money. Better luck next time. I had called ahead, too.

Nancy and Sunny were working, didn't wanna get baited and switched so I called in and set-up an appointment for a whole hour with Nancy, making sure that she'd be available, lady on the phone said she would be available for the whole hour in the afternoon, I'm happy to say I got Nancy for the whole hour. Anyways, I was just on edge cause the last reviewer said he got B&S'd and I did not want that happening to me, so I scheduled and then came in. Nancy was waiting for me at the door when I walked in and asked my name (the name I gave them on the phone) I said yes baby that's me and she said OK baby let's go. Walked into the room with her and I asked if she was gonna gimme the whole hour no BS, she just laughed and had me lie down. Performed a pretty decent massage all in all, a tugback massage with just medium pressure and lots of oil, nothing more, some teasing on the ass and balls and then also an ass massage. Flipped up and I too began massaging her ass, she said for 40 bucks she could help me with my now very noticeable erection, I said yes and she snuck her hand under the towel and pulled on my friend until he spat out. Good stuff with Nancy.

Didn't know what to expect from this place, had only read a few reports here and stuff, but I needed somewhere to step in and get my dick tugged and my back massaged, nothing less than that. Met two ladies at the front, MIMS came out and said that these two were the only in right now, it was a morning visit so I figured they don't exactly get a high volume of visitors in the morning. I chose Julie since she was smiling and looked like she was fully awake, unlike me and the other lady LOL. Woke me right up with a good back massage, it wasn't the best but the warm oil and the movement and back cracking made me feel pretty nice, all around a good experience as far as massage goes. But what really got me going was that after the flip I didn't even have to show her any cash, she just grabbed onto my dick and started pulling on it, I took the queue and also began touching her, she even let me touch the pussy but only OTC. Gave her a few more good grabs before her very swift, and very tight gripped hand job had me cum. She took out the alcohol spray, paper toweled me and cleaned off all the cum. Julie gave great service, a pleasant surprise.

I'm not entirely sure that her name is Julie, they pronounce it with an N, dunno if it's supposed to be "jun-ee" but I doubt it, and they always nod when I say Julie, so Julie it is. What do you care about her name anyways? Point is she will pull on your dick. Julie was OK all around, don't expect too much from her. There's better places around Vegas for sure but I just wanted my dick pulled and my back massaged, nothing more nothing less. She did give me some more, she was very receptive of mutual touching, grabbed her ass a few times and even did it UTC and she was into it, so she began teasing me as well which was good cause her massage on its own sucked, but with the added teasing it got a lot more fun, felt her hands passing through my ass and into my ass crack, down to the taint and balls, brushing and playing with all of them. Flipped up and got jacked off pretty hard immediately, I was glad she pulled her long sleeves back cause I came all over her arm, I apologized but she just laughed it off and said it was fine. She cleaned herself up and then cleaned me up. So massage was so-so, fu was OK. Julie is pretty good.

Was checking if the Vegas-parlor Batman wasn't looking for me for having posted reviews with lots of details before, but he wasn't around. Sophia was available, good chinese lady. So I had a good time with Sophia, that's how I'd like to start this review. She was available when I walked in and I paid her in cash, paid for everything upfront the Iris has never let me down I always just pay and boom you know what I want baby. Had to make sure she wasn't gonna leave me unhappy. Massage was good as always, can't say too much about it, had a nice little time with her in the room but then she was like "oh ClassandStyle you are my favorite customer let me help you with that" once she saw the tent. She moved the towel out of the way and found my camper, my camper was choking and needed immediate help. Sophia didn't offer CPR but she said she could do an ancient Chinese secret neck binding massage, so she grabbed my camper and squeezed on his neck and kept pulling until my camper let out what was bothering him: ah, it was a big heaping serving of pearly white gruel. Sophia saved my camper, sadly my camper is very prone to get himself in trouble so I'll have to come see her again next week. Sophia said it was fine, she likes helping out her customers.</p>	<p>40</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

I met Sunny, a petite Chinese lady very smiley and friendly, after I paid the entry fee for one hour which included a table shower that was very welcome, given that the outside temp. was over a 100 degrees. Finally we got to the room for the massage which was pretty good considering the lady's petite size, with occasional venturing south to tease the boys, on the flip she noticed the soldier at attention and told her I just wanted a HI, after tipping her she went to town and finished with a bang, all in all very nice experience, will be back to try the other lady which I saw on my way out and she was a very good looking</p>	<p>60</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

I was given a robe towel and went to the massage room, the massage was pretty good it took care of most of the knots while my hands were roaming on her legs and ass and she didn't complain so I kept at it, on the flip we both knew what I wanted, and thru sign language we agreed and he gave me a good HI and cleaned me with a hot towel and I was on my way, there was no rushing or watching the clock, I think it took more than an hour.</p>	<p>60</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

So many place here so pick the one with many reviews can't go wrong right. Called in advance just to make sure availability. Had to say I enjoy table shower at these places more that massage so after house fees are done Julie took me to table shower. Some good teasing and she clean me really well. Then back to massage room before the massage told that I just need a good massage with H, agreed for \$80 and it was okay message but she is good on teasing around the boys not too much any close touching. Didn't have a chance to explore her either before the flip. Her HJ skills are average compared to other providers but she keeps it going as I took sometime to unload. Then standard hot towel clean-up and no rushing me out. Not a bad place.

Came here in the morning and based on other reviews decided to try Julie. Julie is stockier than described in other reviews. I paid the \$70 house fee which includes the table shower which I had first. I picked Julie due to the amount of teasing described in other reviews. She didn't disappoint in that regard. Some during the table shower and lots during the massage. I turned over and I thought she went right to work on the HJ without any discussion (but I was later to find out according to her that I was wrong). I thought to myself that during the massage which I was enjoying and the HJ that I was going to tip her \$60 instead of \$40 or \$50. She finished up the HJ and continued the massage (still came up about 10 minutes short of an hour) I got dressed and handed her \$60 and she said \$80. I told her no and she said that she asked for \$80 before the HJ (which I don't believe happened) and she said I agreed to it (which I know didn't happen). I told her I was a local and not a tourist and that \$60 was all I brought. (not true but I wasn't about to give her another penny after she tried to pull this little scam on me.) She then let out a little laugh (like she had been caught) said OK and took the \$60. This is another common scam these ladies pull to try to get every penny from you they can. Doesn't work with me (or other experienced mongers) but they probably get away with it enough. I may go back to this place again but not to Julie.

Rose and Judy were both in today, went for Rose cause Judy was busy. Nice lady. Walked in to the Iris to get a quick rub and tug. I heard some poor old sap paid 80 bucks for a hand job here recently but I only had to pay 60 bucks to good ol' Rosey. Rose was nice enough to let me know there would be extra activities by teasing me quite a bit during the massage, she mostly stuck to touching around my ass and 'nads area, and also rubbed on my thighs. That shit was pretty damn good I must say, the massage was just OK but the teasing my dude, was great. Flipped up and I was only halfway to getting hard so she let me touch her some for good invigoration, made my dick hard and I got beat off handily by Rose, she beat me off fuckin' good my dude.

Hadn't been to the Iris in a while... and that's cause they're closed. They're gonna reopen in October or so says Julie. I had called her and she's the one carrying the Iris number right now... they're currently at the spa right across the street on Sahara & Rainbow... if you know, you know. Had a lot of fun here - not sure about how many girls work in this MP, but my provider was called Sunny, I decided to leave the review here since they're gonna be back in business shortly, and well, you can just go across the street if not. Julie might not be everybody's flavor, and I understand that, but she has always been extremely pleasant to me, her massage skills are just pretty OK I guess, but she's never let me leave unhappy, and I didn't really have to talk to the owner of this place too much cause she just went directly for me at the door and took me to one of the rooms. Dunno how they're set-up right now, cause I paid and she put it away herself. Came back in and gave me a strong, nice little massage, didn't leave anything unrubbed. Had a short convo about their current state and that's where I learned the Iris will be back to operating levels in October, so for the time do know that if you wanna book a massage with them you can call their number here and she'll answer.

<p>Iris Spa 6985 W Sahara Ave #108 Las Vegas, NV, 89174</p>	<p>2018-10-24 October 2018</p>	<p>Afternoon</p>	<p>70</p> <p>First contribution, hope you guys like it. I was going to be in town for a 3 day conference, but the first day was canceled due to our speakers being under the weather. From reviews, I knew that I would run into cheaper options away from the main strip. I really didn't want to spend a lot at a high-end place, so this parlor looked promising. It was ok, but perhaps I should have spent the extra cash and gone elsewhere. All things aside, Wendy was a sweetheart. She is not an OLD woman, but she's not a young girl either. In between, MILF age, but personally not a mom I'd like to fuck. Just being honest, but like I mentioned, she's a sweetheart. Super nice, accommodating, obliging and very submissive. Let me cop a feel without saying anything. While she didn't look put off by me touching her, she also didn't seem overwhelmed with joy by it. Probed around the V, still no objection, but again didn't look like she welcomed it either. Got to the part where she asked me to turn so she could work on my front and she asked if I needed anything else. I pulled out 40 and signaled towards my cock, nothing else needed to be said. Worked the shaft for about 5 minutes and then she asked if I had taken any "medicine" nope, all natural. She's probably used to working on one pump guys. I noticed she was watching the clock a little, but never tried to hurry up. Not that Wendy didn't deliver, but I won't be stopping in next time I'm in town.</p>	<p>40</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

She was very personable and welcoming as well. Although Wendy isn't particularly my type, my session with her was enthusiastic, to say the least. There was a whole lot of roaming through massage. On the flip she asked what I wanted and offered HE. I asked if I could get more, she held an invisible dick to her mouth and sucked it, I nodded and then she asked if I was going to tip? I said of course. She didn't say anything, but the silence told me she was waiting on the amount before getting her hands dirty, her mouth in this case. I pulled out a 50 and no oliger, thought about telling her that's all I had, but pulled out another 20 instead and she looked content with the total. She produced some plastic wrap which is a huge no no for me. As of late, I've been bringing my own condoms for this very reason so I gave her one and she put it on with her mouth. Alternated with good hand and mouth action until the pop. Overall she's very pleasant to be with. Will return to investigate the extent of the menu.</p>	<p>70</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

She is just my type with great body, pretty face and skin that has that tan look all year round. She had me undress and get on the table. She put on towel over my butt and started the massage. She had great hands and did a good job massaging my back and shoulders. She started working on my legs as I started feeling her legs. She then got more playful with the massage and would play with my balls. She had me flip over when she knew I was excited. We talked about what I wanted and off went her top. She started a handjob then a very erotic blow job. After she got me off she cleaned me up with hot towel. I even got a little more massage and a bottle of water as I left. I was greeted by a nice chinese lady , and after paying the house fee for one hour , she led me to a private room and told me to get ready and that she would be back shortly, by the time she came back I was ready on my face with a towel on my lower back. She proceeded to massage me very nicely to a point that I almost fell asleep, on the flip she was very accommodating and I left with a smile on my face, I highly recommend this place.</p>	60	/erotic-massage-iris-spa-las-vegas-nv-33450
Iris Spa 6985 W Sahara Ave #106 Las Vegas, NV, 89148	2019-04-10	April 2019	Noon	50	<p>Both Katie and Annie were available this noon . I like this place cause it doesn't get filled up during lunchtime like some other places in the area. As the last reviewer said, they keep this place plenty clean and it always smells fresh when I walk in. Another manager came in a few mins before me and took Annie so I had to take Katie. She's older than Annie but if you ask me she's the better looking one. Good fare, small body, and a nice ass. But, also older. Not that I mind, older girls are my thing, and I supposed she's only around 5 or 6 years older than I am? I've never asked her directly. I did ask her directly for some tity play and some ass play UTC while she was massaging me, she was very nice about it and said yes, even undid her own bra for me. Now that's service right there. Good stuff. Katie kept working my ass and my balls before asking me to flip. On the flip it was easier to play with her body and so enticing. She smelled good too and wasn't upset about my touching her at all over while she jerked me off to a finish. So relaxing. Katie was real good, I can give her a good rating, she made my day better.</p>	60	/erotic-massage-iris-spa-las-vegas-nv-33450
Iris Spa 6985 W Sahara Ave #106 Las Vegas, NV, 89148	2019-04-29	April 2019	Noon	50	<p>Came in to the Iris, I'm not sure if it's always a two-girl shop, but they had a girl named Annie, and one named Sunny working here today. They always just have two girls, man. I've always liked this spot better cause I haven't had any visits where the girls I've tried to gouge me, they always charge normal fees for the extra service and that's the most important part to me, honestly. So I walked in to the Iris as I said, the PO let me have Sunny, is she a newer girl? I hadn't seen her around before. I went like, yeah I can have fun with her, and I paid for half an hour. That's one thing I don't like about this place, the house fees are pretty high. Sunny was more than pleasant to be honest though, she was pretty fun to be around, not because she was joking around or anything, she just had a nice attitude and was very open to mutual touching and roaming, which always makes for fun times. Fun times were had when touching her and when she was teasing me, and then came the flip where I got a pretty good and firm hand job from her, strong hands worked both ends of my cock at the same time and she did not stop pulling on it until she'd made me finish. She was just pretty good.</p>	60	/erotic-massage-iris-spa-las-vegas-nv-33450
Iris Spa 6985 W Sahara Ave #106 Las Vegas, NV, 89148	2019-05-17	May 2019	Early Evening	70	<p>Kind of busy place, but once inside a very quiet and relaxed pace. I was greeted by Annie a very charming young lady. I opted for the VIP special for 90 minutes, and it was worth it, first I was led to the table shower for a body scrubbing and a shower, very inviting to say the least, then to the massage room, the massage was excellent, and on the flip, we agreed on a HI and I left one very happy camper, your luck may vary but highly recommended.</p>	60	/erotic-massage-iris-spa-las-vegas-nv-33450
Iris Spa 6985 W Sahara Ave #106 Las Vegas, NV, 89148	2019-06-05	June 2019	Noon	70	<p>Annie and Kathie were both here. Easy to set up a visit, I just told her hey I'm coming in at 12:00 noon and she said sure thing, took my name and I made it there with 5 minutes to spare. Boo-yah. Came in to the Iris, it's a decently nice spot and I don't mind coming here and paying their prices... too much, I mean. Mostly cause they have good looking girls, kinda young, and there is no amount of cash that would stop me from coming to visit them if they're gonna touch and jack me off. Don't tell them I said that though, I wanna keep the current prices how they are through imso. Could go lower but you know Annie was nice and she said I could touch her UTC for 60 bucks while she jacks me off, why wouldn't I say yes! She's got a nice pair and a decent ass for a lady her age. And she let me touch them both bare, so all good. Her tits tasted nice too and I only licked them for a bit before she told me to lay back and get jacked off hard. I got jacked off pretty damn hard, I must say. I came a ton.</p>	60	/erotic-massage-iris-spa-las-vegas-nv-33450

I wasn't able to come in during my lunch break, sucks. I thought about going to the toilet and beating off there but that would be some sad shit, so I decided to hold the snake and wait until 5 to come here. I deserve a purple heart for that, get me Trump on the line. I mean there are only a few things better in life than getting a cute Chinese young girl to soap and clean you up in a shower right? So I get why she's been getting lots of reviews and lots of visitors. She's a gorgeous girl who does a good shower service, and her massage is also pretty great. Not super strong, and not super deep, but just the right kind of massage that should follow a TS. Now her TS was only a clean up with some very light touches of the fun bits, so then her massage needed some spice, I began roaming and told her to touch me as well, and she began teasing me around the taint and the balls, she gone worked me good. Not too long after she had me flip up and there was no discussion, no need to set a tip. Annie just began massaging my balls and my cock again, and then she grabbed the cock with her hand and made a fist and pumped up my cock to a big cum.</p>	<p>60 /erotic-massage-iris-spa-las-vegas-nv-13450</p>

I went there in early evening and I was met by this petite lady with a nice smile, after paying the house for 90 minute treatment I was shown to the room, and when I was ready she led me to the table shower with body scrub which was very invigorating. Back to the room the massage was very nice and it worked most of my kinks on my muscles, on the flip side she took care of things, and I left very satisfied, of course your mileage may vary depending how much they know you.</p>	<p>60 /erotic-massage-iris-spa-las-vegas-nv-13450</p>

Here is my favorite I arrived at evening. Decided to get for a 90min massage, that time Two lady there New lady Amy &amp; Julie. Julie has nice smile and pretty. Her massage was good, good pressure. On the flip, she lightly rubbed up from the tops of my crotch, smiled, pumped her hand and asked if I wanted it. Woo. I was scared I had come to a legit place for a second. Julie let me touch her breasts a little but only over her clothes. It was not the best, but got the job done and then she continued decent massage for rest of 90min massage that body scrub and Table shower even after I had came. Tipped her the amount she asked and out the door. This place is good if you want a nice clean room, reasonable good massage, and handy relax. I love this spa.</p>	<p>80 /erotic-massage-iris-spa-las-vegas-nv-13450</p>

Kathy is available when I visited. She is an Asian. She did me to my room and started off with a sensual oil massage. It got me going pretty early into session. She worked on my legs and back and smoothed out the knots, I have about 10mins left and then focused on my ass and balls. Flipped over she does not say anything and started work magic stick well I grab her tits and I had a good semi. Her hands felt really when I good on my cock-I was groaning in pleasure by the time she was about twenty strokes in. she kept thumbing around my slit and slidins her hands down to gently. I made it my business to come here and check it out. Kathy was very friendly and attractive. I was hard during the TS and she let me know she wasn't shy. She gave a good massage pretty good pressure. I had convinced her I was there before and on the flip she signaled HI. I asked for FS and she asked if I did there before, yes I did. She said she had no cover and it was obvious she was not comfortable. So she stripped, saw her cute body, she was comfortable and so was I. Her HI was very erotic since I was able to play with her ass and tits, pussy was off-limits but she allowed me to touch her asshole which made me cum faster than ever! Flat and thin but good perky tits. Shes very sensual and acts all shy but then she drops that act. Stays quiet for most of the massage and knows where to tease and when to do so. The spot is pretty legit, discreet and looks CMT on the outside. Average massage, a lot of time spent on the back and shoulders. She did a fair amount of teasing of the boys and butt while I was face down. On the flip she asked what I wanted. I told her I would give her \$80 if she got completely naked and give me a BJ. She declined sadly, but encourage me to come back and next time she might "think about it" I was about to drop 100\$ but not worth it. I'll wait for next time for her to show me the goods.</p>	<p>40  /erotic-massage-iris-spa-las-vegas-nv-13450</p>

Pretty nice girl with a friendly attitude. Massage was alright, not the best but not the worst. I've had worse. Got a very good hard massage from Kathy and a very unique happy ending. Their specialty is to finger your ass while giving you a firm HI. I was not use to that sort of thing, but hey, it's actually a little more intense that way. So, it turned out to be a pleasant surprise happy ending. I will go back when I am in the mood for that sort of ending again. You will know if she is having a good time as she loves to giggle and smile when jerking you off.</p>	<p>50  /erotic-massage-iris-spa-las-vegas-nv-13450</p>

I arrive and Kathy greets me with a kiss and a hug. Pay the house fee. She led me to a private room and left for a moment. I got undressed then laid out on the table while I waited for her to come back. When Kathy came back she got started with the massage. She started out with my lower back and worked her way up until she got to my shoulders. She gave a nice, thorough rubdown of the shoulders then moved down to my legs. Kathy massaged up my legs and began teasing me when she got to my genitals. She teased my upper thighs and scrotum a bit until she told me to turn over. When I turned over she continued the massage and teasing for a bit until she decided to take care of my little guy. Kathy grabbed my penis and poured some oil on it and began stroking me. She took her time and made sure to put my pleasure first which made for a tremendous HI. Gradually, she picked up the pace of her stroking and didn't go full throttle until my breathing got heavy and she could tell I was gonna blow. Then she pumped furiously until I unloaded about 10 gallons of my seed. She cleaned up the mess after though and I gave her a little extra tip for creating such a mess, and I left a very happy man.</p>	<p>50  /erotic-massage-iris-spa-las-vegas-nv-13450</p>

Though I think an hour session is too long for a simple Tug &amp; Rub. Massage was pretty good. She knew what my body needed and the pressure she used was just perfect. Liked the way she worked and the techniques she did on me. There was something good about the way she worked my body. The ability of her massage was strong and I wanted to relax during this. There was nothing considered legit about it. She started to tease my body and helped me relax for quite a while. There was teasing before the flip. Kathy started to tease and play. Tugging helped me relax. She let me play with her breasts and I took off her bra. The tugging felt great for me. I enjoyed the relaxation she provided and it blew me all over her hands. Nothing other than a standard tug but this time Kathy took it to another level and allowed me to get a few more extras than usual. The first thing she did that I liked is in working my thighs pulling them back to my chest. She braced herself on me by putting alternately boot feet in my groin while doing this. She did this both times I went, so look forward to that. I had an erection the second time, but she didn't mind and put her foot there without hesitation. session, she spent quite a bit of time massaging around my butt and inner thighs. I was audibly moaning during much of it and she just kept going. Sometimes her fingers would brush my balls. She didn't quite touch my asshole, but she did run her fingers several times along my crack sometimes pushing in a little more. She asked me if I wanted a tug and I said sure, she wouldn't allow me to eat her out but she got close to my face and it was hard to control myself. Told her I'd pay 80 bucks if I could eat her out. She said go for it and allowed me some DATY and DATO which made me explode all over the towel. No CMV sadly. Her pussy was trimmed and smelled great, no funny smells and she was pretty clean.</p>	<p>80</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

Kathy was very accommodating and made me feel good about myself. Kathy had me disrobe and lay down, I do it right in front of these gals anymore, don't think they really care, and asked her just to focus on my back and shoulders for a bit, I was really sore from an intense workout the day prior.....she had excellent massage skills and I would return just for that in the future. I did a little minor leg groping just to make sure she knew my full intents, and after a while she lightened her touch and started running her fingers lightly over my back and legs and butt, and asked if that was ok.....Sure!! and she had me flip and asked if I wanted oil on the Johnson and I said of course and she proceeded to give me a really superb handjob with a little prostate fingering which sent me up the wall in just a few minutes...I exploded and she got a hot towel for the cleanup. Very accommodating, will come back.</p>	<p>60</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

Good Choice! Her sensual skills had me at full mast almost immediately. The teasing and brushing of the boys and the reach under had me ready to pound away...then on the flip I'm already at full attention and it's time for the best part yet. She started to give a very good handjob with lotion. I was allowed to fondle her bare breasts, and massage her crotch, but still over the pants. It didn't matter much though since they were stretch pants, and I could feel the folds of her pussy over the pants anyway. Her breasts were nice. She finished until I came in her hand, but she was careful not to let me cum all over my chest. At the end she gave me a cup of water and made sure I was all satisfied. Worth the shot!</p>	<p>50</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

Kathy is older than what I would have liked but she is nice and has alot of appeal from what I can tell. Of course the lighting in these places aren't the best quality but overall I have no complaints. Massage was decent. She did a good job on my neck, shoulders and back then asked me to flip after finishing my backside. A few strokes here and there then off to a nice finish. I told her I was on my way. I had a nice winning streak in the slot machines and wanted to burn some money. This is the best way to go IMO. Touching her actually gets me aroused, rather than her touching me and getting aroused. She gets the hint quickly, doesn't even bother asking me if I want a HE, and whips the towel off so fast that I'm sure she's burned the tip of my cock right off. Throws the oil on like she's lighting a fire, grabs my cock firmly by the base, and beats me off with quick, rapid strokes. She starts really slamming down on my cock, my balls have a tingly ache to them, but in a good way. I unload an eruption of semen; it leaks down and smothers her hands like a volcano magma wave. Julie was the provider and did a great job of working my back, legs, neck, etc. She spoke decent enough English that we could communicate. think there was a second provider as I heard the two of them talking but I never saw her. After doing the "guide her hand to where I want to be rubbed", Julie had me roll over on my stomach and gave me an amazing and thorough rubdown. Once I was nice and relaxed. Since the hour was less than I was expecting to begin with, I happily agreed. She stripped down to panties and had to sit up and help her apply oil all over her. This was unexpected and very very nice. Then she had me lay back down and rubbed herself all over me, eventually grinding her panty covered pussy to a very convincing (if not real) orgasm on my cock. She then slid off and finished me with some jerking while my hands wandered all over. Finished, cup of water.</p>	<p>60</p> <p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

In a shopping center I came here afternoon. Parlor was clean and Mimi is a ok looking Asian girl. She came in and put a towel on my ass, started off neck and slowly toward my back and I flip over. She started massage on my back. I looked back to see her shedding her pants then she climbed on my back and things got more comfortable. I felt great after my back massage she slowly slides her hands in between the thighs which feels very sensual and kept massaging for inner thoughts. she had a oil and greeted me in the hall with water and candy. The experience was very relaxing and enjoyable. Her HJ skills are just as great as her massage.

It was in a newer part of town. The inside looked clean, smelled clean, and looked like a legit AMP. First impression she looked a little old and just average looking, but what she lacked in borer-popping appeal she made up for in experience and skill. Her hands had the magic touch to deliver a professional, legit massage. All the stress, guilt, and pain weighing on my mind and vexing my body left me like a fart in the wind. Her touch felt sanctifying and refreshing.

At first I thought a HE wasn't in store for me since she left the towel on the entire time as she worked my backside and did very little teasing to my boys when it came to the inner thigh rub. After the flip came I lost all hope that she would massage the most important muscle of all when she lifted the towel to cover my business. But the despair didn't last long, she worked the kinks out of my shoulders, chest, arms, fingers and legs restoring my faith. Then she opened my legs, bent them into a frog position, and leaned into my inner thighs massaging them sending waves of pleasure to my happy man making him stand up pitching an instant tent and because I didn't have a sleeping bag she knew I wasn't there to camp. So she removed the towel, massaged my upper thighs grazing my nuts and getting me harder than a diamond. When she realized my true desire she flat out asked "Hj?" I responded by pointing down to Mr. Happy to answer her question. Seeing that he was bouncing up and down with drooling anticipation, she said \$100. I said \$50. She said \$60. I said OK.

She got the oil, massaged my balls while stroking me stimulating every nerve in my cockle region to an euphoric bliss. The intensity began to build into a pressure that could not be restrained by the Hoover dam. I held out as long as I could until my efforts became futile bursting open the flood gates of heavenly ecstasy and delivering a glorious shower baptizing her hand and my abdomen. I felt born again and 50 pounds lighter. She cleaned me up with a hot towel, gave me water, and I was on my way with a new pip in my step.

My only regret is I didn't get the hour.

Wished there was a larger menu for extras, but Kathy was an excellent masseuse with very strong hands, just loved her deep tissue massage. I got in and noticed that it was a clean joint, passing the tip to MMS who thanked me. She was nice actually. Kathy was the one I wanted badly and came in to seee. I don't know what the other guy experienced but Kathy is very helpful. Her massage skills are great and top notch. She has a nice demeanor about her and is giving on the flip after grabbing my dude. I touched her and told her that she is pretty. She put her finger to her mouth to get me to quiet down. I was excited. She strokes and rubs my chest, pinches my cheek even. I was so turned on and massaged her ass to which she enjoyed. YMMV will come back for more cause that house fee is pretty affordable.

I arrived on time, paid my fee to the girl at the front and was shown to 2 women available: Kathy and Mimi. Went with Kathy. I walked with her to the room, she has a cute butt for an asian woman. She started a better than average massage. I lightly touched her leg and got no resistance. Before flip occurred I had actually reached the crotch. But only outside of clothes available. She gave good massage with hints of teasing, but nothing definite. Went for towel and wiped me down. Then spent a good 5 minutes teasing big time before telling me to flip. On flip, she immediately asked if "ok?" I said yes and she began a light but thorough HI. She covered most of the area around Junior at the same time. With each pass of the area ( no rush at all), she increased intensity until I couldn't hold off. She finished strong and kept lightly working my buddy after I completed. That was very nice. Messy finish, will repeat.</p>	<p>50</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

Decided to stop by after work. It was busy so I had to wait like 20 mins for the next available girl. Kathy (once alone) smiled and asked if I was ready and I laid face down on the table with no cover. She threw a towel over me and asked how I like it. I said medium and she began with a great massage. She teased me a few times when working my legs and I started to get hard. She asked my to flip over and I dropped the towel on the ground. She smiled and reached down to pick it up. She began massaging the front of my legs and teased a few more times before the main show. She started tuggin me with both hands, sliding them without issue, balls were also massaged and did a brief light Prostate as I was jizzing. It felt Majestic.</p>	<p>50</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

Very legit looking place so no issues there. I had gotten lucky at this place a few times so I knew how far Wendy would go, she's a great choice, she's not ugly, has a good body, a like Asian girl with a sexy vibe like her, I followed her to the back where she showed me a good time. After I hopped on the massage table she began working on my shoulders, I could feel how she was being sensual, more than anything when she was doing my lower half, I just had to ask her for some extra love once she had turned me over, we went over a little business and then she stroked my cock, it was a great hand job, not too fast, not too tight. Wendy is the kind of girl that will let you do a little touching too so I didn't pass on feeling those titties, she was cool with me grabbing her ass and playing a bit with her trimmed kitty too, we gave each other some mutual pleasure and eventually she had me spilling the mayo, I gotta say, she was a treat.</p>	<p>40</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

I replied that I had although, of course, I had not. Surprisingly after I said that, she gave up the third degree. The mamasan took me to a room and told me to wait. No line-up was offered, but I didn't ask for one either. I wasn't exceptionally pleased when Wendy arrived dressed looking like an ER worker, but I wasn't exactly displeased either as she wasn't the dreaded granny type that I've come to wholesomely fear running into. Half of her face was covered up but I take it that she's as average as any AMP girl I have ever encountered. No overabundance of curves, but not flat. She gave a decent hard pressure massage for about 20 minutes with some nice teasing off the boys and so ass play. On the flip, she asked me what I wanted and I said everything and she said only hand here. She then asked for the money first and then started the HI. There was certainly room for improvement, particularly because she kept forgetting about the boys, but otherwise, it served its purpose. Ok with UTC touching, Kitty play, even poked around her asshole a bit too, and no objection at any time.</p>	<p>50</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

I replied that I had although, of course even tho I was lying. First time there. I gotta say, Wendy isn't too attractive, but she looked a lot better with my dick in her mouth. This came, of course, after the massage, which was a bit lacking on pressure and seemingly abstract, but I assume it was because she knew she'd probably get away with anything after sucking cock. She was right. The flip came, and so did the awaited moment, where she gently stroked and touched my cock to an erection, played with my balls and blew air on it to make it kinkier. After I was done she cleaned me up and send me on my way, pretty straightforward. I Liked it.</p>	<p>50</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

I didn't have any issues with the facilities, the rooms are kept clean and sanitized, the staff is great, good times. I hadn't checked this place out before so I took the time, Wendy was the only girl that was working at the time, she was pretty average looking but cute enough for a quick nut so I signed up. Typical question about how long massage and I opted for the hour, as my back was hurting. Paid the normal house fee, and while she was getting change, I got undressed and on the table. She came in and asked hard or soft and I requested hard. She did a great massage, and I almost didn't want to disturb that with the HE but traditions are traditions. She was as good at that as she was the back massage and she didn't mind me grabbing her ass, she even took my hand and got it on the twins. Very good experience.</p>	<p>40</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

The front door isn't locked. They advertise on Craigslist a lot for waxing. Figured I would take a chance with a massage. Paid for hour, but was out the door in about 40 minutes. Very minimal and light touch massage. The masseuse kept her mask on the entire time. She was wearing a pair of shorts and a baggy t-shirt. After the flip, she didn't bother with the towel. I wasn't interested in anything else, so I received a HI. Not sure if anything else is on the menu.</p>	<p>50</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>

I stopped by this place 3 times over the last few weeks. The second time I saw Jennifer. The first and third time the lady who greeted me said they don't do massage there. The third time I tried to tell her I had just gotten a massage the week before and she angrily scowled that they "no massage here." So, not sure what that's about. This review will be for the time I actually did get a massage.</p>	<p>60</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>
					<p>As I said, the time before I met Jennifer, I was told they didn't do massages there. I knew from this site that wasn't true. So I tried again and Jennifer met me at the desk and brought me back to the room. She gave a really good massage with plenty of teasing before the flip. After flipping, she asked if I wanted a HE and how much tip. I told her \$50 and she was satisfied. She worked my tool really well and didn't seem to mind my exploring hand. I even slid my hand up the leg of her shorts to her crotch under the shorts but outside her panties. No problem with me exploring under her bra as well. I finished fairly shortly. She cleaned me up, gave me a small bottle of water. And I was on my way. It was worth repeating, and I tried. But I'm not sure I'll bother. It's a bit out of my way to chance being turned away because they "don't do massage here." If anyone knows why they are saying that or has had that happen also, please comment.</p>

Jennifer answered and informed me that she was available. I was already en route before she finished speaking. Jennifer is a fairly attractive MILF. She has passable English, nice b cup boobs, no tats or piercings that I could see. I arrived and she asked, "You call?", "yes" I replied. She led me to the room and asked how much pressure I wanted. I went with medium. She then began a very enjoyable back massage with plenty of ball and shaft fondling every now and then. About halfway through the session, she had me flip. I tried inserting a finger to give back a little, but she moved out of the way and pushed my hand away. No biggie, it was still a nice HI. Did not fail to satisfy, I will repeat.</p>	<p>/erotic-massage-iris-spa-las-vegas-nv-13450</p>
