Dear Ms Sandra Anderson,

Happy the 4th July.

I acknowledge receipt of your email & same letters addressed to me regarding the Board's denial to my personal application as an individual Massage Therapist stating is based on historical activities or NRS 640C.700(6) and/or (9) which is an N/A to me and erroneous accusation without prior justification & an unfair judgment on me because it was a complete misunderstanding after partial finding that required factual clarification with proof and eye witness, now supported by the cooperating parties stated below to help me testifying that those disturbing advertising findings and activities were targeted by a suspect, named [redacted], who sold out her massage business to my company on 8/1/20 but continued to retain her image of what so called "over 1000 advertisements" manipulation under her conspiracy of business interference rendering me to suffer mental nerve breakdown and physical back pain due to her illegal & improper advertisement to jeopardize my personal MT license application.

1. **Business interference** During my absence out of country, the suspect, previous business owner, [redacted] continued her extensive improper advertisement using my Company address and telephone connected wire linking to my company's newly taking over when it was still in formative stage to continue her personal promotion of body massage service using my registered business premises without my knowledge.

2. Landlord Owner of the business premises at 445 Pyramid Way, Sparks, NV 89431 would testify with evidence of proper Lease agreement arrangement.

3. Spectrum Telephone Company service testifier.

4. US Post office service testifier.

5. Google advertising media testifier.

6. The State business Registration office was reported in the middle of September 2020 against the suspect ,  
for business interference during pandemic time but unfortunately, no disciplinary action has yet taken against  
Suspect.

6. The impact of you quoted" As long as the Criminal History and/or Education applies pursuant to NRS 640C 400 and  
640C . 420" .

Is there any way you can forward a copy of my last  
Application for me to ascertain qualification in this regard.

I understand that such violation was manipulated by  
the suspect, the previous business owner who continued her extensive advertisements to benefit  
herself despite warning after she completely sold her massage business to my company under a business contract and  
my Individual MT application with you is a  
separate issue and it should not be related to the suspect's continued advertisement to benefit herself with "secret"  
profit  
under her crafty manipulation and  
her action is at fraud in violation of State law of MT practice if reported using my  
company address to fish her customers.

I shall be grateful if you will look into this matter and reconsider to issue me the  
qualified Licensure favourably after your complete investigation.

I am more than happy to attend your Board for elucidation if called upon to do so.

Thanking you in anticipation.

Sincerely,  
Lihua ZHAO,

**Important & Urgent**

Dear Ms Sandra Anderson,  
Executive Director,  
NV State Massage Lic Board,

This is Lihua ZHAO.

Further to my last email  
acknowledged receipt by  
your Associate, I have not received any feedback from you as of date.

As suggested in my previous email, I am now in a position to defend with witness, the Landlord of the business premises is kind enough to testify as it is deemed that your consideration to turn down my MT Lic application in my personal capacity, under an incomplete review is unreasonable based on unrelated superficial evidence, manipulated by a suspect third party, a Nevada State MT LICENSEE, who is at fraud in breach of contract despite complete change of ownership she gave up after receiving the whole sale proceeds from my Company, witnessed by the Landlord, effective 8/1/2020.

Please allow dignified US citizens and proper Community service authorities, I.e. Spectrum wireless, USP Service, GOOGLE , Established clients, State Dept of Business Registration to testify in your Board appeal of justification, if called upon to do so.

The key witness, i proclaimed that he would voice justice by testifying in this unfortunate situation as he recognised that our company would continue to suffer financially and he is hopeful that after further review , the Board would issue me MT Licensure at an early date enabling me to contribute revenue of proper & professional community service for our Company.

I would take this opportunity to confirm that the said findings of certain advertisements & activities for evaluation of PT Licensing, submitted to The MT Board have nothing to do with me personally.

Without proper Licensure, I  
am not able to perform

traditional advertisement which was carried on & continually manipulated by who now jeopardises my personal MT License application due to misunderstanding targeted by the previous business owner who still has not given up her traditional advertisements & activities.

Looking forward to attend a face to face meeting , if necessary, accompanied

by our Landlord, , who has the factual knowledge, including the proper Community Authorities already mentioned to tell you her unprofessional conduct and the Board of the directors of our company already suggested our Company to file a felony court action with the District Attorney of Clark County against the suspect, Anita Fan, who continued to cause business interference after completely selling out her MT business to our Company.

FYI

Please help & advise.

Much appreciated.

Sincerely,

Lihua ZHAO,

Private & Confidential

Special Disclosure  
Of Material Facts to caring support an individual member, Lihua ZHAO's NVMT Application

Ms Sandra Robinson,

Executive Director,  
Nevada Board of MASSAGE Therapy BOARD,  
Nevada Board of Massage Therapy  
1755 E Plumb Lane  
Suite 252  
Reno  
NV89502

Dear Ms Sandra Robinson,

This is Bryan Tam, MBA, CAO, Administrator of MBCTCOTTAGE LLC, dba Spa Shiatsu under Business License No: S084192A-LIC registered to do business at 445, Pyramid Way, Sparks, NV 89431 effective 8/1/2020 independently operated in accordance with the articles & bylaws of Prospectus of our Organization.

Pursuance to the M & R of the Board of Directors & company's Investors of our Organization Conference dd 6/30/21, it was resolved to form a special committee to undertake full investigation to support an individual member's NVMT application with clarification and factual & verifiable documentation coupled with testified witness who have the true knowledge in an attempt to request revoke your denial decision based on partial view of certain questionable materials unrelated & not in favor of the applicant our Committee discovered in the disadvantage of the applicant to relate there on by your searching team.

We thank you for your staff assistant called us to come over to your office to recognize update of this doubtful case but it turned out just giving a notification for business attendance by way of zoomed conference in general public hearing.

The Board of our special Committee considers it not appropriate & justified to attend an open zoomed conference hearing on 17th & 18th August is not the apt time as our continued effort of investigation would not warrant us to openly discuss your decision of ethics when our preparation is still in need of more substantiation to arrive at a court hearing for justification if necessary.

FYI, you might probably know that our Company started Spa Shiatsu massage business since 8/1/2020 under the supervision & systematic management of Dr Dan, our General Manager, (GM) amid Coronavirus-19 pandemic on & off, In the Interim, our Company recruited proper MT licensees full / part time to massage service customers by appointment, without exception.

We have the following Licensure registered with our company to serve well established customers.

- a) Liuping HU  
Lic. NVMT 10690
- b) Yingyun HE  
Lic. NVMT 8904
- c) Hongying XU-RODE  
Lic. NVMT 8379
- d) Yuxlu CHU  
Lic. NVMT 8070
- e) Ge WANG  
Lic. NVMT 9425

Our GM in charge of the business management of the staff members of MBCTCOTTAGE LLC at 445 Pyramid Way is Dr Dan. His direct line is 702-972-6287. Give him a call if you have any questions regarding the business structure of our Organization.

The reason why we need to substantiate material facts is for you to distinguish that there are obviously two distinctive issues:

a) Since business inception, our Spa Shiatsu company continues to practice massage technique using qualified NVMT licensees to provide customers service in the City of Sparks Community, regulatory of State, County & City jurisdiction.

Meanwhile, we are still in the course of collecting useful evidence of the suspect business interference purportedly manipulated by the suspect who is deeply involved in violation of business law: firstly in breach of contract of business sale and business inference; still counting her counts at fraud to fool public utilities companies such as Spectrum Wireless, USP and Google Advertising, Sparks City authority, etc.

b. The individual NVMT application of a member is definitely a separate issue. Lihua excels herself to exclusively Facial Beauty cosmetics fitness section. She tried to supplementarily qualify herself on massage.

It has nothing to do with the Scandal & rumours now inadvertently gathered. Unfortunately, her application status situation is jeopardised by suspect who is the previous business owner, a veteran NVMT. Cel: ,970-456-8111.

After selling her entire massage business to our company, she continues to carry on her dirty tricks to manipulate extensive marketing & advertising affairs using unauthorised devices entangling complexity to hurt our innocent party entity.

Our Committee continues our effort of search to investigate the suspect's motive and if necessary, we may take court action

More importantly, I heard that your assistant found that more than 1000 times of advertisement might refer as Google Ad. She continued to dominate her extensive Google Ad domain and unwilling to operate let go and still put our address of 445 Pyramid Way, Sparks to function her personal name as main Massuer to business and ask to call back to redirect customers to her own place or hotel to perform massage.

Our company MBCT hired Mr Rahul who is expertise using our registered legal address at 445 Pyramid Way, Sparks NV89431 to put our new Website but despite numerous requests asking her to take off the address, she refused cooperates with our Google Ad designer.

Now then, as leader of our organization, I hope you can give us face to hold on and be patient to receive our final report of substance to pronounce justification.

Thank you for your time.

You may call or email me any time to find out the truth.

Best.

Sincerely,

Bryan, CAO,  
Administrator,
