DRAFT MINUTES

Please Note: The Nevada State Board of Massage Therapy may: 1) take agenda items out of order; 2) combine two or more items for consideration; or 3) remove an item from the agenda or delay discussion related to an item at any time. Reasonable efforts were made to assist and accommodate individuals with disabilities who wished to attend the meeting by contacting Sandy Anderson at 775.687.9951 (sjanderson@lmt.nv.gov), in advance, so that arrangements could be made. Public comment was taken at the beginning and the end of the meeting. The Board may convene in closed session to consider the character, alleged misconduct, professional competence or physical or mental health of a person (NRS 241.030).

Public Comment Agenda Item: There was a time designated at the beginning and the end of the meeting for Public Comment. Members of the general public were able to bring matters not appearing on this Agenda to the attention of the Board or make comments on specific agenda items. Public comments also were taken at other such times as requested as long as the request for public comment did not interrupt ongoing Board business. The Board may have discussed matters not on the agenda but did not act on the matters at this meeting. If the Board desired, the matters will be placed on a future Agenda for action. In consideration of others who wished to provide public comment, repetition was avoided. The Board limited public comment to three (3) minutes.

Prior to the commencement and conclusion of a contested case or quasi-judicial proceeding that may affect the due process rights of an individual, the Board may have refused to consider public comment (see NRS 233B.126). Please be aware that after the quasi-judicial Board rendered a decision in the contested case and, assuming this happened before adjournment, the Board may have entertained public comment on the proceeding.
