To Nevada Massage Board,

I am pleased to write this letter of reference for Ms. Zhiying Liu, who was a student at AMO Massage School in 2023. I had the pleasure of being her theory teacher during her time at the school.

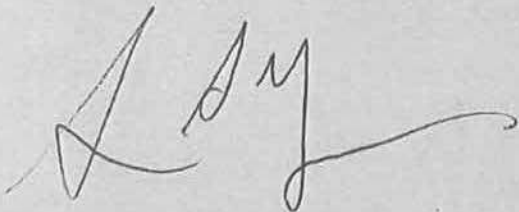

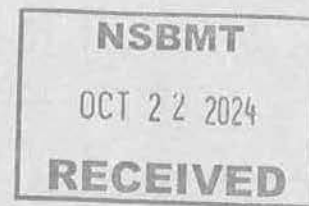

Throughout her studies, Zhiying demonstrated a good understanding of the fundamental concepts of massage therapy. Although her class performance was average, largely due to English being her second language, she remained consistently eager to learn and showed a genuine interest in improving her skills.

Zhiying was respectful, cooperative with her peers, and maintained a positive attitude in her studies. She has the potential to continue developing her abilities as a massage therapist with further practice and experience.

I believe that Zhiying Liu will make a positive contribution to the field of massage therapy, and I am happy to provide any further information if needed.

Sincerely,

Johnny Yep

Dear Sir/Madam,

I am pleased to recommend Jennifer Zhiying Liu for future employment. Since meeting my neighbor who moved next door in July 2023, I have been continually impressed by her kindness, friendliness, and genuine care for others. She is an angel. I took Japanese and Chinese classes with her. She also was my personal teacher, assisting me with learning the languages. From what I know about her, she is a very positive and motivated person.

Her thoughtful and nurturing personality is evident in how she cares for her plants, cat, and interacts with those around her, qualities that make her well-suited for a profession dedicated to helping others.

On weekends, I hear her watching English tutorial videos to improve her English, further showcasing her dedication to personal growth and learning.

With her good moral character, strong work ethic, a good heart, and commitment to helping others. Please feel free to contact me for any additional information.

Sincerely,

Preston Banks
