Existing regulations prohibit a person from operating a massage establishment, reflexology establishment or structural integration establishment unless the person has obtained a certificate to operate such an establishment from the Nevada State Board of Massage Therapy (NSBMT). Existing regulations also require the Board to issue the certificate if the applicant submits an application to the Board and complies with all applicable provisions of law. (NAC 640C.083). In addition, an establishment may employ only licensees to perform massage therapy, structural integration, or reflexology. The current establishment certificate along with a current license of all therapists must be displayed in a prominent location available for inspection.

Documents submitted with your application will not be returned. Keep a copy of your completed application, all attachments and a copy of your Money Order or Cashier's Check. **Do not send cash. Do not send a personal check. Do not send a business check.** Money order or Cashier's Check only through the mail.

### **If any of the below is missing, your incomplete application will be returned.**

- Did you include a completed Establishment Certificate Application?
- Did you include your payment (money order or Cashier's Check only) and indicate how many massage and/or reflexology rooms you have at your Establishment?
